the name Philadelphia City of Brotherly Love after the devoutly Christian Asia Minor town mentioned by Scripture Penn regarded the blighted areas as products of human vice However Tyson believes that genuine urban renewal requires spiritual regeneration Positive actions such as slum clearance creek cleanup Philadelphia s reconnection with the trail system and school reformations manifest the healing actions of the Light The expansion of Philadelphia s green infrastructure would not only spur redevelopment but improve the city s spiritual condition Through Penn s Luminous City Tyson conveys Penn s prophetic vision that still inspires citizens to make the city a better place
