Summary of Alistair Moffat's Arthur and the Lost Kingdoms Everest Media,2022-09-14T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 I found that the names of places in the Scottish Borders were a rich source for the history of Kelso and the Scottish Borders My dad knew the land around Kelso intimately and we talked a lot about change and how it could obliterate history 2 I am a Moffat first from western Berwickshire earlier from Dumfriesshire I know this place The landscape of the Scottish Border country is part of me and I am proud of it *Arthur and the Lost Kingdoms* Alistair Moffat,2012-11-01 The Holy Grail the kingdom of Camelot The Knights of the Round Table and the magical sword Excalibur are all key ingredients of the legends surrounding King Arthur But who was he really where did he come from and how much of what we read about him in stories that date back to the Dark Ages is true So far historians have failed to show that King Arthur really existed at all for a good reason they have been looking in the wrong place In this fascinating and thought provoking book Alistair Moffat shatters all existing assumptions about Britain s most enigmatic hero With reference to literary sources and historical documents to archaeology and the ancient names of rivers hills and forts he strips away a thousand years of myth to unveil the real King Arthur And in doing so he solves one of the greatest riddles of them all the site of Camelot itself **King Arthur** Nicholas J. Higham,2018-11-20 A leading medievalist takes a clear eyed look at the evidence for the existence of the legendary Arthur The Sunday Times Best Paperbacks of 2021 According to legend King Arthur saved Britain from the Saxons and reigned over it gloriously sometime around A D 500 Whether or not there was a real King Arthur has all too often been neglected by scholars most period specialists today declare themselves agnostic on this important matter In this erudite volume Nick Higham sets out to solve the puzzle drawing on his original research and expertise to determine precisely when and why the legend began Higham surveys all the major attempts to prove the origins of Arthur weighing up and debunking hitherto claimed connections with classical Greece Roman Dalmatia Sarmatia and the Caucasus He then explores Arthur s emergence in Wales up to his rise to fame at the hands of Geoffrey of Monmouth Certain to arouse heated debate among those committed to defending any particular Arthur Higham s book is an essential study for anyone seeking to understand how Arthur s story began Likely to be the definitive text on the legendary warrior for the foreseeable future With his profound knowledge of the rules of historical narrative and patient but forensic analysis of the evidence Higham s riveting book brings the historical Arthur to what may be his last decisive battle Max Adams author of *The First Kingdom* Fascinating authoritative analysis P D Smith The Guardian Intelligent and eminently readable For fans of a fascinating story that is wonderfully well told this is the perfect book to take you back to King Arthur s time All About History **King Arthur** Kaye D. Shakespeare's Lost Kingdom Charles Beauclerk,2011-02-08 A book for anyone who loves Shakespeare One of the most scandalous and potentially revolutionary theories about the authorship of these immortal works Mark Rylance First Artistic Director of Shakespeare s Globe Theatre It is perhaps the greatest story never told the truth behind the most enduring works of literature in the English language perhaps in any language Who was William Shakespeare Critically acclaimed historian Charles Beauclerk has spent more than two decades researching the authorship question and if the plays were discovered today he argues we would see them for what they are shocking political works written by a court insider someone with the monarch s indulgence shielded from repression in an unstable time of armada and reformation But the author s identity was quickly swept under the rug after his death The official history of an uneducated merchant writing in near obscurity and of a virginal queen married to her country dominated for centuries Shakespeare s Lost Kingdom delves deep into the conflicts and personalities of Elizabethan England as well as the plays themselves to tell the true story of the Soul of the Age Beauclerk s learned deep scholarship compelling research engaging style and convincing interpretation won me completely He has made me view the whole Elizabethan world afresh The plays glow with new life exciting and real infused with the soul of a man too long denied his inheritance Sir Derek Jacobi *The Lost Tomb of King Arthur* Graham Phillips,2016-04-11 One man s journey to uncover the final resting place of the historical King Arthur Pinpoints the exact locations of Arthur s tomb the ruins of Camelot and the sword Excalibur using literary research and the latest geophysics equipment Examines previously unknown ancient manuscripts preserved in the vaults of the British Library including one written within the living memory of Arthur s time Reveals the mythic king as the real life leader Owain Ddantgwyn who united the British to repel invasion from Germany around 500 AD One of the most enigmatic figures in world history King Arthur has been the subject of many fantastical tales over the past 1500 years leading many scholars to regard him and his fabled city of Camelot simply

as myth But as Graham Phillips shows through a wealth of literary and scientific evidence King Arthur was a real man Camelot a real place and the legendary Excalibur a real sword and Phillips has located them all Phillips examines the earliest stories of Arthur as well as previously unknown ancient manuscripts preserved in the vaults of the British Library in London such as the work of the 9th century monk Nennius to pinpoint the exact locations of Arthur's tomb the ruins of Camelot and the sword Excalibur He reveals the mythic king as the real life leader Owain Ddantgwyn who united the British to repel invasion from Germany around 500 AD Moving his quest from library vaults to the real sites of Arthur's life the author confirms his research through a Dark Age monument hidden away in the mountains of western Britain that bears an inscription about a powerful warlord who went by the battle title Arthur He visits archaeological excavations at the ruins of Viroconium near Wroxeter in Shropshire clearly identifying the ancient city as Camelot the fortified capital of Arthur's Britain Working with specialist divers and marine archaeologists he surveys the depths of an ancient lake in the English countryside to reveal the resting place of Excalibur Enlisting a team of scientists and sophisticated geophysics equipment he uncovers the lost grave of the historical King Arthur buried with his shield just as told in legend The culmination of 25 years of research including new translations of primary source material this book provides the necessary evidence to allow King Arthur to finally be accepted as the authentic British king he was *Arthur's Lady's Home Magazine*, 1874 Arthur's Illustrated Home Magazine, 1878 Arthur, Origins, Identities and the Legendary History of Britain Jean Blacker, 2024-03-18 Geoffrey of Monmouth's immensely popular Latin prose *Historia regum Britanniae* c 1138 followed by French verse translations Wace's *Roman de Brut* 1155 and anonymous versions including the *Royal Brut* the *Munich Harley* and *Egerton Bruts* 12th 14th c initiated Arthurian narratives of many genres throughout the ages alongside Welsh English and other traditions *Arthur Origins Identities and the Legendary History of Britain* addresses how Arthurian histories incorporating the British foundation myth responded to images of individual or collective identity and how those narratives contributed to those identities What cultural political or psychic needs did these Arthurian narratives meet and what might have been the origins of those needs And how did each text contribute to a larger picture of Arthur to the construction of a myth that still remains so compelling today **The Lost Land of King Arthur** John Walters, 2021-03-16 *The Lost Land of King Arthur* by John Cuming Walters Published by Good Press Good Press publishes a wide range of titles that encompasses every genre From well known classics literary fiction and non fiction to forgotten or yet undiscovered gems of world literature we issue the books that need to be read Each Good Press edition has been meticulously edited and formatted to boost readability for all e readers and devices Our goal is to produce eBooks that are user friendly and accessible to everyone in a high quality digital format **The Mystery of the Ten Lost Tribes** Ziva Shavitsky, 2011-11-15 There have been many legends and traditions regarding the ten lost tribes of the Northern Kingdom of Israel This book draws upon extensive discoveries and information published regarding the movement of the People of Israel and Judah from Davidic times to the dawn of the Hellenistic period

The author has tested the biblical records against archaeological evidence testimony and inscriptions found in Syria Assyria Babylon and Persia In very many cases the inscriptions excavated in these places coincide almost word for word with the biblical record The early chapters also investigate evidence of migrations and movement by people to neighbouring countries by reason of seeking sanctuary trade marriage or in times of famine Evidence has been found supporting the theory that many of the Northern Captives joined the tribes of the South who continued to live independently until the destruction of the First Temple Hence it is not just a matter of investigating the transfer of captives out of Judah and the Northern Kingdom but also additional evidence found in the Bible or documents that bear evidence to Jewish people who lived traded or served in various capacities in other lands There is also some clear indication that many of the later captives joined their brethren who had been exiled to other lands earlier The later chapters mention some traditions and legends that exist among many tribes that to this day trace their origins to the Exiles who belonged to the twelve tribes of Israel and Judah Atlas of Lost Kingdoms Emily Hawkins,2022-10-04 Shortlisted for Children s Travel Book of the Year Edward Stanford Travel Writing Awards 2023 On this quest around the world you will discover lost kingdoms phantom islands and even legendary continents once sought by explorers but now believed to be mythical For centuries people have dreamed of finding the lost worlds of Atlantis El Dorado and the Seven Cities of Gold As well as shedding light on these famously elusive places this atlas contains maps and captivating illustrations to illuminate lesser known destinations from the lost island of Hy Brasil to the desert city of Zerkura You will learn about rich mythologies from different cultures from the Aztecs to the ancient Britons from the Greek legends to Japanese folklore Most of the places in this book have never been found but within these pages you will succeed where the adventurers of the past were thwarted Learn about ancient maps age old manuscripts and cryptic carvings that reveal clues to the whereabouts of these lost kingdoms The journey will transport you to thoroughly other worldly places From Emily Hawkins New York Times bestselling author of Oceanology comes this whimsical blend of myth and history fact and fantasy This lavish volume will fire the imaginations of young adventurers everywhere Arthur's Home Magazine ,1858 *The Lost Tribes of Israel and the Great Pyramid* John Garnier,1878 The Lost Tribes of Israel and the Great Pyramid, Being the Substance of the Twenty-five Letters which Appeared in the Kendal Times During the Year 1877 John Gordon (of Kendal.),1878 **ALL+ 2023 12 No.229** LiveABC,2023-12-01 Unit 1 News Report Study Sounds Alarm on Mental Health Unit 2 Travel Christmas in Strasbourg A Festive Winter Getaway Unit 3 Technology AI versus AI A Battle for the Truth AI AI AI Unit 4 Plus Talk Asking for Help 1 Asking for Advice 2 Requesting Data 3 Asking for Help with a Deadline 4 Asking Someone to Fill In Unit 5 Reading Skill Where Are You Smiling Unit 6 Writing Translation Practice Unit 7 People Ryan Gosling From Disney Kid to Hollywood Heartthrob Unit 8 Psychology Do You Remember the Zeigarnik Effect CNN News Tipping in the US Is Putting Customers on the Spot Unit 9 Plant The Unromantic Truth about Mistletoe Unit 10 Dialogue Focus Comfort Foods for Winter A Winter Delight to Savor Unit 11 Christmas
