Art Under Control In North Korea:

Art Under Control in North Korea Jane Portal, 2005-08-15 Nuclear bombs and geopolitical controversy are often the first things associated with North Korea and its volatile leader Kim Jong II Yet behind the secretive curtain of this isolated nation also lies a little known and slowly expanding world of art *Art Under Control in North Korea* is the first Western publication to explore the state controlled role of art in North Korea This timely volume places North Korean art in its historical political and social contexts with a discussion on the state system of cultivating and promoting artists and an examination of the range of art produced from painting and calligraphy to architecture and applied art Portal offers an incisive analysis that compares the dictatorial control exerted over artists by North Korean leaders to that of past regimes She also examines the ways in which archaeology has been employed for political ends to legitimize the present regime *Art Under Control in North Korea* is an intriguing and vibrant volume that explores the creation of art under totalitarian rule and the ways art can subvert a dictatorial regime

Art Under Control in North Korea Jane Portal, 2005-08-15 *Art Under Control in North Korea* is the first publication in the West to explore the role of art in one of the world's most isolated nations This timely publication places North Korean art in its historical political and social contexts discusses the state system of producing employing promoting and honouring artists and examines the range of art produced from painting and calligraphy to architecture and applied art Jane Portal also compares the control exerted over artists by North Korean leaders to that of other absolute dictatorships and looks at the way in which archaeology has been employed for political ends to justify the present leadership and its lineage **BOOK JACKET**

Art and Sovereignty in Global Politics Douglas Howland, Elizabeth Lillehoj, Maximilian Mayer, 2016-12-01 This volume aims to question challenge supplement and revise current understandings of the relationship between aesthetic and political operations The authors transcend disciplinary boundaries and nurture a wide ranging sensibility about art and sovereignty two highly complex and interwoven dimensions of human experience that have rarely been explored by scholars in one conceptual space Several chapters consider the intertwining of modern philosophical currents and modernist artistic forms in particular those revealing formal abstraction stylistic experimentation self conscious expression and resistance to traditional definitions of Art Other chapters deal with currents that emerged as facets of art became increasingly commercialized merging with industrial design and popular entertainment industries Some contributors address Post Modernist art and theory highlighting power relations and providing sceptical critical commentary on repercussions of colonialism and notions of universal truths rooted in Western ideals By interfering with established dichotomies and unsettling stable debates related to art and sovereignty all contributors frame new perspectives on the co constitution of artworks and practices of sovereignty

De-Bordering Korea Valérie Gelézeau, Koen De Ceuster, Alain Delissen, 2013-05-02 As tensions remain on the Korean peninsula this book looks back on the decade of improved inter Korean relations and engagement between 1998 and 2008 now known as the Sunshine Policy era Moving beyond traditional

economic and political perspectives it explores how this decade of intensified cooperation both affected and reshaped existing physical social and mental boundaries between the two Koreas and how this de bordering and re bordering has changed the respective attitudes towards the other Based around three key themes Space People and Representations this book looks at the tangible and intangible areas of contact created by North South engagement during the years of the Sunshine Policy Space focuses on the border regions and discusses how the border reflects the dynamics of multiple types of exchanges and connections between the two Koreas as well as the new territorial structures these have created People addresses issues in human interactions and social organizations looking at North Korean defectors in the South shifting patterns of North South competition in the Korean diaspora of post Soviet Central Asia and the actual and physical presence of the Other in various social settings Finally Representations analyses the image of the other Korea as it is produced circulated altered falsified and received or not on either side of the Korean border The contributors to this volume draw on a broad spectrum of disciplines ranging from geography anthropology and archaeology to media studies history and sociology in order to show how the division between North and South Korea functions as an essential matrix for geographical social and psychological structures on both sides of the border As such this book will appeal to students and scholars from numerous fields of study including Korean studies Korean culture and society and international relations more broadly

Bipolar Orders Hyung Gu Lynn, 2009-11-02 North Korea and South Korea are never far from the news headlines one for the alleged danger it poses to the world the other for its apparent capitalist success story In *Bipolar Orders* Hyung Gu Lynn analyzes the processes driving both countries since the 1980s North Korea has experienced severe economic deterioration and increasing international isolation while South Korea has undergone democratization and witnessed the emergence of a vibrant consumer culture Paradoxically this growing gap in ideologies and material standards has led to improved relations between the two countries Why has this counterintuitive development occurred Is North Korea really a threat and if so for whom This book provides a substantive accessible and timely examination of the complex and compelling histories of the two Koreas

Anxiety Aesthetics Jennifer Dorothy Lee, 2024-02-06 Anxiety Aesthetics is the first book to consider a prehistory of contemporaneity in China through the emergent creative practices in the aftermath of the Mao era Arguing that socialist residues underwrite contemporary Chinese art complicating its theorization through Maoism Jennifer Dorothy Lee traces a selection of historical events and controversies in late 1970s and early 1980s Beijing Lee offers a fresh critical frame for doing symptomatic readings of protest ephemera and artistic interventions in the Beijing Spring social movement of 1978 80 while exploring the rhetoric of heated debates waged in institutional contexts prior to the 85 New Wave Lee demonstrates how socialist aesthetic theories and structures continued to shape young artists engagement with both space and selfhood and occupied the minds of figures looking to reform the nation In magnifying this fleeting moment Lee provides a new historical foundation for the unprecedented global exposure of contemporary Chinese art today *Comrades Beyond the Cold War* Tycho van der Hoog, 2025-02-06 North Korea was an important player in the decolonisation of Africa Freedom fighters across the continent received vital assistance from Pyongyang and almost all southern African independence leaders travelled to the North Korean capital at some point in search of support This alliance has continued into the twenty first century with African postcolonial governments throwing a lifeline to Pyongyang s increasingly isolated economy by hiring North Korean companies despite United Nations sanctions Tycho van der Hoog examines the relations between victorious southern African liberation movements and North Korea from the 1960s to the present He explains why African presidents sang and danced at parties in Pyongyang and why North Korean books were translated into Swahili and Afrikaans He reveals

how African soldiers were trained in guerrilla warfare by North Korean instructors and how North Korean labourers construct monuments in Africa in the shape of AK 47s And he explores the question of how revolutionary regimes motivated by a need for survival work together to defy the global order Based on extensive research across four continents including recently disclosed African liberation archives and Korean diplomatic cables this innovative study is the first book on African North Korean relations

National Galleries Simon Knell, 2016-01-22 Are national galleries different from other kinds of art gallery or museum What value is there for the nation in a collection of international masterpieces How are national galleries involved in the construction national art National Galleries is the first book to undertake a panoramic view of a type of national institution which are sometimes called national museums of fine art that is now found in almost every nation on earth Adopting a richly illustrated globally inclusive comparative view Simon Knell argues that national galleries should not be understood as great galleries but as peculiar sites where art is made to perform in acts of nation building A book that fundamentally rewrites the history of these institutions and encourages the reader to dispense with elitist views of their worth Knell reveals an unseen geography and a rich complexity of performance He considers the ways the national galleries entangle art and nation and the differing trajectories and purposes of international and national art Exploring galleries artists and artworks from around the world National Galleries is an argument about how we think about and study these institutions Privileging the situatedness of each national gallery performance and valuing localism over universalism Knell looks particularly at how national art is constructed and represented He ends with examples that show the mutability of national art and by questioning the necessity of art nationalism
