Art Of Advocacy Appeal:

The Art of Advocacy in International Arbitration R. Doak Bishop, Edward G. Kehoe, 2010-05-01 Written by today's leading arbitrators and counsel this remarkably candid guide provides insight into the practitioner's approach, conduct, style and techniques that have proven most effective. While the facts and the law are fundamental, a successful outcome is the product of painstaking document review, witness interviews, legal research, strategizing and focusing the case and developing compelling written and oral presentations. How to properly perform these tasks is the subject of this book. And where the first edition focused mainly on the cultural differences in advocacy performed in various regions of the world, this new edition expands on this theme by addressing each functional aspect of an international arbitration and the techniques that have been developed for good written and oral advocacy. Intended to assist both the novice in learning the techniques of advocacy and the experienced advocate in improving his skills, this is an essential reference. *Art Of Advocacy As Practised In India* Ajaib Singh, 1996
