When Tradition Meets Celebration My City Links, 2025-06-02 Raja A rich amalgamation of tradition, celebration, and family connect. Festivals and traditions have a way of rekindling memories tucked away between the folds of life experiences accumulated over the years. Nothing illustrates this better than Raja, the annual agrarian festival that is celebrated with great enthusiasm across Odisha. Our Cover Story looks at the family bonding and emotions that the festival has traditionally been associated with. We also reach out to Odias in other parts of the country and the world to get a sense of what Raja means to them. In CityZen, we zero in on a startup that is using technology, particularly AI, to ensure that quality healthcare is available in the rural areas. Founder Priyadarshi Mohapatra opens up about his organisation's guiding principles and operational model, in addition to plans of expansion into more underserved regions. As the world prepares to mark the Pride Month in June, City Lights brings you conversations with persons who identify as being part of the LGBTQIA community, capturing myriad hues of struggles, hopes, and aspirations. Operation Sindoor: India's fierce response to the dastardly Pahalgam terror attack by Pakistan-backed terrorists was marked by the use of armed drones for precision attacks. Drones produced by a Bhubaneswar-based company played a key role when it came to terrain mapping and target identification. Founder Boddhisatwa Sanghapriya tells us more about it in City Tech. A fast-paced life, particularly when it comes to working professionals in urban areas, has led to a proliferation of quick delivery services for food and groceries, as well as items of daily use. Scratch beneath the surface, however, and one is exposed to the dark and troubled underbelly of these operations. Read more about it in City Beat. The run-up to Raja invariably sees excitement build up as the Odia film industry lines up new releases for an eager audience. ScreenShots brings you the lowdown on what to expect during the festive season. CityFlix reviews *Superboys of Malegaon*, a movie that is as much about celebrating films as it is about saluting the indomitable spirit of those involved in making them. It is, in fact, an inspiring if somewhat poignant take on life itself. As our reviewer puts it, 'It's about the courage to dream, even if the dream is stitched together with tape wire and undying hope.' Elsewhere in the edition, City Literature explores the work of Japanese playwright Toshikazu Kawaguchi, while City Tales continues with the series on temple tanks in Bhubaneswar.
