Artists and People Su Braden,2025-05-01 First published in 1978 *Artists and People* examines the formal attempts by arts administrators to set up schemes for artists to work in community contexts The experience of creative artists who have taken up residencies in schools libraries and art centres is contrasted with the unique forms of expression developed by local communities themselves in new towns housing estates rural centres and inner cities in areas ranging from Tower Hamlets in London through Craigmillar in Scotland to new towns such as Telford and Milton Keynes The book takes the form of a series of accounts of the experiences of artists and communities who have come together in contexts not usually seen as arenas for the arts Su Braden looks at these experiences in the light of the philosophy that the right to artistic expression is a basic human freedom for everybody not just for artists In writing the book she has drawn on her experience as a community arts worker and she assesses the effect of the traditional structures the theatre gallery and concert hall both on the form of art itself and the critical relationship which is intrinsic to its development By looking at the first hand experience of artists and local people she has documented the dependence of much contemporary art for its form and the nature of its critical

relationships on the formal structure offered by traditional outlets In contrast the examination of the relationship between artists and communities who have developed creative forms out of a more spontaneous recognition of mutual needs and talents reveals a new perspective on the social value of liberating artistic expression from its formal restraints **THE INDIAN LISTENER** All India Radio (AIR),New Delhi,1951-07-15 The Indian Listener fortnightly programme journal of AIR in English published by The Indian State Broadcasting Service Bombay started on 22 December 1935 and was the successor to the Indian Radio Times in english which was published beginning in July 16 of 1927 From 22 August 1937 onwards it was published by All India Radio New Delhi From July 3 1949 it was turned into a weekly journal Later The Indian listener became Akashvani in January 5 1958 It was made a fortnightly again on July 1 1983 It used to serve the listener as a bradshaw of broadcasting and give listener the useful information in an interesting manner about programmes who writes them take part in them and produce them along with photographs of performing artists It also contains the information of major changes in the policy and service of the organisation NAME OF THE JOURNAL The Indian Listener LANGUAGE OF THE JOURNAL English DATE MONTH YEAR OF PUBLICATION 15 07 1951 PERIODICITY OF THE JOURNAL Weekly NUMBER OF PAGES 48 VOLUME NUMBER Vol XVI No 29 BROADCAST PROGRAMME SCHEDULE PUBLISHED PAGE NOS 16 43 ARTICLE 1 Oratory 2 The Modern Drama 3 Labour Welfare in India 4 Different Schools at Work 5 Trespass AUTHOR 1 Hon ble Justice S K Das 2 M R Balakrishna Warriar 3 Hon ble K P Mookerjee 4 Ramendranath Chakraborty 5 N Ramaswami Iyer KEYWORDS 1 futlitarian Cicero Vivekananda 2 English drama Ibsen Shakespeare 3 legislation Welfare Department Factories Act 4 UNESCO Abanindranath Indian art movement 5 trespass Trustee judicial remedies Document ID INL 1951 J D Vol II 03 **LIFE** ,1964-12-25 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today s people and events They have free access to share print and post images for personal use *Catalog of Copyright Entries.
