Alte Uniformen 18bis 20 Jahrhundert

Ralf Prüve, Carmen Winkel

Alte Uniformen 18bis 20 Jahrhundert:

Geschichte der eidgenössischen Militäruniformen 1852 bis 1992 Jürg Burlet, 1992 **Vowed to Community or Ordained to Mission?** Judith Lena Böttcher, 2018-10-01 Lena Böttcher offers an overdue exploration of the early years of the deaconess community in Neuendettelsau from a gender perspective Drawing on rich archival material she focuses on the process of a distinctive collective identity Central to this study is the assumption drawn from the social sciences that collective identity is a social construction which requires the participation of the whole group through identification and which is consolidated by developing specific rituals symbols codes and normative texts which facilitate integration and by constructing external boundaries which separate from the world and the wider church This approach highlights the fact that the women were not merely passive recipients but participated and contributed to the formation of a distinct Neuendettelsau deaconess culture Thus this study offers an explanation for the popularity such institutes enjoyed amongst single and widowed Protestant women in the latter half of the nineteenth century In consequence this study significantly widens the scope of historical research on the Institute which so far has tended to take into account solely the male perspective of the Rektoren **Civilian uniforms as symbolic communication** Elisabeth Hackspiel-Mikosch, Stefan Haas, 2006 Beitr ge teilweise deutsch teilweise englisch Literaturangaben **Zweite Haut** André Holenstein, 2010 Der interdisziplinäre Sammelband beleuchtet Kleidung und Mode als kulturelle und symbolische Bedeutungsträger und als normierende und ästhetische Ausdrucksmittel Die Beiträge behandeln sowohl kultur und sozialanthropologische als auch historische und geschlechterspezifische Aspekte von Kleidung Sie geben vertiefte Einblicke etwa in materielle kologische und religiöse Kontexte textiler Produkte Ausblicke auf zukunftsgerichtete Entwicklungen bietet die Darstellung neuester Projekte im Bereich der Materialforschung sowie der digitalen Körper und Bekleidungssimulation *Deutsche Bibliographie* ,1981
 National Union Catalog ,1979 Library of Congress, 1980 **Bibliographie der Deutschen Bibliothek** ,1986
 National Union Catalog ,1980 Includes entries for maps and atlases *Symbole und Zeremoniell in deutschen Streitkräften vom 18. bis zum 20. Jahrhundert* Hans-Peter Stein, 1984 Omfattende gennemgang af uniformsmærker og alle former for ceremoniell i det tyske forsvar **Das Antiquariat** ,1971 **Barsortiment-Lagerkatalog** Koch, Neff & Oetinger & Co.; Koehler & Volckmar, 1974 **Mode, Macht, Männer** Gesa C. Teichert, 2013 *A Companion to Global Historical Thought* Prasenjit Duara, Viren Murthy, Andrew Sartori, 2014-01-21 A COMPANION TO GLOBAL HISTORICAL THOUGHT A Companion to Global Historical Thought provides an overview of the development of historical thinking from the earliest times to the present directly addressing issues of historiography in a globalized context Questions concerning the global dissemination of historical writing and the relationship between historiography and other ways of representing the past have become important not only in the academic study of history but also in public arenas in many countries With contributions from leading international scholars the book considers the problem of the global in the multiplicity of traditions

of narrating the past in the global dissemination of modern historical writing and of the global as a concept animating historical imaginations It explores the different intellectual approaches that have shaped the discipline of history and the challenges posed by modernity and globalization while illustrating the shifts in thinking about time and the emergence of historical thought Complementing A Companion to Western Historical Thought this book places non Western perspectives on historiography at the center of discussion helping scholars and students alike make sense of the discipline at the start of the twenty first century Alte Uniformen, 18. bis 20. Jahrhundert, 1974 **Das Bild des Orients in der französischen Malerei** Angelika Leitzke, 2001 *Die Reitvorschriften der deutschen Kavallerie (Hardcover farbige Ausgabe)* Peter Lachenmayer, Wolfgang Klepzig, Jens Nguyen, 2021-11-29 Im 18 Jahrhundert setzte eine grundlegende Änderung der militärischen Reitausbildung ein die gegen über der bisherigen Reitkunst neue Wege ging Getrieben wurde diese Wandlung durch die Schaffung der leichten Kavallerie und dem Aufkommen neuer blauer Pferdetyphen Das Buch Die Reitvorschriften zeigt diesen spannenden Weg über mehr als zwei Jahrhunderte auf der sich in der Schaffung der preussischen und deutschen Reitvorschriften von 1825 1882 1912 1926 und 1937 manifestierte Mehr als Nebenprodukt entstand aus diesen Reitvorschriften die Deutsche Reitlehre die über den Reitsport bis heute großen Einfluss auf die mittlerweile rein zivile Reitausbildung in Deutschland und weit darüber hinaus hat Das Buch klärt nicht die Frage was das richtige Reitsystem ist obwohl das Ringen über diese Frage zu permanenten Streit in der Reitausbildung der Kavallerie über den betrachteten Zeitraum geführt hat Vielmehr wird von den Anforderungen her gedacht und hergeleitet warum man was gemacht hat und warum sich dies über die Zeit geändert hat Diese Anforderungen waren vielfältig Deshalb werden die relevanten Einflüsse von Militärverfassung Taktik Remontierung Reitkunst Reitsport und zeitgenössischer Ausrüstung über die Zeitläufe einer gesamtgesellschaftlichen Betrachtung unterzogen Das Buch schließt somit eine Lücke in der Erforschung der Geschichte der Reitausbildung Der interessierte Leser wird viele Antworten auf offene Fragen auch der heutigen Reitausbildung finden auf vieles was heute selbstverständlich ist aber kaum noch von jemand erklärt werden kann Auch als Paperback in SQ erhältlich ISBN 9783956250118 **Zeitschrift "Militärgeschichte"** Felix Brandt, 2000 **Übergänge schaffen** Ralf Pröve, Carmen Winkel, 2012-10-24 Mithilfe der Ritualforschung und dem Phänomen der Initiationsrituale fokussiert dieser Band das Milieu und damit die Lebenswelt Militär in der Frühen Neuzeit Diese bislang ungewohnte Perspektive ermöglicht tiefenscharfe Einblicke in die Lebenswelt der frühneuzeitlichen Militärgesellschaft Die Beiträge gehen insbesondere der Frage nach welche Bedeutung die Rituale für den Zusammenhalt und die Gruppenkohäsion hatten Daneben werden Rituale als Bewältigungsstrategie des militärischen Alltags untersucht und ihre Rolle in der Ausnahmesituation des Krieges in den Blick genommen Schließlich wird der Frage nachgegangen wer die Initiatoren dieser Rituale waren Die hier versammelten Beiträge verstehen sich als ein erster Schritt auf dem hier skizzierten Forschungsfeld und damit als Einladung für eine Kulturgeschichte des Militärs in der Frühen Neuzeit die es noch zu schreiben gilt This collection of articles combined with the

sector of ritual search tries to investigate the phenomenon of initiation rituals during the early modern ages Our point of view has been very unusual so far but should help to gain new insights about the early modern society in the military These articles investigate in detail what effect those rituals had in connection with group dynamics Further more it will be described how these rituals helped with day to day tasks as well as exceptional situations like war It should also be stated who actually initiated the rituals The way this part of reasearch was approached should be seen as a first step into this kind of research f r the military during the early modern ages *Verweigerte Männlichkeit* Inge Stephan,2024-04-02 In Zeiten der Debatten um toxische M nnlichkeit scheint das Thema verweigerte M nnlichkeit auf den ersten Blick randst ndig zu sein Umso mehr erstaunt dass es in der Literatur zahlreiche Figuren gibt die den klassischen Heldendiskurs nicht bedienen und als Sonderlinge Au enseiter oder Tr umer von ihren Autoren konzipiert sind Zwischen Rebellion und Melancholie schwankend entziehen sich die M nnerfiguren den herrschenden Geschlechterdiskursen oft um den Preis der eigenen Ausl schung Anhand von Fallbeispielen vom Sturm und Drang bis zur Neuen Sachlichkeit stellt Inge Stephan abweichende abtr nnige und alternative Typen von M nnlichkeit vor und hinterfragt sie dabei kritisch auf ihr Widerstandspotential f r die Gegenwart

„Man kann Bergleute nicht grotesk schnitzen“ Anna-Magdalena Heide,2023-08-07 Wie kam es dazu dass das als Technikmuseum gegr ndete Deutsche Bergbau Museum Bochum DBM heute neben weiteren Sammlungsbereichen auch ber eine Sammlung von Gem lden Grafiken und Plastiken verf gt Der Frage nach der Genese und der historischen Funktion dieser Kunstsammlung sp rt das Buch anhand der Institutions und Sammlungsgeschichte des Hauses nach Dabei liegt der Fokus auf den Motiven und Handlungen der Akteur innen des Museums in der Amtszeit des Gr ndungsdirektors Dr Ing Dr h c Heinrich Winkelmann 1928 1966 Schriftliche berlieferungen zeigen dass Winkelmann sich berufen f hlte regulierend in die Kunstszene einzugreifen Anhand von Sammlungs und Archivforschung wird deshalb au erdem untersucht welche Positionen der Gr ndungsdirektor in Hinblick auf die Ikonografie von Bergleuten in der bildenden Kunst vertrat und inwiefern sich seine kulturpolitischen Bem hungen in der heutigen Kunst Sammlung des DBM materialisiert haben

This is likewise one of the factors by obtaining the soft documents of this **Alte Uniformen 18bis 20 Jahrhundert** by online.
