Girls Becoming Teachers , **Good Time Girls of Nevada and Utah** Jan MacKell Collins,2022-04-01 As settlements and civilization moved West to follow the lure of mineral wealth and the trade of the Santa Fe Trail prostitution grew and flourished within the mining camps small towns and cities the nineteenth century Nevada and Utah Whether escaping a bad home life lured by false advertising or seeking to subsidize their income thousands of women chose or were forced to enter an industry where they faced segregation and persecution fines and jailing and battled the other hazards of their profession Some dreamed of escape through marriage or retirement and some became infamous and even successful but more often found relief only in death An integral part of western history the stories of these women continue to fascinate readers and captivate the minds of historians today Nevada and Utah each had their share of working girls and madams who remain notorious celebrities in the annals of history like Kate Flint and Dora Topham but Collins also includes the stories of lesser known women whose roles in this illicit trade help shape our understanding of the American West **Stolen Bases** Jennifer Ring,2009 A revealing look at the history of women s exclusion from America s national pastime **No Girls in the Clubhouse** Marilyn Cohen,2009-04-22 Even though teenaged girl Jackie Mitchell once struck out Babe Ruth and Lou Gehrig women are still striking out on the hardball diamond This book builds on recently published histories of women as amateur and professional players umpires sports commentators and fans to analyze the cultural and historical contexts for excluding females from America s pastime Drawing on anthropological and feminist perspectives the book examines the ways that constructions of women s bodies and normative social roles have pushed them toward softball instead of baseball Sportswriter accounts Title IX sex discrimination suits and interviews with players explore the obstacles and the social isolation of females who join all male baseball teams while also discussing policies that inhibit the practice **The Comedy of Errors** Harold Bloom,Janyce Marson,Sterling Professor of Humanities Harold Bloom,2010 Presents a collection of essays discussing aspects of William Shakespeare s historical play plus a summary of the play key passages characters and biographical information **Those Good Gertrudes** Geraldine J. Clifford,2016-03 This book explores the professional civic and personal roles of women teachers throughout American history Its themes and findings build from the mostly unpublished writings of many women Clifford studied personal history manuscripts in archives and consulted printed autobiographies diaries correspondence oral histories interviews to probe the multifaceted imagery that has surrounded teaching This work surveys a long past where schoolteaching was essentially men s work with women relegated to restricted niches such as teaching rudiments of the vernacular language to young children and socializing girls for traditional gender roles **The Abercrombie Age** Myles Ethan Lascity,2024-10-01 Be popular and good looking it s the key to a happy life Luckily with a bit of know how and money you too can have it all At least that s what teen pop culture was selling in surround sound at the turn of the millennium From movies like Clueless to TV s Dawson s Creek to the music videos on MTV s Total

Request Live and the catalogs of Abercrombie Fitch a consumer minded ethos drove pop culture storytelling as millennials came of age in the late 1990s and early 2000s But in the long shadow of the Great Recession the upwardly mobile aspirations fostered by the era s popular culture and media seem to have been thwarted Many millennials today lack the wealth their parents had at the same age and the gaps between rich and poor rival those of the Gilded Age The Abercrombie Age reconsiders teen popular culture from the turn of the twenty first century revealing how it told young people that life not only could but surely would get better Far from frivolous or forgettable the era s superficial materialistic culture sold millennials unrealistic expectations of what life could offer setting up a stark juxtaposition with the realities of today **Health**
