Art Of Passing Over:

Elements of the Art of Dying sic . Containing the theory of dying in general, as far as it respects the properties of colouring substances. Translated from the French Claude-Louis Berthollet,1841 **The Art of Dying** Vena Cork,2011-09-01 At an exhibition of her late husband s paintings Rosa Thorn is shocked by the wild antics of certain artists Is the art world a place where the normal rules of behaviour don t apply When she realises she s being followed her fear escalates There is someone out there determined to invade her life Then one of the artists is found dead The police conclude it is suicide but Rosa discovers inconsistencies in the evidence And when she delves more deeply into this world where appearances are seductive but don t match reality she will need every ounce of her wit and intelligence to come out of it alive *Polygraphice; or The art of drawing, engraving ... varnishing, colouring and dying ...
