Wandtke,2014-01-10 For decades scholars have been making the connection between the design of the superhero story and the mythology of the ancient folktale Moving beyond simple comparisons and common explanations this volume details how the workings of the superhero comics industry and the conventions of the medium have developed a culture like that of traditional epic storytelling It chronicles the continuation of the oral traditional culture of the early 20th century superhero industry in the endless variations on Superman and shows how Frederic Wertham s anti comic crusade in the mid 1950s helped make comics the most countercultural new medium of the 20th century By revealing how contemporary superhero comics like Geoff Johns Green Lantern and Warren Ellis s The Authority connect traditional aesthetics and postmodern theories this work explains why the superhero comic book flourishes in the new traditional shape of our acutely self conscious digital age **The Batman Filmography, 2d ed.** Mark S. Reinhart,2013-08-14 This is a complete reference work

Graham,2017-01-05 A Brief History of Comic Book Movies traces the meteoric rise of the hybrid art form of the comic book film These films trace their origins back to the early 1940s when the first Batman and Superman serials were made The serials and later television shows in the 1950s and 60s were for the most part designed for children But today with the continuing rise of Comic Con they seem to be more a part of the mainstream than ever appealing to adults as well as younger fans This book examines comic book movies from the past and present exploring how these films shaped American culture from the post World War II era to the present day and how they adapted to the changing tastes and mores of succeeding

generations Slugfest Reed Tucker,2017-10-05 Over the years the companies have deployed an arsenal of schemes in an attempt to outmaneuver the competition whether it be stealing ideas poaching employees planting spies ripping off characters or launching price wars Sometimes the feud has been vicious at other times more cordial But it has never completely disappeared and it simmers on a low boil to this day This is the story of the greatest corporate rivalry never told Other books have revealed elements of the Marvel DC battle but this will be the first one to put it all together into a single juicy narrative It will also serve as an alternate history of the superhero told through the lens of these two publishers **The Comic Book Western** Christopher Conway,Antoinette Sol,2022-06 The Comic Book Western explores how the myth of the American West played out in popular comics from around the world *Stan Lee* Liel Leibovitz,2020-04-14 From the prizewinning Jewish Lives series a meditation on the deeply Jewish and surprisingly spiritual roots of Stan Lee and Marvel Comics Few artists have had as much of an impact on American popular culture as Stan Lee The characters he created Spider Man and Iron Man the X Men and the Fantastic Four occupy Hollywood s imagination and production schedules generate billions at the box office and come as close as anything we have to a shared American mythology This illuminating biography focuses as much on Lee s ideas as it does on his unlikely rise to stardom It surveys his cultural and religious upbringing and draws surprising connections between celebrated comic book heroes and the ancient tales of the Bible the Talmud and Jewish mysticism Was Spider Man just a reincarnation of Cain Is the Incredible Hulk simply Adam by another name From close readings of Lee s work to little known anecdotes from Marvel s history the book paints a portrait of Lee that goes much deeper than one of his signature onscreen cameos About Jewish Lives Jewish Lives is a prizewinning series of interpretative biography designed to explore the many facets of Jewish identity Individual volumes illuminate the imprint of Jewish figures upon literature religion philosophy politics cultural and economic life and the arts and sciences Subjects are paired with authors to elicit lively deeply informed books that explore the range and depth of the Jewish experience from antiquity to the present In 2014 the Jewish Book Council named Jewish Lives the winner of its Jewish Book of the Year Award the first series ever to receive this award More praise for Jewish Lives Excellent New York times Exemplary Wall St Journal Distinguished New Yorker Superb The Guardian Captain America and the Struggle of the Superhero Robert G.
