Beyond Hope:

Beyond Hope Beverley Boissery, Bronwyn Short, 2003-10-01 Gold With that one little word and its promise of fabulous wealth people from all parts of the world came to British Columbia in the 1850s and 1860s Most were ill equipped for the difficult terrain the icy water and the inhospitable climate Some found the motherlode Others settled for becoming rich merchants Most became impoverished and a large number lost their lives With new roads and new settlers the gold rush helped build Canada's West This pictorial history tells the stories of the Fraser and Cariboo gold rush and of the lives involved in that tumultuous but decisive event in Canadian history

Beyond Hope Stephen J. Costello, 2020-10-12 Drawing on a host of philosophers such as Arthur Schopenhauer Gabriel Marcel Josef Pieper Paul Ricoeur Viktor Frankl Eric Voegelin Bernard Lonergan Roger Scruton John Caputo and Ludwig Wittgenstein as well as theologians like Hans Urs von Balthasar Karl Rahner Hans K ng Pope Benedict XVI and Pope Francis this book argues passionately for the place of hope as the beyond of both a will o the wisp facile optimism on the one hand and a world weary fatuous pessimism on the other Drawing on the philosophy of Advaita Vedanta in the concluding chapter it suggests that only by living from the Self as distinct from the ego can we know ultimate peace and experience the bliss of being that is beyond both hope and happiness These philosophical reflections are both timely as the publication appears amid the Coronavirus crisis and wise It is warmly recommended for its breadth and depth of knowledge This book will appeal to students of both Eastern and Western philosophy as well as spiritual seekers

Beyond hope and hopelessness, we meet there! Salim Nazzal, 2023-07-14 Nazzal's poems are first and foremost about love nature and the beauty of little things in life He is a skilled observer who describes our daily lives with depth and passion and through his poems he urges us to enjoy and take care of the things we are so lucky to have in our lives Born in a family of refugees and himself a refugee from war and misery he is seeking peace in his own life and for the rest of the world And he does this by concentrating about the things that really matter in our lives like our loved ones His deep love for the human race and the Earth shines through all the way And the same does his heritage Even though the themes in the poems most often are universal and are written about and in Norway the atmosphere is filled with the music fragrances and sounds of the Middle East He might not live there anymore has not done so for years but the longing to be back in a world that does not longer exist is present in every word he writes in the rhythm of every poem Dorthe Erichsen Norwegian writer Member of Norwegian Writers Union

Beyond Hope and Despair Frank M. Viollis, 2022-04-14 Beyond Hope and Despair is the second in the Galanor Saga Series. It picks up exactly where Volume I Beyond Good and Evil leaves off. It is a novel written in three parts: Books One, Two, and Three. Each can be read as a separate work or as designed as part of the complete novel. Book One finds Galanor, who is now the commander of an elite mercenary corps known as the Panther Legion, on the field of a recently fought battle. He has lost his will to live and, since the death of beloved Kara and her entire universe by his actions, is insane with guilt and despair. Azool visits Galanor while he wanders among the dead and renews his demand, only now with more vigor, for Galanor to join him in his struggle to free reality from order. Following Galanor's rebuke, Azool visits the Legionnaires with sudden madness. This causes them to turn on one another. The most affected by this is Pharon, who, under Azool's influence, which continues throughout the novel, turns on his lifelong friend. Galanor finds himself swept up in court intrigue and falling in love with the empress, whose husband had commissioned Galanor's Legion to defend his borders. This put Galanor at direct odds with the empire's High Lord General Sargon. Sargon aligns himself with a wizard who has a personal grudge with Galanor, dating back to Atlantis. Together, they plot to kidnap the empress and destroy Galanor in the process. After a long series of devastating encounters, Galanor, on the verge of death, is sent into the desert to die. He is rescued by a shadowy mythical figure who begins his road to mental and spiritual recovery outside the bounds of reality. Book Two finds Pharon and the entire remaining members of the Panther Legion in prison, awaiting death at the hands of Sargon, who has taken control of the empire from the feckless emperor who grieves over his wife's absence. Azool has been visiting Pharon, who has now become his agent. Galanor, having left the care of his benefactor, has taken on a new companion who had been given to him while he was being healed. He is a powerful, sleek dog named Anubis, whose spiritual and physical presence helps Galanor cement some of the soul-saving lessons he had learned, though he cannot recall how. Together, they meet a young warrior and priestess who are on a desperate mission to save their city from sure and certain destruction at the hands of a vast marauding army. Galanor must choose between returning back for his comrades or going forward in search of the kidnapped empress and helping the young couple and their city. He chooses the latter while conceiving a plan to do the former. After a devastating battle to free the now enslaved city, Galanor is swept into the arms of a goddess who wants him for her own. He also discovers an old and trusted friend along the way. His friend Enkidu tells him of a world beneath the world that might help his kidnapped love. It is a place where only the dead may enter. He and Anubis do so. Book Three finds the young warrior in search of an old friend and warrior chief whom Galanor and Pharon had rescued during a sea battle. This man and his band of elite stealth warriors agree to help the young warrior free the Legionnaires before their execution. Galanor and Anubis cross into the land of shadows and emerge in a land not far from where the empress has been imprisoned by the insane wizard Pharon. The Legionnaires are freed, and with the aid of the stealth warriors, become the agents of fate. Galanor encounters Azool one last time in a battle of wills. He defeats an old enemy and does battle with the wizard to rescue the
