## **Art Deco Of The 20s And 30s:**

**Art Deco of the 20s and 30s** Bevis Hillier,1970      Art Deco of the 20s and 30s Bevis Hillier,1985      *Art Deco Chicago* Robert Bruegmann,2018-10-02 An expansive take on American Art Deco that explores Chicago's pivotal role in developing the architecture graphic design and product design that came to define middle class style in the twentieth century Frank Lloyd Wright's lost Midway Gardens the iconic Sunbeam Mixmaster and Marshall Field's famed window displays despite the differences in scale and medium each belongs to the broad current of an Art Deco style that developed in Chicago in the first half of the twentieth century This ambitious overview of the city's architectural product industrial and graphic design between 1910 and 1950 offers a fresh perspective on a style that would come to represent the dominant mode of modernism for the American middle class Lavishly illustrated with 325 images the book narrates Art Deco's evolution in 101 key works carefully curated and chronologically organized to tell the story of not just a style but a set of sensibilities Critical essays from leading figures in the field discuss the ways in which Art Deco created an entire visual universe that extended to architecture advertising household objects clothing and even food design Through this comprehensive approach to one of the 20th century's most pervasive modes of expression in America *Art Deco Chicago* provides an essential overview of both this influential style and the metropolis that came to embody it      **Art Deco** Michael Windover,2012 No detailed description available for Art Deco      Art Deco and British Car Design Barrie Down,2010 This is a book about automotive styling in particular the streamlined styling that defined what are now known as Airline cars During the mid 1930s the majority of British car manufacturers and coachbuilders experimented with streamlined styling This fashion was the result of Art Deco an international movement that influenced design and marketing in many different industries and produced some of the most unique and visually exhilarating cars ever produced in Britain Part One of the book explains and illustrates the Art Deco styling elements that link these streamlined car designs and describes their development their commonality and their unique aeronautical names The stories of the individual cars their designers and their development are told in Part Two Here Barrie Down has collected examples of all the significant British streamlined production cars made between 1933 and 1936 many of them still represented by beautifully restored survivors The book is well illustrated with over 200 contemporary pictures and colour photographs of existing cars many of which have never before been published This book is an instructive and visual feast for all car lovers      **The 20s & 30s** Cally Blackman,2000 Two decades of social changes and cultural trends from the Garconne Look and the Charleston to the Great Depression and Art Deco      **The Grove Encyclopedia of American Art** Joan M. Marter,2011 Arranged in alphabetical order these 5 volumes encompass the history of the cultural development of America with over 2300 entries      **An Introduction to the History of Architecture, Art & Design** George T Gray,2021-10-04 An Introduction to the History of Architecture Art Design chronicles the times in which major works of architecture art and design were created and is compact with features and images of major artworks from each art and

design period The best examples from each period are illustrated together with their famous creators alongside timelines that track the evolution of the artistic disciplines throughout history Art Deco of the Palm Beaches Sharon Koskoff,2007 Art Deco design is a jazzy celebration of the Machine Age mass production geometry and the straight line In Palm Beach County sleek themes are seen representing tropical nautical masculine and stylized motifs that reflect speed and technology Elements include eyebrows flat roofs porthole windows rounded corners columns glass blocks bandings multiples of three and Zig Zag steps Palm Beach County has dozens of Art Deco treasures built throughout the 1920s 1930s and 1940s which are located in the downtowns of Delray Beach up through West Palm Beach Art Deco architecture found in Palm Beach County is spread out rather than concentrated in one location These buildings are significant to the history of South Florida because they represent some of the earliest structures ever built in the area These remarkable gems are in danger of being demolished due to the ever increasing amount of development throughout the county *Art Deco of the 20s and the 30s ...* Bevis Hillier,1973 *20s and 30s* Jackie Gaff,2000 Reveals how developments in design reflect and influence changes in technology society and everyday life **Art Deco Tulsa** Suzanne Fitzgerald Wallis, Photography by Sam Joyner, Foreword by,2018 Transformed from a cattle depot into the Oil Capital of the World Tulsa emerged as an iconic Jazz Age metropolis The Magic City attracted some of the nation s most talented architects including Bruce Goff Francis Barry Byrne Frank Lloyd Wright Joseph R Koberling Jr Leon B Senter and Frederick Kershner Like their brazen oil baron clients they were not afraid to take chances and the city still reflects the splendor of that fabulous era Writer Suzanne Wallis and photographer Sam Joyner celebrate the city s enduring Art Deco legacy and its daring revival Page 4 of cover **The Grove Encyclopedia of Decorative Arts** Gordon Campbell,2006-11-09 The Grove Encyclopedia of Decorative Arts covers thousands of years of decorative arts production throughout western and non western culture With over 1 000 entries as well as hundreds drawn from the 34 volume Dictionary of Art this topical collection is a valuable resource for those interested in the history practice and mechanics of the decorative arts Accompanied by almost 100 color and more than 500 black and white illustrations the 1 290 pages of this title include hundreds of entries on artists and craftsmen the qualities and historic uses of materials as well as concise definitions on art forms and style Explore the works of Alvar Aalto Charles and Ray Eames and the Wiener Werkstatte or delve into the history of Navajo blankets and wing chairs in thousands of entries on artists craftsmen designers workshops and decorative art forms **30-Second Architecture** Edward Denison,2018 The 50 most significant principles and styles in architecture each explained in half a minute The bestselling 30 Second series offers a new approach to learning about those subjects you feel you should really understand Every title takes a popular topic and dissects it into the 50 most significant ideas at its heart Each idea no matter how complex is explained using a mere two pages 300 words and one picture all easily digested in only half a minute 30 Second Architecture presents you with the foundations of architectural knowledge Expert authors are challenged to define and describe both the principles upon which architects depend and the

styles with which they put those principles into practice So if you want to know your arch from your elevation and your Baroque from your Brutalism or you wish to top off your next dinner party with a stirring speech on how form follows function this is the quickest way to build your argument *Objects, Audiences, and Literatures* Carma Gorman, David Raizman, 2009-03-26 In *Objects Audiences and Literatures Alternative Narratives in the History of Design* five art historians tap a variety of unexpected literary sources to reveal the dynamic relationship between intention and reception in architecture interior design costume and the decorative arts The essays consider both handcrafted and serially produced objects from the eighteenth to the mid twentieth centuries including a japanned high chest from colonial Boston German and Austrian Artistic Dress Tiffany lamps the architecture of the 1925 Exposition Internationale des Arts Decoratifs et Industriels in Paris and the dream homes portrayed in two popular postwar American films The five chapters demonstrate that a complex and even contradictory mixture of stakeholders determines the meanings of designed objects Each author examines popular forms of literature in order to reveal the preconceptions that viewers brought with them to the experience of looking at and using objects The authors attentiveness to viewers class and gender provides a methodological model for approaching the study of reception within the field of design history *Objects Audiences and Literatures* introduces a new generation of historians of design and decorative arts with five superb case studies Looking beyond the laconic historical data that has formed the backbone of scholarship in this field these authors plumb popular culture films advertisements and especially novels to understand contemporaneous meanings of objects Using these polyglot sources with an eye particularly on narrative and gender they suss out heretofore unnoticed dissonances between the prescriptive pronouncements of avant garde insiders and the reception that design innovation found in broader publics These wide ranging essays are marked by imagination exuberance and acuity I look forward to using it in my teaching Margaretta M Lovell University of California Berkeley This is a welcome addition to the literature that addresses the growing scholarly and popular interest in design and design history Drawing on an impressive array of examples the authors explore how class gender and cultural context shaped the reception of architecture interior design costume and the decorative arts at various moments in the modern era The collection is noteworthy for the way each of the contributors draws upon literary sources for insights into design and material culture that transcend the specific examples under review Models of methodological rigor these essays should appeal to scholars in multiple disciplines Dennis P Doordan University of Notre Dame *Jazz Age Chicago: Crucible of Modern America* Joseph Gustaitis, 2022 When people imagine 1920s Chicago they usually and justifiably think of Al Capone speakeasies gang wars flappers and flivvers Yet this narrative overlooks the crucial role the Windy City played in the modernization of America The city's incredible ethnic variety and massive building boom gave it unparalleled creative space as design trends from Art Deco skyscrapers to streamlined household appliances reflected Chicago's unmistakable style The emergence of mass media in the 1920s helped make professional sports a national obsession even as Chicago radio stations

were inventing the sitcom and the soap opera Join Joseph Gustaitis as he chases the beat of America's Jazz Age back to its jazz capital Page 4 of cover

**Interwar** Gavin Stamp, 2024-03-07 A FINANCIAL TIMES BOOK OF THE YEAR 2024 A Country Life Architecture Book to Read in 2025 Elegant erudite and entertaining a superbly detailed picture of an architectural era The Times A magnificent monument in itself to a fine architectural writer Simon Heffer Telegraph British architecture between the wars is most famous for the rise of modernism the flat roofs clean lines and concrete of the Isokon flats in Hampstead and the Penguin Pool at London Zoo but the reality was far more diverse As the modernists came of age and the traditionalists began to decline there arose a rich variety of styles and tastes in Britain and across the empire a variety that reflected the restless zeitgeist of the years before the Second World War At the time of his death in 2017 Gavin Stamp one of Britain's leading architectural critics was at work on a deeply considered account of British architecture in the interwar period correcting what he saw as the skewed view of earlier historians who were unable to see past modernism Beginning with a survey of the modern movement after the armistice Interwar untangles the threads that link lesser known movements like the Egyptian revival with the enduring popularity of the Tudorbethan to chronicle one of Britain's most dynamic architectural periods The result is more than an architectural history it is the portrait of a changing nation As an account of the period that still shapes much of Britain's towns and cities Gavin Stamp's final work is the definitive history of British architecture between the Great War and the Blitz

**Modernist Semis and Terraces in England** Finn Jensen, 2016-12-05 Between the two World Wars there was an unprecedented need for new houses in Britain which resulted in a building boom While only a small percentage of this building took the form of Modernism there was still a significant number of semis and terraces built for the workers and middle class families in the 1920s and 1930s built in this style This book examines these modest Modernist houses within the broader context of the Modern Movement in Europe as well as the inter war building boom in suburban Britain Illustrated with line drawings and photographs of more than 30 examples from around the country and based on little known contemporary material such as catalogues advertisements radio broadcasts and letters it shows how these houses speak of a time of political social and artistic unrest and a world where the avant garde architects sought to capture the spirit of modern technology in their designs for the average home owner While the Modernist houses never became popular with the general public the fact that so many are still standing and now sought after by twenty first century families speak for their endurance and special appeal
