Between Two Opinions Or The Romance Of A Spahi:

Between Two Opinions Pierre Loti, 1890 *In Love with a Handsome Sailor* Richard M. Berrong, 2003-01-01 Writing at first anonymously and later under the pen name Pierre Loti French author Julien Viaud 1850 1923 produced a series of fictions that sympathetically portrayed male same sex desire and its accompanying societal conflicts Due to the constraints of the time Viaud had to develop various strategies for discussing his subject covertly his success in doing so is demonstrated by the great critical and commercial success he enjoyed during his lifetime which included his election to the French Academy at age forty one Richard Berrong presents a gay reading of the novels and novellas of Julien Viaud chronologically tracing his development of a distinct homosexual identity and the strategies that he employed to discuss it in a way that would not be obvious to the general public In so doing Berrong asserts that Viaud s development of a homosexual identity undermined and realigned dominant constructions of masculinity presented the need for gay community and elaborated the role of literature for gay men The first book length gay reading of Viaud s corpus this work will make an important contribution not only to the study of Viaud but also to the study of gay and lesbian history culture and literature **Between Two Opinions** Pierre Loti, 1971 *Bibliography of American Imprints to 1901: Main part* , 1993 **Pierre Loti** Richard M. Berrong, 2018-10-15 Few authors have led lives as interesting as that enjoyed by French novelist and travel writer Pierre Loti 1850 1923 and still fewer have worked so hard to make their lives appear even more romantic than they already were As a career officer in the French navy Loti participated in expeditions that took him to locales which even today seem exotic giving rise to four decades of novels travelogues and autobiographical narratives some of which went through hundreds of editions in France and were translated into dozens of languages And as Richard M Berrong reveals in this colorful biography the extravagances of Loti s often very public private life were as interesting as his art With Loti s financial and artistic success came notoriety which he delighted in enhancing by staging elaborate costume balls to which as one does he invited the photographic press The artistically inclined royalty of his day including Princess Alice of Monaco and Queen Elizabeth of Rumania sought him out as confidant Sarah Bernhardt had him write plays for her And although his parties and hobnobbing with titled nobility hurt his standing as a serious author in his later years they can do nothing to diminish the legacy of an artist whom Henry James hailed as a remarkable genius the companion beyond all others of my own selection and whose writing led Willa Cather to confess she would swoon with joy if anyone saw traces of Loti in her work *Bibliography of American Imprints to 1901: Author index* , 1993 **Sensing the World** David Le Breton, 2020-05-31 Sensing the World An Anthropology of the Senses is a highly original and comprehensive overview of the anthropology and sociology of the body and the senses Discussing each sense in turn seeing hearing touch smell and taste Le Breton has written a truly monumental work vast in scope and deeply engaging in style Among other pioneering moves he gives equal attention to light and darkness sound and silence and his disputation of taste explores aspects of disgust and revulsion Part phenomenological part historical this is above all a cultural

account of perception which returns the body and the senses to the center of social life Le Breton is the leading authority on the anthropology of the body and the senses in French academia With a reputé comparable to the late Pierre Bourdieu his 30 books have been translated into numerous languages This is the first of his works to be made available in English This sensuously nuanced translation of *La Saveur du monde* is accompanied by a spicy preface from series editor David Howes who introduces Le Breton's work to an English speaking audience and highlights its implications for the disciplines of anthropology sociology and the cross disciplinary field of sensory studies

Between Two Opinions Pierre Loti, M. L. Watkins, 2014-03 This is a new release of the original 1890 edition [Bibliography of American Imprints to 1901: Place index](#), 1993 [Book Chat](#) William George Jordan, Adr Schade van Westrum, 1891 [The Publishers' Trade List Annual](#), 1917 **Critic and Literary World** Jeannette Leonard Gilder, Joseph Benson Gilder, 1891 **Bibliography of American Imprints to 1901: Date index**, 1993 **Book News**, 1891 **The World and the Parish** Willa Cather, 1970-01-01 One of the few really helpful words I ever heard from an older writer Willa Cather declared in 1922 I had from Sarah Orne Jewett when she said to me Of course one day you will write about your own country In the meantime get all you can One must know the world so well before one can know the parish Although Cather's first novel about her own country *O Pioneers* did not appear until 1913 the process of knowing the world and of mastering her craft so far as it can be traced in her published writing already had been going on for some twenty years *The World and the Parish* Willa Cather's *Articles and Reviews 1893-1902* is the fourth in a series collecting the work of these years of experiment and discovery More specifically it offers a representative collection of Cather's nonfiction writing for newspapers and periodicals during her first decade as a professional writer Selected from 520 articles and columns the text is divided into three parts corresponding to major developments in Cather's career the period from 1893 to 1896 when she first began to write regularly for Lincoln newspapers the years in Pittsburgh when she was working for the *Home Monthly* and the *Leader* and sending her famous *Passing Show* column back to Nebraska and the period from the spring of 1900 to 1903 when she freelanced in Pittsburgh and Washington taught in a Pittsburgh high school and made her first trip abroad The text has been edited with three main objectives 1 to enable the reader to trace Cather's development as a writer 2 to group the material so that the reader interested in a particular subject the theatre or music or literature for example can readily locate pertinent selections and 3 to provide a context sufficient to relate these pieces to Willa Cather's life and to the times and to suggest some of their connections with the body of her work Chronologies have been included for each of the three parts and the *Bibliography* is the most complete yet available for the nonfiction writing up to 1903 Not the least remarkable feature of this collection is the range and variety of forms and subject matter reviews of books plays operas concerts art exhibits lectures feature stories interviews straight reportage columns of miscellaneous comment and travel letters Seemingly with no apparent effort Willa Cather could adjust her sights to any assignment and any audience And if it is astonishing that she

could write so much about so many matters at so many levels it is perhaps even more astonishing that so much of it was so good Undeniably however the chief interest to the general reader and the peculiar value to the scholar of these journalistic writings reside in their manifold and crucial connections with Cather's later work and in the unparalleled insights they afford into the process by which a gifted writer becomes a great artist *Public Opinion* ,1891 **The American Catalogue** ,1896 *The American Catalog* ,1896 **The Literary World** ,1891 **Sex, Sailors and Colonies** Hélène de Burgh,2005 Focusing on the work of 19th century author Pierre Loti the pseudonym of naval captain Julian Viaud the author suggests a new reading of Loti's literature that positions his texts within the critical theoretical paradigms of postcolonialism and queer theory
