The Art of Natural History S. Peter Dance,1990 **Amazing Rare Things** David Attenborough,Susan Owens,Martin Clayton,Rea Alexandratos,Queen's Gallery (Edinburgh, Scotland),2007-01-01 Describes the methods by which selected European artists from Leonardo Da Vinci to Mark Catesby portrayed the natural world during the Age of Discovery **The Art of Natural History [poster]** Natural History Museum. Adult Education Service,Birkbeck College. Centre for Extra-Mural Studies,1991 **The Art of Natural History** S. Peter Dance,Ian Cameron,1981 **The Art of Natural History** S. Peter Dance,1990 **Pliny's Catalogue of Culture** Sorchá Carey,2003-12-19 One of the earliest surviving examples of art history Pliny the Elder's chapters on art form part of his encyclopaedic Natural History completed shortly before its author died during the eruption of Vesuvius in AD 79 This important new work argues that the Natural History offers a sophisticated account of the world as empire in which art as much as geography can be used to expound a Roman imperial agenda Reuniting the chapters on art with the rest of the Natural History Sorchá Carey considers how the medium of the encyclopaedia affects Pliny's presentation of art and reveals how art is used to explore themes important to the work as a whole Throughout the author demonstrates that Pliny's chapters on art are a profoundly Roman creation offering an important insight into responses to art and culture under the early Roman empire **The English Cyclopaedia. (Geography. - Natural History. - Biography. - Arts and Sciences)** ... Encyclopaedias,1856 **Art of Natural History** Outlet,Outlet Book Company Staff,Random House Value Publishing Staff,1983-03-01 **Natural History Museums** Paisley S. Cato,Clyde Jones,1991 Topics that will prove useful to all persons involved with natural history museums include conservation care use management and preservation of collections role of exhibits and guidelines for approaches to creating new exhibits the future for natural history museums and prospects for funding **Art of Nature** Judith Magee,2009 Art of Nature is an astonishing visual record of the exploration of parts of the natural world that had never previously been documented It features many of the greatest natural history artists of the last 300 years Merian Bartram Ehret the Bauer brothers Audubon and Gould Some were seeking fame as scientists or artists others sought financial gain or at least the prospect of earning a living in what they loved doing For some it also provided them with the opportunity to present their view of nature to a wider community Whatever the reasons few would have contradicted Humboldt's comment that he was spurred on by an uncertain longing for what is distant and unknown for whatever excited my fantasy danger at sea the desire for adventures to be transported from a boring daily life to a marvellous world Continent by continent Judith Magee draws on the unrivalled collections of the Library of the Natural History Museum to illustrate the development of natural history art through the centuries and its crucial role in furthering people's appreciation of nature all around the world book jacket

The Art of Natural History Pascale Heurtel,Michelle Lenoir,2018-09-25 This oversized collector's edition showcases antique paintings and drawings of birds and animals from the most important natural history collection in France An

unparalleled collection of the most beautiful yet scientific depictions of flora and fauna ever produced these artworks document three centuries of exploration of the far reaches of the world a rich visual record harking back to a time when science relied upon painstaking human illustration as the only way to record exotic plants and unknown animals observed during voyages of discovery All the artworks included here were depicted on vellum a high quality long lasting parchment that fell out of use around 1900 when it was supplanted by photography France s national collection consists of over 7 000 such artworks and is among the world s finest Flora and fauna from every corner of the globe are represented in precisely rendered color and detail Sadly many of the species depicted in these masterful yet hauntingly accurate portraits are now endangered threatened or in many cases already extinct This volume is both a celebration of the human quest for knowledge and an epitaph for a fast disappearing world as well as a feast for the eyes for anyone who loves birds or vintage natural history art This exquisite and timeless book is beautifully presented in a jacketed volume within a slipcase and luxuriously packaged within an illustrated mailer with a handle for portability
