

Art Of Victorian Prose

Michael Dominic Hurley, Marcus Waithe

Art Of Victorian Prose:

The Art of Victorian Prose George Levine, William Anthony Madden, 1968 **The Art of Victorian Prose** George The Art of Victorian Prose George Lewis Levine, William Anthony Madden, Oxford University Levine, William Madden, 1966 Victorian Prose Rosemary J. Mundhenk, LuAnn McCracken Fletcher, 1999-08-27 This engaging informative Press.1968 collection of Victorian nonfiction prose juxtaposes classic texts and canonical writers with more obscure writings and authors in order to illuminate important debates in nineteenth century Britain inviting modern readers to see the age anew The collection represents the voices of a broad scope of women and men on a range of nineteenth century cultural issues and in various forms from periodical essays to travel accounts letters to lectures and autobiographies to social surveys With its fifty six substantial selections Victorian Prose reaches beyond the work of Carlyle Newman Mill Arnold and Ruskin to uncover an array of lesser known voices of the era Women writers are given full attention writings by Mary Prince Dinah M Craik Florence Nightingale Frances P Cobbe and Lucie Duff Gordon are among the entries Excerpts cover such topics of the age as British imperialism the crisis of religious faith and debates about gender On the issue of colonial expansion opinions range from Benjamin Disraeli's celebration of empire building as evidence of Britain's glory to David Livingstone's promotion of commerce with Africa as a way to retard the slave trade and make it unprofitable Views on the woman guestion extend from John Stuart Mill's defense of women's rights to Mrs Humphry Ward's opposition to women's franchise and Sarah Ellis's support for the domestic ideal This invaluable resource features attention to important noncanonical writers including a generous selection of women writers a wide range of written forms including periodical essays travel accounts letters lectures autobiographies and social surveys both chronological and thematic tables of contents the latter encompassing subject areas such as England at home and abroad the new sciences religion and the status of women selections drawn from the original nineteenth century editions and annotations to each text that aid nonspecialists in understanding unfamiliar names terms and cultural debates The art of Victorian prose, ed George Lewis Levine, William Anthony Madden,

The art of victorian prose, ed. by g. levine & w. madden ,1968 Towards Creative Imagination in Victorian Literature Aleksandra Piasecka,2014-06-19 This book explores the concept of the creative imagination in Mid and Late Victorian England In these times of transition as the age of the Industrial Revolution was regarded aesthetic considerations became involved in the broader debate on the shape of the modern world Thus the approach to the artistic imagination was closely connected with the shifting beliefs concerning the essence of beauty and the role of religion not to mention attitudes towards nature and society These aspects defined the aims furthered by painters and poets alike and set the direction for their artistic endeavours Five people have been chosen as representatives of their time in the discussion about artistic imagination John Ruskin William Morris Dante Gabriel Rossetti Walter Pater and Arthur Symons Accordingly the material analysed to recreate the Victorian understanding of the artistic faculties is of different kinds and embraces not only critical

essays Ruskin Pater Symons but also belles lettres short stories Morris and poems Rossetti Symons In this manner two positions complement each other namely the views of the theoreticians and those of practitioners. The former attempted to discern and extract the quintessence of the artistic powers on the basis of their observations and reflections whereas the latter relied on their personal experiences in this respect The Broadview Anthology of Victorian Prose, 1832-1901 Mary Elizabeth Leighton, Lisa Surridge, 2012-08-20 The Victorian era witnessed dramatic transformations in print culture and this new anthology covers the exciting intellectual and social debates of the period From first person accounts of the lives of factory workers to Oscar Wilde s aesthetic theory and from narratives of British travelers in Africa and Asia to Havelock Ellis s theories of sexual inversion the surprising diversity of nineteenth century nonfiction writing is represented Illustrations from Victorian periodicals provide a vivid sense of the original reading experience The book s thematic organization emphasizes the social and historical contexts of prose writings as well as the way in which these writings address each other In addition to a general critical introduction the anthology features new thematic introductions by experts in the field Art of Victorian Prose George Lewis LEVINE (and MADDEN (William Anthony)), George Lewis Levine, William Anthony Victorian Literature--prose G. B. Tennyson, Donald J. Gray, 1976 **MADDEN, 1968 Victorian Literature and Culture** Maureen Moran, 2006-01-01 An introduction to Victorian literature and its context from 1837 1900 includes historical cultural political and intellectual background Major Trends In English Literature (1837-1945) Bhim S. Representing Realists in Victorian Literature and Criticism Daniel Brown, 2016-12-15 This book is Dahiya,1992 about the historical moment when writers and critics first used the term realism to describe representation in literature and painting While scholarship on realism tends to proceed from an assumption that the term has a long established meaning and history this book reveals that mid nineteenth century critics and writers first used the term reluctantly with much confusion over what it might actually mean It did not acquire the ready meaning we now take for granted until the end of the nineteenth century In fact its first definitions came primarily by way of example and analogy through descriptions of current practitioners or through fictionalized representations of artists By investigating original debates over the term realism this book shows how writers simultaneously engaged with broader concerns about the changing meanings of what was real and who had the authority to decide this Spontaneity and Form in Modern Prose Vidyan Ravinthiran, 2022 Studies the afterlife of the Romantic idea of spontaneity in transatlantic modern prose in the work of William Hazlitt Ralph Waldo Emerson Walt Whitman Gerard Manley Hopkins Herman Melville D H Lawrence Virginia Woolf and Saul Bellow to provide a broad based historical enquiry into what it means to read write and live as a modern person **Thinking Through Style** Michael Dominic Hurley, Marcus Waithe, 2018 What is style and how does it relate to thought in language It has often been treated as something merely linguistic independent of thought ornamental stylishness for its own sake Or else it has been said to subserve thought by mimicking delineating or heightening ideas that are already expressed in the words This

ambitious and timely book explores a third more radical possibility in which style operates as a verbal mode of thinking through Rather than figure thought as primary and pre verbal and language as a secondary delivery system style is conceived here as having the capacity to clarify or generate thinking The book's generic focus is on non fiction prose and it looks across the long nineteenth century Leading scholars survey twenty authors to show where writers who have gained reputations as either stylists or as thinkers exploit the interplay between the what and the how of their prose The study demonstrates how celebrated stylists might after all have thoughts worth attending to and that distinguished thinkers might be enriched for us if we paid more due to their style More than reversing the conventional categories this innovative volume shows how style and thinking can be approached as a shared concern At a moment when especially in nineteenth century studies interest in style is re emerging this book revaluates some of the most influential figures of that age re imagining the possible alliances interplays and generative tensions between thinking thinkers style and stylists A History of Victorian Literature James Eli Adams, 2012-01-17 Incorporating a broad range of contemporary scholarship A History of Victorian Literature presents an overview of the literature produced in Great Britain between 1830 and 1900 with fresh consideration of both major figures and some of the era's less familiar authors Part of the Blackwell Histories of Literature series the book describes the development of the Victorian literary movement and places it within its cultural social and political context A wide ranging narrative overview of literature in Great Britain between 1830 and 1900 capturing the extraordinary variety of literary output produced during this era Analyzes the development of all literary forms during this period the novel poetry drama autobiography and critical prose in conjunction with major developments in social and intellectual history Considers the ways in which writers engaged with new forms of social responsibility in their work as Britain transformed into the world's first industrial economy Offers a fresh perspective on the work of both major figures and some of the era's less familiar authors Winner of a Choice Outstanding Academic Title award 2009 Victorian Literature Victor Shea, William Whitla, 2014-12-31 Victorian Literature is a comprehensive and fully annotated anthology with a flexible design that allows teachers and students to pursue traditional or innovative lines of inquiry from the canon to its extensions and its contexts Represents the period's major writers of prose poetry drama and more including Tennyson Arnold the Brownings Carlyle Ruskin the Rossettis Wilde Eliot and the Bront's Promotes an ideologically and culturally varied view of Victorian society with the inclusion of women working class colonial and gay and lesbian writers Incorporates recent scholarship with 5 contextual sections and innovative sub sections on topics like environmentalism and animal rights mass literacy and mass media sex and sexuality melodrama and comedy the Irish question ruling India and the Indian Mutiny and innovations in print culture Emphasizes the interdisciplinary nature of the field with a focus on social cultural artistic and historical factors Includes a fully annotated companion website for teachers and students offering expanded context sections additional readings from key writers appendices and an extensive bibliography A New Companion to Victorian Literature and Culture Herbert F.

Tucker, 2014-05-05 A NEW COMPANION TO VICTORIAN LITERATURE AND CULTURE The Victorian period was a time of rapid cultural change which resulted in a huge and varied literary output A New Companion to Victorian Literature and Culture offers experienced guidance to the literature of nineteenth century Britain and its social and historical context This revised and expanded edition comprises contributions from over 30 leading scholars who approaching the Victorian epoch from different positions and traditions delve into the unruly complexities of the Victorian imagination Divided into five parts this new Companion surveys seven decades of history before examining the key phases in a Victorian life the leading professions and walks of life the major literary genres the way Victorians defined their persons homes and national identity and how recent neo Victorian developments in contemporary culture reconfigure the sense we make of the past today Important topics such as sexuality denominational faith social class and global empire inform each chapter's approach Each chapter provides a comprehensive bibliography of established and emerging scholarship Catholic Sensationalism and Victorian Literature Maureen Moran, 2007-05-01 Catholic Sensationalism and Victorian Literature offers a highly original examination of Victorian sensationalism through the exploration of popular literary representations of Roman Catholicism that exotic corrupt religious Other which is inscribed as the implacable anti English enemy The book demonstrates how new understandings of cultural tensions of the period are gained through the association of Roman Catholicism with secular fears of crime sex and violence rather than with theological excesses and doctrinal superstitions The Vulgarization of Art Linda C. Dowling, 1996

Art Of Victorian Prose Introduction

In the digital age, access to information has become easier than ever before. The ability to download Art Of Victorian Prose has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Art Of Victorian Prose has opened up a world of possibilities. Downloading Art Of Victorian Prose provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources

on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the costeffective nature of downloading Art Of Victorian Prose has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Art Of Victorian Prose. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Art Of Victorian Prose. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Art Of Victorian Prose, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Art Of Victorian Prose has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
