**First Son** Keith Koeneman, 2022-12-22 Mayor Richard M Daley dropped the bomb at a routine news conference at City Hall on Tuesday With no prelude or fanfare Mr Daley announced that he would not seek re election when his term expires next year Simply put it s time he said New York Times September 7 2010 With those four words an era ended After twenty two years the longest serving and most powerful mayor in the history of Chicago and arguably America stepped down leaving behind a city that was utterly transformed and a complicated legacy we are only beginning to evaluate In First Son Keith Koeneman chronicles the sometimes Shakespearean sometimes Machiavellian life of an American political legend Making deft use of unprecedented access to key players in the Daley administration as well as Chicago s business and cultural leaders Koeneman draws on more than one hundred interviews to tell an up close insider story of political triumph and personal evolution With Koeneman as our guide we follow young Daley from his beginnings as an average Bridgeport kid thought to lack his father s talent and charisma to his unlikely transformation into an iron fisted leader Daley not only escaped the giant shadow of his father but also transformed Chicago from a gritty post industrial Midwestern capital into a beautiful sophisticated global city widely recognized as a model for innovative metropolises throughout the world But in spite of his many accomplishments Richard M Daley s record is far from flawless First Son sets the dramatic improvement of certain parts of the city against the persistent realities of crime financial stress failing public housing and dysfunctional schools And it reveals that while in many ways Daley broke with the machine politics of his father he continued to reward loyalty with favors use the resources of city government to overwhelm opponents and tolerate political corruption A nuanced portrait of a complex man First Son shows Daley to be sensitive yet tough impatient yet persistent a street smart fighter and
