AREA BASEMENT Gathering Crowds Paul Hensler, 2021-04-28 When baseball's reserve clause was struck down in late
1975 and ushered in free agency club owners feared it would ruin the game instead there seemed to be no end to the
baseball fever that would grip America In *Gathering Crowds* Catching Baseball Fever in the New Era of Free Agency Paul
Hensler details how baseball grew and evolved from the late 1970s through the 1980s Trepidation that without the reserve
clause only wealthy teams would succeed diminished when small market clubs in Minnesota Kansas City and Boston found
their way to pennants and World Series titles The proliferation of games broadcast on cable and satellite systems seemed to
create a thirst for more baseball rather than discourage fans from going to the ballpark And as fans clicked the turnstiles and
purchased more and more team licensed products the national pastime proved it could survive and thrive even as other
professional sports leagues vied for the public's attention By the end of the 1980s baseball had positioned itself to progress
into the future stronger and more popular than ever *Gathering Crowds* reveals how the national pastime moved beyond the
grasp of the reserve clause to endure a lengthy strike and drug scandals and then prosper as it never had before The book
also offers insight into how societal issues influenced baseball in this new era from women in the clubhouses and minorities
finally named as managers to a gay player's debut at the big league level *Gathering Crowds* is a fascinating examination of
baseball's transformation during this unprecedented era **The Professor and the Profession** Robert Bechtold
Heilman, 1999 Robert Bechtold Heilman is one of the last survivors of a remarkable generation of American critics that
included such literary giants as Cleanth Brooks Allen Tate it is a reflection upon American literary history itself In the first
section of essays *The Self Displayed* Heilman reveals how he developed from a small town boy into a distinguished critic
teacher touching upon his love of baseball football along the way *Writers Portrayed* Literary Types Problems Inspected the
following sections offer his opinions on the past on the current state of American literary criticism including personal
portraits of such renowned friends as Eric Voegelin Robert Penn Warren Theodore Roethke Malcolm Cowley The final section
