Always In My Mind:

GO WITH YOUR HEART NOT THE MIND DUANE THE GREAT WRITER, 2012-08-20 When a person goes with their Heart they are taking the risk into discovering their own Being Of course all most all of us go through some type of schooling which makes sense for the society in which we live but if we never take the risk to discover our Heart and Being then we continue on for many more unconscious lifetimes until we are ready to WakeUp But we definitely need RealGuidance to discover who we are and why we are here moreso than what can be found in any of the Literal Institutions Young children live with their Heart and not their head or mind as they have not been overly conditioned Nature and all the creatures in it are the same way as they are Being with Life and not working against it or trying to destroy it Of course none of us can destroy Life but we can create things that distort what Life has provided for us on the Earth The Reality Life IS is all about Becoming MoreAware from the Heart [www.DuaneTheGreatWriter.Info](#) *Coloured Spectacles* Frederick John Niven, 2022-08-10 Frederick John Niven's *Coloured Spectacles* a thought provoking 1938 publication offers readers a rich tapestry of autobiographical essays that brilliantly explores the interweaving of personal and historical narratives Within its pages Niven's finesse in storytelling is evident as he marries his intimate experiences with the broader strokes of Scottish and Canadian landscapes attributing a sense of romanticism that is characteristic of his work His literary style reflective eloquent and deeply nostalgic is pure indulgence for connoisseurs of classic regional and historical literature The contents span from the rugged terrains of Scotland to the expanse of North America creating a profound literary journey through time and space marked by Niven's unique perspective behind *Coloured Spectacles* A veteran of over thirty novels Frederick John Niven's authority as a regional novelist is unquestionable His Scottish Canadian heritage breathes life into his works and *Coloured Spectacles* is no exception Drawing upon his experiences that traverse continents and eras Niven presents his insights not just as an observer but as an active participant in the cultural interplay The essays in this book are a testament to his life's journey from the rugged beauty of Scotland to the pioneering spirit of Canada and serve as the foundation for his compelling narrative voice *Coloured Spectacles* is a delightful detour into the realms of history geography and the personal recollections of Frederick John Niven It is recommended not only for readers who are familiar with his novels but also for those who seek to understand the early 20th century through the lens of a sensitive and articulate observer Niven's book is a cultural artifact bridging his audience to the past with elegance and a vibrant palette of literary hues making it a must read for aficionados of introspective and historically enriched literature *De L'esprit, Or, Essays on the Mind, and Its Several Faculties* *Helvétius*, 1810 *It Is the Same Light* Daljit Singh Jawa, 2015-03-28 Sri Guru Granth Sahib is generally known as the holy scripture of Sikhism the world's fifth largest religion But this holy scripture is neither a storybook nor just the philosophy of the Sikh saints or prophets It is more like a collection of divine revelations and hymns expressing the feelings of love and devotion of the Sikh Gurus for the Supreme Being along with the similar yearnings and longings of the devotees and saints

from all faiths prevalent in Indian subcontinent during those times The beauty of this 1430 page hymnal written in 22 different languages lies in the fact that while it spiritually connects the human mind to the original source of eternal bliss it provides a very practical and effective way to live in love and harmony with other fellow human beings irrespective of their faith color caste creed or race The following are a few examples of the views of eminent writers and scholars regarding Sri Guru Granth Sahib Mankinds religious future may be obscure yet one thing can be foreseen The living higher religions are going to influence each other more than ever before in the days of increasing communications between all parts of the world and branches of the human race In this coming religious debate the Sikh religion and its scriptures the Sri Guru Granth Sahib will have something of special value to say to the rest of the world Arnold Toynbee Historian I have studied the scripture of great religions but I do not find elsewhere the same power of appeal to the heart and mind as I find here in these volumes of Sri Guru Granth Sahib There is something strangely modern about these scriptures They speak to the people of any religion or of none They speak for the human heart and the searching mind Mrs Pearl S Buck Nobel Laureate In Volume five of the It Is The Same Light series SGGS pages 801 1000 author Daljit Singh Jawa continues his humble effort to share the beauty of the SGGS with those who have limited familiarity with the language Gurumukhi history or context The following are some of the comments received on the volume 7 pages 1201 1430 of SGGS This translation of Guru Granth Sahib is one of the best English translations in my view as it is in simple understandable English each shabads summary message is given there is connection between the shabads to reveal continuity of thought process in Guru jis message Thanks to S Daljit Singh ji for the great work which will benefit future generations understand Guru Jis message easily Amarjit Singh M D University at Buffalo Buffalo NY A monumental undertaking reflecting a lifetime of devotion to the Sri Guru Granth Sahib and to the scholarly study of its voluminous texts Both its rendition of the original Gurmukhi script with accompanying English transliteration and its erudite commentary on each of the Granths many hymns mark this work as a stunning achievement which will benefit all serious students of the Sikh religion and of world religions in general Barry Crawford Ph D Washburn University Topeka Kansas EVANS'S PEDESTRIOUS TOUR of Four Thousand Miles-1818 Estwick Evans,2003-01-30 Evans was a lawyer in New Hampshire who decided crazily to walk to Michigan in the dead of winter His account is strange and highly detailed Scope of Soviet Activity in the United States United States.
