Beavers,2020-11-18 Does God still speak to His children I know that God still speaks to His children It just takes listening and being aware of our surroundings to recognize the little things that seem to tug at our hearts I decided that I wanted to share the lessons that I received from God through some very unusual items and from meditating on God s Word I wanted others to know that God does speak to them The parables as I like to call them came to me through random items at random time and in random places Lessons came through everyday life whether I was walking doing housework playing or just relaxing Some lessons came in the morning some at midday and some at night God is always talking Take a little time each day to spend special time with God Cast your cares on Him Make your petitions known to Him Once you have poured your whole heart out just listen Enjoy the time with Him knowing He is with you It doesn t take intelligence It doesn t take being

perfect doing everything right Sometimes we can try too hard to hear God but when we just walk with Him just enjoy His presence we then start to hear His voice All you have to do is take the time with Him So grab yourself a cup of coffee sit back and enjoy the parables of today
