The Living Church , 1942

The Twenty-First-Century Parson's Handbook Jared C. Cramer, 2025-01-30 When first published at the end of the nineteenth century The Parson's Handbook went on to go through twelve editions the final of which was published in 1932 four years before the death of its author Percy Dearmer In 1965 a thirteenth edition was published by Dearmer's student Cyril Pocknee Now nearly a hundred years after the publication of Dearmer's twelfth edition Jared Cramer provides a new version of this work that will bring the insights of Dearmer's distinctively Anglican approach to worship to bear on the ministry of clergy and lay leaders in the twenty first century Entirely revised and rewritten with attention to the principals of modern liturgical theology and history along with the ecumenical and multicultural context of today's Christian worship this book demonstrates that the principles at the core of Dearmer's approach still can be of tremendous value to anyone who seeks to provide beautiful dignified and collaborative worship in the Anglican prayer book tradition

A Manual for the Altar Guild , 1960

The Living Church Annual , 1938

The Episcopal Handbook , 2015-03 The original Episcopal Handbook published in 2008 was an instant classic and has been a bestseller ever since Still providing helpful and insightful information about the Episcopal ethos with a certain amount of whimsy and complete accessibility this revision maintains the best features of the original work but adds an update and an expansion on the church today In addition to updating out of date references the revision highlights Episcopal diversity including more women and people of color in the biographical material as well as focusing more on Episcopalians rather than Anglicans Some new illustrations are included as well Some material originally presented in tabular form has been adapted into a more accessible narrative format This includes new sections on church governance the origins of religious belief and a capsule summary of

church history The glossary has also been expanded The goal is to provide a book suitable for a wide range of uses and settings for Sunday schools confirmations inquirer classes and for everyone from visitors to vestries The revision brokers an incredible compendium of information in an informal user friendly and accessible format For lifelong Episcopalians newcomers and those wishing to sample and explore the beliefs and organization of the denomination
