Pub. by T. Tegg, 21, Chancery Lane.

Art Of Ingeniously Tormenting 1757 Edition

Jane Collier

Art Of Ingeniously Tormenting 1757 Edition:

An Essay on the Art of Ingeniously Tormenting Jane Collier, 2003-08-12 Perhaps the first extended non fiction prose satire written by an English woman Jane Collier's *An Essay on the Art of Ingeniously Tormenting* 1753 is a wickedly satirical send up of eighteenth century advice manuals and educational tracts It takes the form of a mock advice manual in which the speaker instructs her readers in the arts of tormenting offering advice on how to torment servants humble companions and spouses and on how to bring one's children up to be a torment to others The work's satirical style which focuses on the different kinds of power that individuals exercise over one another follows in the footsteps of Jonathan Swift and paves the way for Jane Austen This Broadview edition uses the first edition the only edition published during the author's lifetime The appendices include excerpts from texts that influenced the essay by Sarah Fielding Jonathan Swift Francis Coventry excerpts from later texts that were influenced by it by Maria Edgeworth Frances Burney Jane Austen and relevant writings on education and conduct by John Locke George Savile Dr John Gregory

An Essay on the Art of Ingeniously Tormenting (Old Edition) Jane Collier, 2006-04-13 Now the sport begins *An Essay on the Art of Ingeniously Tormenting* is the first English book on the craft of nagging A biting funny social satire it is also an advice book a handbook of anti etiquette and a comedy of manners Collier describes methods for teasing and mortifying one's intimates and acquaintances in a variety of social situations by taking advantage of their affections and goodwill Written primarily for wives mothers and the mistresses of servants The Art suggests the difficulties women experienced exerting their influence in private and public life and the ways they got round them In anatomizing the art of emotional abuse Collier piques readers into acknowledging their own faults and persuades them that tormenting is a useful skill even as she censures its effects The Art provides a fascinating glimpse into eighteenth century daily life the treatment of servants and dependants and the bringing up of children and is a thrilling precursor to the art of Jane Austen [The English portion of the library of ... Francis Wrangham \[a catalogue, compiled by himself\].](#) Francis Wrangham, 1826

Catalogue of first editions, and books printed in the fifteenth century [&c.]. Payne and Foss, 1818 *The Cambridge Companion to Women's Writing in Britain, 1660-1789* Catherine Ingrassia, 2015-04-23 Essays by leading scholars provide a comprehensive overview of women writers and their work in Restoration and eighteenth century Britain *British Literature 1640-1789* Robert DeMaria, Jr., 2016-02-23 Spanning the period from the British Civil War to the French Revolution the fourth edition of this successful anthology increases its coverage of canonical writings plays and of the development of British Literature in the American colonies A thoroughly updated new edition of this popular anthology which focuses firmly on the eighteenth century without neglecting the seventeenth century Contains new texts including the play *Rover* by Aphra Behn and *Beggars Opera* by John Gay increased canonical works including works by Dryden Pope and Johnson and historical contextual materials with particular attention to the Americas Features updated introductions throughout taking into account recent critical works and editions Includes

useful resources such as an alternative list of contents by theme and a chronology of literary and political events providing valuable historical and cultural context *The English Portion of the Library of the Ven.
