Andrew Wyeth Patricia A. Junker, Audrey M. Lewis, 2017-01-01 An insightful and essential new survey of Wyeth's entire career situating the milestones of his art within the trajectory of 20th century American life This major retrospective catalogue explores the impact of time and place on the work of beloved American painter Andrew Wyeth 1917-2009 While previous publications have mainly analyzed Wyeth's work thematically this publication places him fully in the context of the long 20th century tracing his creative development from World War I through the new millennium Published to coincide with the centenary of Wyeth's birth the book looks at four major chronological periods in the artist's career Wyeth as a product of the interwar years when he started to form his own war memories through military props and documentary photography he discovered in his father's art studio the change from his theatrical pictures of the 1940s to his own visceral responses to the landscape around Chadds Ford Pennsylvania and his family's home in Mai his sudden turn in 1968 into the realm of erotic art including a completely new assessment of Wyeth's Helga pictures a series of secret nude depictions of his neighbor Helga Testorf within his career as a whole and his late self-reflective works which includes the discussion of his previously unknown painting entitled Goodbye now believed to be Wyeth's last work
