**Acorns from God** Patti King,2010-04 Each WORD from God is like an acorn fallen from the oak tree An acorn doesn t look like much little and hard crusted However within this acorn lies all the DNA to become a mighty tree In this creative endeavor I have compiled 40 words which I feel have the power to challenge affirm and strengthen every seeker who is willing to travel this journey These words are not to be read from beginning to end like any other book Rather prayerfully ask God for which WORD you NEED And when guided to that word let it soak into your heart Let it breathe within you Live with it for awhile I spent a whole season of Lent with the word GLORY or a summer with the word TRUST This resource has helped me to crawl into the acorn and really dwell with the word Inside I found a sacred place where my spirit would find quiet rest and adventure When all else around me was confused and agitated here I would find peace and like the acorn I grew May these words bring you ever closer to the ONE who created you and desires for you more than you could ever imagine In reading the introduction to this wonderful book I was visibly moved by the words I was reading There is a power and a peace in opening a page of Patti s book and letting it take the reader into a quiet place Come with me by yourselves to a quiet place and get some rest Mk 6 31 This is a book that is like a well of spiritual refreshment ready for you to dive into its

J. Rushdoony,2019-07-17 From the foreword by Steve Schlissel Rushdoony sounds the clarion call of liberty for all who remain oppressed by Christian leaders who wrongfully lord it over the souls of God s righteous ones I pray that the entire book will not only instruct you in the method and content of a Biblical worldview but actually bring you further into the glorious freedom of the children of God Those who walk in wisdom s ways become immune to the politics of guilt and pity Man has trampled God s law under foot In doing so he has misused himself and trampled on the God given rights of his fellowman He is conscious of his guilt and seeks self justification through self atonement The author makes it perfectly clear that there is only one way of escape from present slough and despair It is in turning in heartfelt repentance to God who has already provided atonement in the sacrifice of His Son And true repentance includes a return to the doing of God s will as revealed in God s Word the Bible [The Influence of Jesus](#) Phillips Brooks,1882 **Commentary on the Gospel of St. John** Ernst Wilhelm Hengstenberg,1865 **Free at Last** Derrick McC Carson,2015-03-04 Grace is supposed to be amazing but all too often the Christian life can be more about keeping stuffy rules than enjoying a relationship with Christ The tendency to add works to salvation has been a thorny problem since the gospel was first preached Legalism the doctrine of salvation by works robs the Christian of the grace filled life The book of Galatians is like an emancipation proclamation that says If the Son has set you free then you are free at last

The liberating message of Galatians says believers are free from sin regulations and guilt Free from the need to measure up Free to be loved by Christ and changed by his grace Galatians is a guide for recovering Pharisees and in Free at Last Derrick McCarson takes us on a verse by verse journey through Paul s bondage busting manifesto You may be surprised to learn that Paul s message of grace is still as relevant today as it was centuries ago While the culture has changed much in those intervening years mankind s inherent desire for performance based religion has not This book is a timely reminder to Christians everywhere that if we aren t living by grace then we have succumbed to spiritual slavery

**Christ the Ideal of the Priest** Blessed Marmion,2006 The highly acclaimed spiritual writer Blessed Columba Marmion wrote this classic work on the priesthood to show the great holiness that priests are called to and how that holiness can only be attained through close union with and imitation of Jesus Christ While aimed at the clergy this profound spiritual work will also be of immense inspiration for laity in coming to a deeper understanding of the true nature and calling of the priesthood Echoing the thought and writing of St Paul Marmion stresses that the priestly life must be dominated by Christ and in constant dependence on His merits His grace and His activity in the soul of the priest In this perspective the dignity of the priesthood and the work of the priest s santification are understood In all his actions in the sacred acts of worship the administration of the sacraments private prayer and devotions and serving the various needs of his flock Marmion says the priest must always see himself as the minister of the Saviour as Alter Christus Blessed Columba Marmion was a Benedictine priest in the first half of the twentieth century who wrote several works that are considered spiritual classics most notably his book Christ the life of the Soul also published by Gracewing in a new translation by Alan Bancroft
