Almost Goodbye Guzzler:

Almost Goodbye, Guzzler Helen Cresswell, 1994 *Girls Transforming* Sanna Lehtonen, 2013-05-08 This book explores representations of girlhood and young womanhood in recent English language children's fantasy by focusing on two fantastic body transformation types invisibility and age shifting Drawing on recent feminist and queer theory the study discusses the tropes of invisibility and age shifting as narrative devices representing gendered experiences The transformations offer various perspectives on a girl's changing body and identity and provide links between real life and fantastic discourses of gender power invisibility and aging The main focus is on English language fantasy published since the 1970s but the motifs of invisibility and age shifting in earlier tales and children's books is reviewed this is the first study of children's fantasy literature that considers these tropes at length Novels discussed are from both critically acclaimed authors and the less well known Most of the novels depicting invisible or age shifting girls are neither thoroughly conventional nor radically subversive but present a range of styles In terms of gender children's fantasy novels can be more complex than they are often interpreted to be

Negotiating Critical Literacies in Classrooms Barbara Comber, Anne Simpson, 2001-06-01

Negotiating Critical Literacies in Classrooms brings together accounts of educators who have sought to make a difference in the lives of their students through literacy education from university classrooms in the United States England and South Africa to policy and curriculum development in Singapore and Australia Each chapter represents the results of extended research on classroom practice The authors in this collection write as teachers The literacy classrooms they explore range from the early years of schooling to primary and secondary education through to community and university sites Although the volume is organized around different levels of education clearly overlapping themes emerge across the chapters including identity formation and textual practices politicizing curriculum and textbook production and changing the power relations in classroom talk around text An overarching theme of this collection is the belief that there is no one generic universal critical literacy in theory or in practice Rather the authors reveal how a range of theories can serve as productive starting points for educators working on social justice agendas through the literacy curriculum and equally important how particular critical literacy theories or pedagogies must be worked out in specific locations In each of these accounts educators explain how they have taken a body of theory and worked with and on it in classrooms Their rich portrayals and narratives of classroom realities illustrate the unanticipated effects of pedagogies that emerge in specific contexts Experiences from the classrooms have led them to revise theories that are central to critical literacy including constructs such as empowerment resistance and multiple readings This collection documents what occurs when educators confront the difficult ethical and political issues that evolve in particular classroom situations *Negotiating Critical Literacies in Classrooms* is appropriate as a text for courses in language and literacy education and will be of broad interest to educational researchers practitioners and theorists The practical classroom focus makes this book accessible and of interest to a wide
