Beyond The Veil Essays In The Dialectical Style Of Socrates:

Beyond the Veil Ellis Washington, 2004 Beyond the Veil contains a group of 90 original dramatic essays short plays and letters mostly written in the dialectical or dialogue style attributed to the great Greek philosopher Socrates 470 399 B C and chronicled in various dialogues or books by his student Plato 427 347 B C commemorating the life times and death of Socrates Of particular note are Plato's books Euthyphro Crito Apology Phaedo Meno Symposium and his magnum opus The Republic In these fascinating dialogues Plato's genius of weaving and expounding upon a complex web of information through the medium of seemingly simple dialogue amongst the participants is most profound indeed and albeit in our modern technological age all too infrequent in civilized discourse Each of the 90 essays in Beyond the Veil seek to take the reader to the uncharted territory of their own mind in order to break the shackles of hypocrisy to develop individual virtue character and to encourage morality discipline and perseverance in the face of obstacles To make a systematic introspection of one's beliefs philosophy of life world view religion force modus operandi and to apply the intellectual honesty of Socrates dialectic to achieve self knowledge self actualization enlightenment and ultimately Truth Beyond the Veil Ellis

Washington, 2004-09 This book contains a group of 90 original dramatic essays short plays and letters mostly written in the dialectical or dialogue style attributed to the great Greek philosopher Socrates 470 399 B C Each essay seeks to take the reader to the uncharted territory of their o **A Marriage of Philosophy and Music** Erich Welling, 2014-04 How to use philosophy and music to open your horizons and enjoy being yourself put theory to work and help you experience personal growth is discussed in A Marriage of Philosophy and Music It is all about after After having a liberal education you are comfortable in modern culture and after further education and becoming a specialist in some field you enjoy using your skills We learn the ideas and methods of many social cultures and our own chosen specialty but we often neglect the liberal art of disciplining and enjoying the ideas and methods of our own individuality This book offers a path toward the education of privacy with the key words being selection design and beauty The book relates five areas of general human interest spirituality philosophy science art and body awareness The interrelation is accomplished by using personal patterns of experience that are available from philosophy and music Because of the plurality of subject matters and methods used in philosophy and music their patterns of discipline are comparable to self discipline A Marriage of Philosophy and Music attempts to create a path in this direction because besides the enjoyment of social culture and personal skills there is enjoyment in being yourself which is a neglected liberal art **The Progressive Revolution** Ellis Washington, 2016-12-13

His tenth book The Progressive Revolution Volume V continues his legal historical and literary series based on Natural Law Natural Rights and the original political philosophy of the constitutional Framers and original jurisprudence of the U S Supreme Court Washington systematically chronicles both the historical significance and political deconstruction that the Progressive Revolution or the Progressive Age circa 1860 present has perpetrated against Western Civilization and American

society even to this day These volumes are a collection of selected essays articles and Socratic dialogues from Washington s weekly columns published in RenewAmerica com an essential news and opinion website of primarily conservative writers and ideas This opus Volume V 2014 15 Writings which rather than being arranged chronologically by date are organized topically according to their subject matter of 16 intellectual disciplines including Law Politics Foreign Policy Philosophy Aesthetics the Academy Religion Economics Science Medicine Math Engineering Culture Society History and Legal Scholarship The Inseparability of Law and Morality Ellis Washington,2002-06-28 The Inseparability of Law and Morality is an opus based entirely on Natural law the original philosophy of the Constitutional Framers Ellis Washington shows how and where America went wrong in separating law from morals by applying Natural law precepts to a wide variety of contemporary legal moral political social and philosophical problems Washington exposes the sophistry of former and current legal and philosophical approaches to the law like democracy positive law utilitarianism relativism egalitarianism secularism liberalism feminism progressivism pragmatism materialism ideas which have in modern times proven themselves to be wholly untenable dangerous and inevitably lead to a corruption of societal morality He concludes that the only solution to regain public civility and respect for the rule of law is for America to return to the ancient notions of Natural law and the original intent of the Constitutional Framers **The Nuremberg Trials** Ellis Washington,2008 Discusses the paradoxical use of positive law during the advent of the Nuremberg trials over sixty years ago asserting that natural law should have been utilized instead
