Beyond New Testament Theology A Story And A Programme

Thomas Hatina

Beyond New Testament Theology A Story And A Programme:

Beyond New Testament Theology Heikki Räisänen,1990 **Beyond New Testament Theology** Heikki Räisänen,2012 **Beyond Biblical Theology** Timo Eskola,2013-10-02 Reading Heikki Räisänen's hermeneutics in context Timo Eskola explores the development of Western New Testament interpretation Reclaiming a Wredean approach to the Scriptures Räisänen focuses on tradition and interpretation He builds on Weberian sociology adopted through Peter Berger's theories and substitutes sacralized culturalism for biblical theology After examining fourteenth century Quran criticism and its impact on Reimarus Eskola discusses the genesis of the revised history of religion theory that Räisänen developed when investigating the Quran's relationship to the Bible Sociology then becomes a link between standard historicism and poststructuralism as Räisänen reinterprets Berger's sociology of knowledge Räisänen's sacralized culturalism finally becomes the theory from which his magnum opus *The Rise of Christian Beliefs* has been written **Beyond New Testament Theology** Heikki Räisänen,2000 This fascinating and comprehensive book first published in 1990 is as the original subtitle put it a story and a programme The story is that of the many attempts over the last two hundred years to write a theology of the New Testament from the pioneering J P Gabler to the present day Writing in Theology Robert Morgan describes it as surely the best available survey in any language and particularly useful for those less familiar with the German tradition However the book contains more than a survey the programme maps out the way that New Testament theology should proceed in the future The programme relates not only to subject matter but also to audience since in a secular society those who read the New Testament range far outside the confessions and churches As might be expected the reception for this radical thesis has been a mixed one but the importance of Professor Räisänen's work has been strongly emphasized not least by Professor Gerd Theissen in his *A Theory of Primitive Christian Religion* This new edition contains a survey of the debate over the last decade and also elaborates further on the programme for the future in the light of recent developments Heikki Räisänen is Professor of New Testament Exegesis at the University of Helsinki New Testament Theology and the Greek Language Stanley E. Porter,2022-10-20 Offers a unique language based critique of New Testament theology and reconceptualizes it using categories of modern linguistics **The Writings of the New Testament** Luke Timothy Johnson,Todd C. Penner,1999 This publication includes a revised and updated version of Luke Timothy Johnson's introduction to the New Testament with a CD ROM The CD ROM includes a fully searchable version of Johnson's text links to the NRSV text from each biblical reference in the book a glossary hyperlinked to key words in the text student friendly summaries for each chapter additional discussion reflection questions for each chapter suggestions for research paper topics and links to additional resources on the Web primary documents other introductory material museum artefacts artwork **New Testament Theology and Its Quest for Relevance** Thomas Hatina,2013-03-14 This guide to structuring and creating a New Testament theology shows students how to examine ancient texts in the modern world **New Testament Theology**

Eckhard J. Schnabel, 2023-11-21 Southwestern Journal of Theology 2023 Book Award Honorable Mention Theological Studies New Testament Theology is a major new contribution to New Testament scholarship by renowned scholar Eckhard Schnabel While many New Testament theologies approach the material through a particular thematic construct e g covenant Schnabel takes a different approach First he focuses on Jesus Messiah and his significance for the early church Second he seeks to describe the theology of the New Testament as it was written and read in its historical context This approach honors the fact that the authors and original readers of the New Testament were real people dealing with real issues in their specific ecclesiological cultural and missiological settings Schnabel comprehensively combines a historical description of the New Testament s theology with a systematic reflection on the New Testament s message and the convictions of Jesus and his early followers This valuable contribution to the field will be insightful reading for students scholars and pastors **New**

Testament Theology Frank J. Matera, 2007-01-01 In this systematic book by book exploration of the theology of each New Testament writing Frank J Matera explores theological diversity and unity in the writings of the New Testament After an introduction to the history and method of New Testament theology he explains and describes the theologies of the Synoptic Pauline and Johannine traditions as well as the rich theology of other New Testament voices Hebrews the Catholic Epistles and the book of Revelation Integrating both Protestant and Catholic approaches this work provides students pastors and scholars a comprehensive view of the New Testament that is rich in exegetical and theological insight *The Nature of New Testament Theology* Christopher Rowland, Christopher Tuckett, 2008-04-15 This volume brings together some of the most distinguished writers in the field of New Testament studies to provide an overview of discussions about the nature of New Testament theology Examines the development purpose and scope of New Testament theology Looks at the relationship of New Testament theology with other branches of theology Considers crucial issues within the New Testament such as the historical Jesus the theology of the cross eschatology ethics and the role of women Offers fresh perspectives which take discussion of the subject further in key areas Includes a foreword by Rowan Williams **The Formation and Significance**

of the Christian Biblical Canon Tomas Bokedal, 2013-12-05 This book offers a fresh cross disciplinary approach to the current discussion on the Christian canon formation process By carefully integrating historical hermeneutical and theological aspects to account for the emergence of the canon it seeks to offer a more comprehensive picture of the canon development than has previously been achieved The formation and continuous usage of the Christian biblical canon is here viewed as an act of literary preservation and actualization of the church s apostolic normative tradition the Scriptures and the Lord addressing first of all the church but also the wider society In order to grasp the complex phenomenon of the biblical canon the study is divided into four parts focusing respectively on linguistic and effective historical textual and material performative and ideational aspects of the canon Attention is given to the scribal nomina sacra convention the codex format oral and written Gospel early Christian liturgical praxis and the Rule of Faith Bokedal argues that the canon was formed in a

process with its own particular intention history and direction Throughout the study history and theology past and present are considered alongside each other By using a Gadamerian hermeneutics of tradition the reader s attention is directed to historical dimensions of the canon and its interpretative possibilities for our time The notion of effective history Wirkungsgeschichte as well as the interaction between text community and reader are crucial to the argument The canonical text as text its interpretation and ritual contextualization are highlighted as unifying elements for the communities being addressed

Symbol, Service, and Song J. Nathan Clayton, 2021-11-09 In the Old Testament the Levites stand as key ministry leaders for the worship of the people of God from their origins with Moses and the tabernacle to their service at the Jerusalem temple to their roles in the postexilic period This study proposes a multidimensional reading of the texts centered on the Levites in the Davidic narratives of 1 Chronicles 10-29 From a literary point of view the notion that the Levites are closely associated with the symbol of God s presence is explored From a historical perspective the roles of the Levites in expanding the service to God and his people is examined And from a theological perspective the means by which the Levites facilitate the song of God s people is studied Overall this work seeks to defend the idea that these texts contribute significantly to the rhetorical argumentation the historiographic method and the biblical theological meaning of the canonical books of Chronicles generally and of the Davidic narratives of 1 Chronicles 10-29 specifically as they emphasize the central role played by proper Levitical worship leadership at the time of David and during the challenging situation of the Chronicler s Yehudite postexilic audience

Fair Play: Diversity and Conflicts in Early Christianity Ismo Dunderberg, Christopher Tuckett, Kari Syreeni, 2014-04-09 This collection of essays in honour of Heikki Rissanen New Testament professor at the University of Helsinki consists of 22 essays written by his colleagues and students on Jesus the gospels Paul early Christianity and biblical interpretation Rissanen s own research has been characterized by methodological awareness combined with a keen interest in ethical issues Both these aspects come to expression in his insistence on fair play as a correct scholarly attitude involving an honest dialogue a real encounter and a recognition of diverging opinions In this spirit most of the essays in this book lay emphasis on issues related to early Christian diversity and conflicts and to their challenge in modern society The book is useful for scholars academic teachers and students interested in various aspects of the New Testament early Christianity and hermeneutics

Jesus: Miriam's Child, Sophia's Prophet Elisabeth Schüssler Fiorenza, 2015-11-19 In Jesus Miriam s Child Sophia s Prophet Elisabeth Schüssler Fiorenza makes a unique contribution to two quite different discussions of Jesus the Christ On the one hand she looks at biblical christology from a critical feminist perspective in the tradition of liberation theology On the other she examines the feasibility of a feminine christology by considering such problems as Christian anti Judaism ideological justification of domination religious exclusivism and the formation of patriarchal identity Reimagining the Jesus movement in a feminist key transcends the boundaries set by history gender and doctrine By assessing various Jesus traditions and interpretations in terms of whether they can engender liberating visions for today Sch

ssler Fiorenza seeks to challenge and transform a Christianity dominated by masculinity and exclusivist theological frameworks so that it offers a vision of justice and well being for all the central image in which is the reign the coming world of God This Cornerstones edition features a new extended introduction which takes into account the developments in the field since the work was originally published in 1994 **Explorations in Interdisciplinary Reading** Robbie F. Castleman,Darian R. Lockett,Stephen O. Presley,2017-05-31 The tension between reading Scripture as primarily a historically situated text on one hand and binding canon addressed to a community of faith on the other constitutes a crucial issue for biblical interpretation Considering the ways the disciplines of Biblical Studies Biblical Theology Patristics and Systematic Theology approach Scripture and biblical interpretation the Biblical Theology Hermeneutics and Theological Disciplines study group within the Institute of Biblical Research established a four year project aimed at clarifying the relationships between these diverse lines of inquiry into scriptural interpretation found in each of these disciplines The goal of this project was to foster a sustained discussion where exploratory papers might be proposed composed and rewritten for final form using a collaborative process This research project and the present volume resulting from it offers valuable insights into the integration of Biblical Studies and Theology as subdisciplines within the academy The essays collected here fall naturally into the following sections Exegetical Explorations Reception Historical Explorations and finally Theological Practical Explorations Trust in Atonement Teresa Morgan,2024-10-29 A fresh exploration of atonement rooted in the theology of trust Atonement the restoration of right relationship with God which God has made possible for humanity through Christ is the good news of Christianity How ought Christians think about the epicenter of salvation history Teresa Morgan takes up this longstanding question and in a significant departure from both classical and modern theologians proposes new answers that are rooted in the concept of trust pistis Weaving together exegesis and theology sociology and psychology Morgan defines atonement as the restoration of trust between God and humanity through the trust and trustworthiness of Jesus Christ Her model has important implications for Christians understanding of sin suffering and the possibility of forgiveness and restoration of trust among human beings Inductive Bible Study David R. Bauer,Robert A. Traina,2011-04-01 Following up Robert Traina s classic Methodical Bible Study this book introduces the practice of inductive Bible study to a new generation of students pastors and church leaders The authors two seasoned educators with over sixty combined years of experience in the classroom offer guidance on adopting an inductive posture and provide step by step instructions on how to do inductive Bible study They engage in conversation with current hermeneutical issues setting forth well grounded principles and processes for biblical interpretation and appropriation The process they present incorporates various methods of biblical study to help readers hear the message of the Bible on its own terms Christology, Hermeneutics, and Hebrews Jon C. Laansma,Daniel J. Treier,2012-03-01 A radical consideration of the the theological impact of the Letter to the Hebrews across the centuries **Theodicy in the World of the Bible** Antii Laato,Johannes de

Moor,2021-11-08 Is it justice when deities allow righteous human beings to suffer This question has occupied the minds of theologians and philosophers for many centuries and is still hotly disputed All kinds of argument have been developed to exonerate the good God of any guilt in this respect Since Leibniz it has become customary to describe such attempts as theodicy the justification of God In modern philosophical debate this use of theodicy has been questioned However this volume shows that it is still a workable term for a concept that originated much earlier than is commonly realised Experts from many disciplines follow the emergence of the theodicy problem from ancient Near Eastern texts of the second millennium BCE through biblical literature from both Old and New Testament intertestamental writings including Qumran Philo Judaeus and rabbinic Judaism

New Directions in Biblical Theology S. Pedersen,2014-04-09 New Directions in Biblical Theology contains the papers of an international conference on Biblical Theology which was organized by the Faculty of Theology of Aarhus University on the occasion of its 50th anniversary The papers delivered at the conference address a number of fundamental issues evolving from the recently revived debate on Biblical Theology The first group of contributions deals with essential topics such as the biblical concept of revelation and the interpretation of the Old Testament as presented by the apostle Paul by the evangelists Matthew Mark and John and by the Letter to the Hebrews Further contributions treat themes such as the re use of a given biblical tradition theology of creation apocalyptic the concept of mercy the community's role in transmission and interpretation and the primary aspects of the concept of God

Beyond New Testament Theology A Story And A Programme Book Review: Unveiling the Power of Words

Beyond New Testament Theology A Story And A Programme Introduction

In the digital age, access to information has become easier than ever before. The ability to download Beyond New Testament Theology A Story And A Programme has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Beyond New Testament Theology A Story And A Programme has opened up a world of possibilities. Downloading Beyond New Testament Theology A Story And A Programme provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Beyond New Testament Theology A Story And A Programme has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Beyond New Testament Theology A Story And A Programme. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Beyond New Testament Theology A Story And A Programme. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Beyond New Testament Theology A Story And A Programme, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves,

individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Beyond New Testament Theology A Story And A Programme has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Beyond New Testament Theology A Story And A Programme Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Beyond New Testament Theology A Story And A Programme is one of the best book in our library for free trial. We provide copy of Beyond New Testament Theology A Story And A Programme in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Beyond New Testament Theology A Story And A Programme. Where to download Beyond New Testament Theology A Story And A Programme online for free? Are you looking for Beyond New Testament Theology A Story And A Programme PDF? This is definitely going to save you time and cash in something you should think about.
