Meditation and the Classroom Judith Simmer-Brown, Fran Grace, 2011-08-01 Meditation and the Classroom inventively articulates how educators can use meditation to educate the whole student Notably a number of universities have initiated contemplative studies options and others have opened contemplative spaces This represents an attempt to address the inner life It is also a sign of a new era one in which the United States is more spiritually diverse than ever before Examples from university classrooms and statements by students indicate benefits include increased self awareness creativity and compassion The religious studies scholars who have contributed to this book often teach about meditation but here they include reflections on how meditation has affected them and their teaching Until recently though even many religious studies professors would find sharing meditation experiences let alone teaching meditation techniques a breach of disciplinary and academic protocols The value of teaching meditation and teaching about meditation is discussed Ethical issues such as pluralism respect qualifications power

and coercion and avoiding actual or perceived proselytization are also examined While methods for religious studies are emphasized the book provides valuable guidance for all those interested in this endeavor An Artist Empowered: Define and Establish Your Value as an Artist Eden Maxwell,2007-06-16 Eden Maxwell is a brilliant and passionate artist who has explored challenged and mastered every facet of the creative process from the trenches to the mountaintops it s all here a powerful and pragmatic textbook for artists of every age and stage of development a virtual how to for creators embarking on the spiritual voyage of a lifetime Mary Anne Bartley Artist in Residence Villanova University WHYY PBS *Beginning Again* Deborah J. Haynes,2018-09-26 What does it mean to become and work as an artist today What unique challenges do artists face in the twenty first century and what skills are required to overcome them How might art become an expression of spiritual life In addressing these and other questions Deborah J Haynes offers reflections that range from the practical to the deeply philosophical She explores challenging ideas impermanence suffering and the inevitability of death the virtues of generosity kindness and compassion and more abstract concepts such as negative capability groundlessness and wisdom Individual chapters are framed by personal stories and images from the artist s work *Beginning Again Reflections on Art as Spiritual Practice* is a personal statement born from the author s experience as an artist writer teacher and Buddhist practitioner Haynes writes for artists and for all exploring the relationship of their creativity to the inner life For Haynes making and looking at art can be a form of meditation and prayer a space for solitude silence and living in the present

The Demise of the Library School Richard J. Cox,2010 In *The Demise of the Library School* Richard J Cox places the present and future of professional education for librarianship in the debate on the modern corporate university The book is a series of meditations on critical themes relating to the education of librarians archivists and other information professionals playing off of other commentators analyzing the nature of higher education and its problems and promises Visual Theology Robin Margaret Jensen,Kimberly J. Vrudny,2009 At least since the time of Paul see Acts 18 Christians have wrestled with the power and danger of religious imagery in the visual arts It was not until the middle of the twentieth century that there emerged in Western Christianity an integrated academic study of theology and the arts Here one of the pioneers of that movement H Wilson Yates along with fourteen theologians examine how visual culture reflects or addresses pressing contemporary religious questions The aim throughout is to engage the reader in theological reflection mediated and enhanced by the arts This beautifully illustrated book includes more than fifty images in full color *Contemplative Practices in Higher Education* Daniel P. Barbezat,Mirabai Bush,2013-12-04 Contemplative pedagogy is a way for instructors to empower students to integrate their own experience into the theoretical material they are being taught in order to deepen their understanding help students to develop sophisticated problem solving skills support students sense of connection to and compassion for others and engender inquiries into students most profound questions Contemplative practices are used in just about every discipline from physics to economics to history and are found in every type of institution Each year more and

more faculty education reformers and leaders of teaching and learning centers seek out best practices in contemplative teaching and now can find them here brought to you by two of the foremost leaders and innovators on the subject This book presents background information and ideas for the practical application of contemplative practices across the academic curriculum from the physical sciences to the humanities and arts Examples of contemplative techniques included in the book are mindfulness meditation yoga deep listening contemplative reading and writing and pilgrimage including site visits and field trips

Book of This Place Deborah J. Haynes, 2009-09-01 The title of this engaging work emphasizes that the author lives works and creates art in this place a particular site in the foothills of the Colorado Rocky Mountains The subtitle indicates that place is the arena for investigating engagement with the land and nature art and creativity and spiritual life By exploring the significance of place in our fragmented world and by using her artistic practice as an example the author hopes to offer readers new definitions of the interrelationship of religion and art Haynes is the first to examine the intersection of these three themes which may be variously defined First the land and nature provide the literal site for the book and the language of ecology is woven throughout In the face of contemporary global crises Haynes believes that we have a moral imperative to address how we live and work in the physical environment Second visual art creativity and the creative process are discussed using historical and contemporary examples Haynes is a philosopher of art and an artist whose primary creative work involves carving marble and drawing Using her stone sculptures to frame the book's chapters she takes readers on a meandering journey into the history philosophy and practice of art Third the religious and spiritual life is highlighted with examples from both her practice of yoga and Buddhist meditation as well as from her work with hospice patients

Spirituality and Growth on the Leadership Path Deborah J. Haynes, 2012-11-02 Spirituality and Growth on the Leadership Path An Abecedary offers lessons not usually taught about leadership lessons learned over the author's more than thirty years in higher education and nonprofit organizations Few resources on leadership and administration attend to the inner life of a person in a leadership position Many of this book's themes are therefore related to the inner moral and spiritual life Some topics are prosaic dealing with everyday activities Throughout the book pithy instructions offer simple practical advice about the inner process and core values that may inform the leadership path Haynes draws on the world's wisdom traditions philosophy and religion mysticism and theology including indigenous beliefs and rituals as rich resources for reconceiving leadership This abecedary includes drawings by artist Michael Shernick which are paired with entries from the chronicles of experience etymology and poetry examples of contemplative practice and meditation and metaphoric digressions Common elements such as lists and advice mix with uncommon elements including recipes This primer will provide inspiration and insight for navigating the shoals deep water rocky coasts wind and sunny climes of the leadership journey

The Subjective Eye Richard Valantasis, Deborah J. Haynes, James D. Smith III, Janet F. Carlson, 2006-05-15 One of the great joys of the academic life is to pay homage in a Festschrift to a scholar who has influenced both colleagues and

students over years of interaction and friendship both professional and personal This volume honors a scholar and theologian of historical theology a theorist and a practitioner of religion and the arts and a keen analyst of cultural trends both ancient and modern Margaret R Miles s prodigious production as a scholar has legendary qualities Her dozen plus books alone explore history patristics ancient philosophy art and art history spiritual formation and religious practice critical theory film ethics and values personal growth gender and women s studies as well as her true academic loves Augustine and Plotinus The breadth and depth of her own work and her influence upon others demands an expansive volume which the editors of this Festschrift unfortunately had to restrict to four categories Historical Theology Religion and Culture Religion and Gender and Religion and the Visual Arts in order to capture the heart of our appreciation for her from the Introduction
