1999 Canadian Global Almanac:

The Canadian Global Almanac ,1994 *Modern Legal Systems Cyclopedia* ,1984 Globalization Unplugged Peter Urmetzer,2005-01-01 The debate over economic globalization has reached a fever pitch in the past decade and a half with Western governments and multinational corporations trumpeting its virtues and a multitude of activists and developing world citizens vociferously denouncing it Both sides would agree that globalization is a recent development that is changing the way people and nations do business but in Globalization Unplugged Peter Urmetzer questions whether national economies are losing their sovereignty and whether the topic of globalization merits as much discussion as it receives Urmetzer s focus is specifically on Canada and he demonstrates that current levels of trade are not unprecedented and further that as the economy becomes more service oriented it will also become less trade dependent He points out that only a relatively small percentage of Canada s wealth is owned by foreign investors and likewise only a small portion of the country s wealth is located outside of its borders Disputing claims that the nation state is weakening or disappearing altogether Urmetzer shows how the welfare state side of government spending conveniently ignored in the anti globalization literature yet arguably the most significant development in the political economy of the nation state in the twentieth century remains remarkable stable Written with precision and skill Globalization Unplugged will spark controversy on both sides of the globalization debate and help deflate the rhetoric of both advocates and detractors **Who's Who of Canadian Women, 1999-2000** Gillian Holmes,1999-06-01 Who s Who of Canadian Women is a guide to the most powerful and innovative women in Canada Celebrating the talents and achievement of over 3 700 women Who s Who of Canadian Women includes women from all over Canada in all fields including agriculture academia law business politics journalism religion sports and entertainment Each biography includes such information as personal data education career history current employment affiliations interests and honours A special comment section reveals personal thoughts goals and achievements of the profiled individual Entries are indexed by employment of affiliation for easy reference Published every two years Who s Who of Canadian Women selects its biographees on merit alone This collection is an essential resource for all those interested in the achievements of Canadian women *Canadian Books in Print 2002* Marian Butler,2002-02 *Living & Working in Canada* Benjamin A.
