Art Theft And Forgery Investigation The Complete Field Manual Paperback:

ART THEFT AND FORGERY INVESTIGATION Robert E. Spiel, 2000-01-01 The goal of this unique manual is to arm criminal investigators with tools and weapons that are suitable and effective against art theft and forgery The author with over 25 years experience in the art theft investigation field presents comprehensive techniques tips and ideas to help diminish the level of frustration experienced by criminal investigators required to handle the growing number and magnitude of art crimes The structure of the manual is simple and direct The first part guides the reader in the use of the text and introduces the art world environment The second part discusses the investigator s interaction with the victim including interviewing crime scene investigation and identifying and developing suspects Part three deals with offenders and covers such topics as art theft methods forgery techniques methods of distribution and investigative countermeasures The final section presents a comprehensive review of solutions and recoveries including chapters on legal weapons insurance and rewards the use of experts universal and variable contact group classifications object bulletins art criminal photo albums informant development undercover methods unidentified victims and recovery and seizure of stolen or fake art In addition the book is complemented by an extensive glossary and bibliographic resources This exceptionally unique manual is intended to function at an intensely practical level and is intended for both study and immediate reference

The Library Security and Safety Guide to Prevention, Planning, and Response Miriam B. Kahn, 2008 Security planning part of disaster response and continuous operations planning is the key to proactively addressing potential safety issues

Global Perspectives on Cultural Property Crime Michelle D. Fabiani, Kate Melody Burmon, Saskia Hufnagel, 2022-08-11 This book provides transnational insight into cultural property crimes and the cutting edge work tackling issues ranging from currency crimes to innovative research methods The volume brings together authors from a number of fields to address contemporary issues and advances in the fight against cultural property crime It combines the perspectives of law enforcement officials researchers journalists lawyers and scholars with specialities in the disciplines of criminology law archaeology museum studies political science and economics from countries all around the globe This allows for a more comprehensive examination of issues facing these professionals and highlights similarities between the challenges encountered in different disciplines as well as in diverse locations It seeks to disseminate the most current work in this field from a broad array of viewpoints in order to further facilitate an exchange of ideas and lay the groundwork to inspire future collaborations Most significantly it provides more specific suggestions for moving forward that could help assist stakeholders to connect and work directly with each other despite international borders and discipline related boundaries The book will be a valuable resource for researchers practitioners and policymakers working in the area of cultural property crime
