Rhetorical Criticism Jim A. Kuypers, 2009-07-16 Covering a broad range of rhetorical perspectives Rhetorical Criticism Perspectives in Action presents a thorough accessible and well grounded introduction to rhetorical criticism Throughout the text sample essays written by noted experts provide students with models for writing their own criticism In addition to covering traditional modes of rhetorical criticism the volume presents less commonly discussed rhetorical perspectives for example close textual analysis mythic criticism framing analysis ideographic criticism concept oriented criticism and critical rhetoric exposing student to a wide range of material Featuring nineteen chapters all written by leading rhetoric scholars the volume offers the most comprehensive introduction to rhetorical criticism available Features The chapters are written by a nationally recognized scholar in that area giving students the best and most current research for each perspective Each chapter includes an original sample essay that gives students a model of rhetorical criticism for their own assignments Each author comments on his or her writing process to demonstrate the personal nature of criticism This unique emphasis allows students to appreciate that writing criticism is not a simple formulaic process Every chapter features a Potentials and Pitfalls section that highlights the strengths and weaknesses of the rhetorical perspective being discussed The Revolutionary Orator André Blondel Tonleu Mendou, One should not mock the orators They embody noble and republican values that help build societies distinguished by the strength of their institutions not just by strong and providential men The revolutionary orator is a distinguished citizen of justice a true legalist aiming to wield the full power of the word as a lever for development not as a social cancer With a certain mastery he brings all the beauty of language to the service of noble causes Possessing verbal magic he triumphs in any situation by one thing the weight of ideas and the strength of arguments So how does one create this revolutionary orator who carries the torch through the night that eclipses his society with majesty **Persuasive Communication Skills** S. Steinberg, 1999-10-31 This series covers topics in interpersonal small group organizational and mass communication Each chapter offers an overview a list of key terms and learning objectives while activities reinforce and expand learning through self evaluation **The Routledge Handbook of Public Speaking Research and Theory** Stevie M. Munz, Tim McKenna-Buchanan, Anna M. Wright, 2024-04-18 Providing a comprehensive survey of the empirical research theory and history of public speaking this handbook fills a crucial gap in public speaking pedagogy resources and provides a

foundation for future research and pedagogical development Bringing together contributions from both up and coming and senior scholars in the field this book offers a thorough examination of public speaking guided by research across six key themes the history of public speaking the foundations of public speaking issues of diversity equity and inclusion considerations of public speaking across contexts assessment of public speaking and the future of public speaking in the twenty first century The evidence based chapters engage with a broad discussion of public speaking through a variety of viewpoints to demonstrate how subtopics are connected and fraught with complexity Contributors explore public speaking in education business and professional settings and political contexts and outline how skills learned through public speaking are applicable to interpersonal small group and business interactions Reinforcing the relevance importance and significance of public speaking in individual interpersonal social and cultural communication contexts this accessibly written handbook will be an indispensable resource for public speaking instructors and program administrators It will also be valuable reading for Communication Pedagogy and Introduction to Graduate Studies courses
