Beyond Doubt John J. Murphy, 2009-11-06 How long has it been since you held a negative thought and responded in a critical way Think carefully Consider all situations a traffic jam a slow computer an unfriendly neighbor a demeaning boss a loss of money an excessive bill a headache a defective purchase a stubbed toe a challenging child Do you find that you experience criticism and judgment frequently Do certain people and situations tend to annoy you Are you someone who gets agitated and stressed often Now stop and imagine a life of honest genuine peace deep stillness boundless joy and imperturbability in any situation Think about how people would treat one another if we all tapped into this God given right Seem impossible What an outrageous concept some might say Such a life could not possibly exist in todays world Centuries millennia in fact prove that the world is in a state of chaos Wars exist all around us Poverty is abundant Crime rears its ugly head from Wall Street to Main Street Violence is witnessed even at peace rallies and in church parking lots People pray and ask for forgiveness and then return to patterns of impatience anger greed doubt and disbelief Beyond Doubt offers a simple four step model The Ring of Peace to facilitate inner peace and joy in everyday life The model teaches the seeker how to release any hidden guilt and doubt buried in the unconscious mind thus altering perception of the world It shows people how to see and experience the wisdom and peace of God even in what might now seem like the most difficult circumstances The challenge is to overcome the resistance the human ego puts forth a battle that has been going on in the collective mind since the fall from grace Beware of this constraint learn to understand it and let it go Eternal flow and divine grace will follow Be in Spirit and you are inspired a state of mind where fear and doubt cannot abide *Beyond Goffman*

Beyond Vengeance, Beyond Duality Sylvia Clute,2010-05-01 We are in trouble Our social financial and religious institutions are crumbling Our criminal justice system is a prime example of society s dysfunction More than 1 in 100 Americans are now in jail Taxes now finance the incarceration of 1 in 53 of adults in their 20s There are now 2 3 million people locked up in the U S the same number of prisoners in Russia and China combined The U S accounts for 5 percent of the world s population and 25 percent of the world s prisoners What courtroom veteran and law professor Sylvia Clute saw on a daily basis was all too often the miscarriage of justice Because of her legal background Clute focuses on legal horror stories to demonstrate her underlying thesis The crisis in our legal system is merely symptomatic of a rot found in each of our institutions It is rooted in a philosophy of dualism that pits us against one another It is rooted in a philosophy that fails to recognize the oneness or unity of all life Clute unfolds her argument for applying the philosophy of non duality to not only our criminal justice system but to all social relationships She explores the

roots of dualist thinking in the religious traditions of the world and offers the hope that if individuals and societies can move beyond dualistic thinking we will create a society that is truly just and authentically caring Part social policy part metaphysics this is a book for all who are looking for a new model for individual and societal relationships **Revisioning Transpersonal Theory** Jorge N.
