Deconstructing Dr. Strangelove Sean M. Maloney, 2020-07-01 King of the Cold War crisis film Dr Strangelove became a cultural touchstone from the moment of its release in 1964 The duck and cover generation saw it as a satire on nuclear issues and Cold War thinking Subsequent generations removed from the film's historical moment came to view it as a quasi documentary about an

unfathomable secret world Sean M Maloney uses Dr Strangelove and other genre classics like Fail Safe and The Bedford Incident to investigate a curious pop cultural contradiction Nuclear crisis films repeatedly portrayed the failures of the Cold War's deterrent system Yet the system worked What does this inconsistency tell us about the genre What does it tell us about the deterrent system for that matter Blending film analysis with Cold War history Maloney looks at how the celluloid crises stack up against reality or at least as much of reality as we can reconstruct from these films with confidence The result is a daring intellectual foray that casts new light on Dr Strangelove one of the Cold War era's defining films Iowa Takes to the Air: 1941-2003 Ann Holtgren Pellegreno, 2003 **CQ**, 2003 Iowa Heritage Illustrated, 2008 **Annals of Iowa**, 2004 **Forbes**, 1970 *I Love Capitalism!* Ken Langone, 2018-05-15 New York Times Bestseller Iconoclastic entrepreneur and New York legend Ken Langone tells the compelling story of how a poor boy from Long Island became one of America's most successful businessmen Ken Langone has seen it all on his way to a net worth beyond his wildest dreams A pillar of corporate America for decades he's a co-founder of Home Depot a former director of the New York Stock Exchange and a world class philanthropist including 200 million for NYU's Langone Health In this memoir he finally tells the story of his unlikely rise and controversial career It's also a passionate defense of the American Dream of preserving a country in which any hungry kid can reach the maximum potential of his or her talents and work ethic In a series of fascinating stories Langone shows how he struggled to get an education break into Wall Street and scramble for an MBA at night while competing with privileged competitors by day He shares how he learned how to evaluate what a business is worth and apply his street smarts to 8 figure and 9 figure deals And he's not shy about discussing for the first time his epic legal and PR battle with former NY Governor Eliot Spitzer His ultimate theme is that free enterprise is the key to giving everyone a leg up As he writes This book is my love song to capitalism Capitalism works And I'm living proof it works for everybody Absolutely anybody is entitled to dream big and absolutely everybody should dream big I did Show me where the silver spoon was in my mouth I've got to argue profoundly and passionately I'm the American Dream **Serials and Series** Buck Rainey, 2015-06-08 While many fans remember The Lone Ranger Ace Drummond and others fewer focus on the facts that serials had their roots in silent film and that many foreign studios also produced serials though few made it to the United States The 471 serials and 100 series continuing productions without the cliffhanger endings from the United States and 136 serials and 37 series from other countries are included in this comprehensive reference work Each entry includes title country of origin year studio number of episodes running time or number of reels episode titles cast production credits and a plot synopsis Rosa Ros Collins, 2019-08-01 This entertaining quirky yet profound quasi memoir is full of delightful stories about a determined and loving young English girl who marries a larrikin boy from Bondi He tells her You'll like it Rosa St Kilda's by the beach we can go swimming And we can go on picnics take the Lambretta to visit the Dandenongs Rosa assumed the Dandenongs were Mr and Mrs another of these weird Australian names didn't sound like a Jewish family As British as Earl Grey tea Rosa has spent

most of her life in Melbourne Her children and grandchildren are all Australian born as was Alan her writer husband But Rosa is hesitant about an unconditional commitment to Vegemite mateship and the ANZAC legend she remains a perennial migrant often amused by her memories here presented with a deliberate overlay of lies and licence Her family s history is nearer to Dickens than the shtetls of Eastern Europe Rosa herself recalls Dunkirk and the Blitz Beyond the conservatism of 1950s London that she escaped Rosa flings open the windows and doors to invite the reader into her Anglo Australian Jewish family She refrains from delving into deep psychological examinations of what it means to be an only child an only grandchild a reluctant Jewish teenager and muse to a man whose terrible childhood scarred him for life the clues are all there for the curious reader to discover
