Beyond The Judgment Of Civilization:

The Dawn of a Discipline Frédéric Mégret, Immi Tallgren, 2020-09-24 The history of international criminal justice told through the revealing stories of some of its primary intellectual figures

Beyond Civilization Harry Redner, 2020-03-26 For Harry Redner the phrase beyond civilization refers to the new and unprecedented condition the world is now entering specifically the condition commonly known as globalization Redner approaches globalization from the perspective of history and seeks to interpret it in relation to previous key stages of human development His account begins with the Axial Age 700 300 BC and proceeds through Modernity after AD 1500 to the present global condition What is globalization doing to civilization In answering this question Redner studies the role played by capitalism the state science and technology He aims to show that they have had a catalytic impact on civilization through their reductive effect on society culture and individualism However Redner is not content to diagnose the ills of civilization he also suggests how they might be ameliorated by cultural conservation Above all it is to the problem of decline in the higher forms of literacy that he addresses himself for it is on the culture of the book that previous civilizations were founded This study will be of interest to sociologists historians and social and political theorists Its style makes it accessible also to general readers interested in civilization past present and future

Transatlantic Subjects Ioanna Laliotou, 2004-01-15 The early twentieth century was marked by massive migration of southern Europeans to the United States Transatlantic Subjects views this diaspora through the lens of Greek migrant life to reveal the emergence of transnational forms of subjectivity According to Ioanna Laliotou cultural institutions and practices played an important role in the formation of migrant subjectivities Reconstructing the cultural history of migration her book points out the relationship between subjectivity formation and cultural practices and performances such as publishing reading acting storytelling consuming imitating parading and traveling Transatlantic Subjects then locates the development of these practices within key sites and institutions of cultural formation such as migrant and fraternal associations educational institutions state agencies and nongovernmental organizations mental institutions coffee shops the church steamship companies banks migration services and chambers of commerce Ultimately Laliotou explores the complex and situational entanglements of migrancy cultural nationalism and the politics of self Reading against the grain of hegemonic narratives of cultural and migration histories she reveals how migrancy produced distinctive forms of sociality during the first half of the twentieth century

Davis, Robert C. Good, 2007-05-01 William Temple late Archbishop of Canterbury on meeting Reinhold Niebuhr for the first time commented At last I've met the troubler of my peace Of him John Baillie the distinguished theologian also remarked Intellectually Niebuhr is head and shoulders he is legs and ankles above any other American The full range of Niebuhr's political thought in his own writing is here made available in one convenient volume Using materials from sixteen of his books and some one hundred and seventy of his articles the editors Harry R Davis and Robert C Good have brilliantly succeeded in linking together the various selections so that they form a logical whole The volume begins with Niebuhr's examination of the contemporary crisis and his analysis of the false solutions offered by the liberal creed and by communist doctrine The ground thus cleared Niebuhr erects his own system of political thought In the final section of the book Niebuhr deals with problems of the day in the light of his central beliefs and insights As an advisory committee the editors enjoyed the assistance of Charles Burton Marshall Washington Center of Foreign Policy Research Hans J Morgenthau Chicago E E Schattschneider Jr Harvard and Arnold Wolfers Washington Center of Foreign Policy Research Niebuhr himself read and approved the contents **Near-Death Experience in Ancient Civilizations** Gregory Shushan, 2025-02-04 Reveals the

powerful influence of near death experiences NDEs on the formation of religious beliefs mystical literature and ritual practices Focuses on the afterlife beliefs of five ancient world regions Old and Middle Kingdom Egypt Sumer and Old Babylonian Mesopotamia Vedic India pre Buddhist China and Maya and Aztec Mesoamerica Shows how the similarities among afterlife beliefs and their correspondences with NDEs reveal that they both stem from universal truths Taking readers on a thought provoking journey into our ancestors' beliefs about death dying and the afterlife Gregory Shushan Ph D reveals

the powerful influence of near death experiences NDEs on religious beliefs and ritual practices throughout human history Focusing on five ancient world regions in Egypt Mesopotamia India China and Mesoamerica Shushan expertly explores each civilization s afterlife beliefs He explains how each of these civilizations developed independently of one another yet there is a series of similarities among afterlife beliefs too consistent and specific to be mere coincidence This leads to the profound implication that afterlife beliefs are not entirely invented by cultures they also stem from universal truths derived from NDEs Drawing on anthropology psychology and philosophy the author explores how each civilization interpreted NDEs and how afterlife beliefs develop over time He also explores the metaphysical implications of his discoveries including what an actual afterlife would look like Revealing that NDEs have occurred throughout human history Shushan shows how they continue to influence our understanding of what lies beyond death to this day *Democracy and Civilization* Geraint Vaughan

Jones,2025-03-01 *Democracy and Civilization* 1947 is concerned with philosophy theology and politics with the nature of history and civilization and politics using the approach of Christian thinking It closely allies the political theory of democracy with the Christian ideals of man and society *The Great Interregnum: an Exposition of Daniel and the Apocalypse* Rev.

James BONNAR,1871 **The Human Paradox** Ralph Heintzman,2022-08-31 What is a human being What does it mean to be human How can you lead your life in ways that best fulfil your own nature In *The Human Paradox* Ralph Heintzman explores these vital questions and offers an exciting new vision of the nature of the human *The Human Paradox* aims to counter or correct several contemporary assumptions about the nature of the human especially the tendency of Western culture since the seventeenth century to identify the human with rationality and the rational mind Using the lens of the virtues *The Human Paradox* shows how rediscovering the nature of the human can help not just to understand one s own paradoxical nature but to act in ways that are more consistent with its full reality Offering accessible insight from both traditional and contemporary thought *The Human Paradox* shows how a fuller richer vision of the human can help address urgent contemporary problems including the challenges of cultural and religious diversity human migration and human rights the role of the market artificial intelligence the future of democracy and global climate change This fresh perspective on the Western past will guide readers into what it means to be human and open new possibilities for the future

Universities and Civilizations Franck Leprevost,2021-02-17 Since the publication of the first Shanghai ranking in 2003 the international rankings of universities have become evermore important This book examines the evolution of higher education systems and the role of universities in contemporary societies which are marked by increased competition and tensions Investigating whether the dynamism of large universities is an accurate indicator of the intellectual life of their civilizations *Universities and Civilizations* systematically analyzes the evolution of universities in several main rankings from their creation until now This analysis shows the rise of universities in China and parts of Europe the decline of American and Japanese universities and the scant presence of universities in Russia India Africa and Latin America This book suggests an

overhaul of traditional models of academic cooperation and exchange in an era of growing international tensions and a time when people and knowledge are increasingly mobile *Beyond Discontent* Eckart Goebel, 2012-05-10 A sweeping intellectual history encompassing literature philosophy and psychoanalysis of the pervasive idea of sublimation in German thought

The Greatest Empires & Civilizations of the Ancient East George Rawlinson, 2023-12-25 In *The Greatest Empires* it engages with the social political and cultural contexts of these civilizations allowing readers to understand their complexities and lasting impacts on contemporary society Rawlinson's extensive research as well as a keen eye for detail creates an immersive reading experience that invites both scholars and laypersons alike to delve deeper into the ancient Eastern world George Rawlinson a prominent 19th century historian and scholar was profoundly influenced by his extensive knowledge of ancient languages and archaeology His passion for history was ignited during his tenure as a scholar at Oxford and was further fueled by his work as a British diplomat in Persia This background provided him with unique insights and access to various ancient texts enabling him to illuminate the diverse legacies of Eastern empires His commitment to presenting historical narratives that are both accurate and engaging is evident throughout this work I highly recommend *The Greatest Empires Civilizations of the Ancient East* for anyone interested in ancient history archaeology or the cultural evolution of societies Rawlinson's ability to blend scholarly rigor with accessible prose makes this book a valuable resource for students educators and history enthusiasts seeking to enrich their understanding of the ancient Eastern world and its profound influence on human civilization

Beyond the "judgment of Civilization" the Intellectual Legacy ... Kei Ushimura, 2003

No Salvation Outside the Poor Jon Sobrino, 2008 The provocative title of these essays plays on a traditional Catholic slogan No salvation outside the church Insofar as it implies God's response to a world marked by suffering and injustice then the poor represent an indispensable test a key to the healing of a sick society Drawing on the radical hope of Christian faith the promise of the kingdom of God and the resurrection of the dead Sobrino presents a bold counter cultural challenge to a civilization of wealth that lives off the blood of the poor Inspired by the witness of Oscar Romero and Ignacio Ellacuria and the church's preferential option for the poor Sobrino offers these prophetic utopian reflections on faith and the meaning of discipleship in our time
