D. Regehr, 2003 The Northwest Mennonite Conference formerly the Alberta Saskatchewan Mennonite Conference has had member congregations in Alberta Saskatchewan Montana and Alaska It was organized by three small Alberta congregations in 1903 It has grown by adding new congregations of Mennonite settlers and initiatives in northern missions voluntary service and church planting It now finds itself in a period of transition as it assesses new challenges and the impact of a major reorganization of the parent national and international conferences with which it is no lonher affiliated      **Village of Unsettled Yearnings** Leonard Neufeldt, Lora Jean Sawatsky, Robert Martens, 2002 Concensus and dissent persistence and rapid change were at the heart of Yarrow s rich cultural life These tensions especially the inevitability of assimilation walked hand in hand with the young pioneer settlers born in Russia and the next generation born in Canada There was no possibility that the new generation would be absorbed into a Russian colony ethos or would move elsewhere in order to perpetuate it Those who grew up in the early years of this community cannot go home again save in memory the memories of a way of life and its webs of relationships and their meanings will probably die with that generation or those just a few years younger Village of Unsettled Yearnings harnesses these memories to the surviving records and gives words to them      *From Suffering to Solidarity* Andrew P Klager, 2016-04-28 As experiences of suffering continue to influence the responses of identity groups in the midst of violent conflict a way to harness their narratives stories memories and myths in transformative and non violent ways is needed From Suffering to Solidarity explores the historical seeds of Mennonite peacebuilding approaches and their application in violent conflicts around the world The authors in this book first draw out the experiences

of Anabaptists and Mennonites from the sixteenth century originsthrough to the present that have shaped their approaches to conflict transformation and inspired new generations of Mennonites to engage in relief development and peacebuilding to alleviate the suffering of others whose experiences today reflect those of their ancestors Authors then explore the various peacebuilding approaches methods and initiatives that have emerged from this Mennonite narrative and its preservation and dissemination in subsequent generations Finally the book examines how this combined historical sensitivity and resulting peacebuilding theory and practice have been applied in violent conflicts around the world noting both successes and challenges Ultimately From Suffering to Solidarity attempts to answer a question How can a robust historical infrastructure be used to inspire empathetic solidarity with the Other and shape nonviolent ways of transforming conflict to thrust a stick in the spokes of the cycle of violence

**Martyrs Mirror** David Weaver-Zercher, 2016-03-15 The first scholarly history of the iconic Anabaptist text Approximately 2 500 Anabaptists were martyred in sixteenth and early seventeenth century Europe Their surviving brethren compiled stories of those who suffered and died for the faith into martyr books The most historically and culturally significant of these The Bloody Theater more commonly known as Martyrs Mirror was assembled by the Dutch Mennonite minister Thieleman van Braght and published in 1660 Today next to the Bible it is the single most important text to Anabaptists Amish Mennonites and Hutterites In some Anabaptist communities it is passed to new generations as a wedding or graduation gift David L Weaver Zercher combines the fascinating history of

Martyrs Mirror with a detailed analysis of Anabaptist life religion and martyrdom He traces the publication use and dissemination of this key martyrology across nearly four centuries and explains why it holds sacred status in contemporary Amish and Mennonite households Even today the words and deeds of these martyred Christians are referenced in sermons Sunday school lessons and history books Weaver Zercher argues that Martyrs Mirror was designed to teach believers how to live a proper Christian life In van Braght s view accounts of the martyrs helped to remind readers of the things that mattered thus inspiring them to greater faithfulness Martyrs Mirror remains a tool of revival offering new life to the communities and people who read it by revitalizing Anabaptist ideals and values Meticulously researched and illustrated with sketches from early publications of Martyrs Mirror Weaver Zercher s ambitious history weaves together the existing scholarship on this iconic text in an accessible and engaging way

Toews, 1959 Alternative Service appears as a new phenomenon in Canadian History during World War II As the name indicates Alternative Service was a form of service in lieu of military which the Canadian Government provided for

conscientious objectors upon the special request of the Historic Peace Churches The provision of such a service during a time when the policy of total war seemed to offer the only hope for national survival certainly constitutes an interesting and challenging subject for historical study Alternative service is more than a mere name given to a form of civilian service during wartime it is one of the most striking symbols of freedom of conscience and religion in a democracy That a nation would allow expression in wartime of a viewpoint which contradicted the generally accepted policy for national defence is a significant thing Although both Great Britain as well as the United States provided non combatant service under civilian direction during World War II Alternative Service in Canada developed along distinctive lines and did not conform closely to the systems in either Great Britain or the United States
