Birding In Kent:

Birding in Kent Don Taylor, 1996 Written by the author of Birdwatching in Kent 1985 this book brings the story up to date Kent is one of the best counties in England for birdwatching and this book is aimed at anyone visiting the area as well as for those who live there *Where to Watch Birds in Kent, Surrey and Sussex* Don Taylor, Jeffery J. Wheatley, Paul James, 2009 The southeastern corner of England is a densely populated region but one which holds many rich bird habitats For example on the south coast of East Sussex and Kent there are undisturbed shingle beaches supporting nationally important tern colonies and inland there are Surrey heaths important for many nationally scarce species like Dartford Warbler and Woodlark In north Kent there is a network of important sites along the Swale estuary which are of great importance for passage and wintering waders and wildfowl These counties also often attract large numbers of passage migrants including vagrant rarities from the continent This guide explores the best birding sites in Kent Surrey and Sussex Several new sites have been added to this revised and updated fifth edition Each site is described in terms of Habitat Species Access and Birds and the volume is illustrated throughout with line drawings and maps of each site The manual seeks to enable birders to plan productive trips at any time of the year **Where to Watch Birds in Kent, Surrey and Sussex** Don Taylor, Jeffery Wheatley, Paul James, 2003 The southeastern corner of England is a densely populated region but one which holds many rich bird habitats For example on the south coast of East Sussex and Kent there are undisturbed shingle beaches supporting nationally important tern colonies and inland there are Surrey heaths important for many nationally scarce species like Dartford Warbler and Woodlark In north Kent there is a network of important sites along the Swale estuary which are of great importance for passage and wintering waders and wildfowl These counties also often attract large numbers of passage migrants including vagrant rarities from the continent This manual explores the best birding sites in Kent Surrey and Sussex Several new sites have been added to this revised and updated fourth edition Each site is described in terms of habitat species access and timing and the volume is illustrated throughout with line drawings and maps of each site The manual seeks to enable birders to plan productive trips at any time of the year **Where to Watch Birds in Kent, Surrey & Sussex** Don W. Taylor, Jeffery Wheatley, A. J. Prater, Tony Prater, 1987 *Where to Watch Birds in Kent, Surrey & Sussex* Don Taylor, Jeffery Wheatley, David Burges, 1997 In spite of pressure from urban development and industrial expansion Kent Surrey and Sussex remain three of the best counties in southern England for birdwatching Every site account has been revised and updated for this edition and new sites have been added There is also an additional section on the status and distribution of every species recorded in the three counties since 1900 **Where to Watch Birds in Southeast England** David Callahan, 2024-05-28 The definitive site guide to a surprisingly bird rich corner of England Kent Essex and the Greater London area From the deep forests of Kent to the low lying mudflats beaches and saltmarshes of the Greater Thames Estuary this ecologically rich area of England attracts vast numbers of wildfowl and waders The region boasts many internationally

and nationally important reserves including Rainham Marshes and Cliffe Pools while Dungeness in Kent is one of Britain's best known birding hotspots for vagrant species such as Penduline Tit and Kentish Plover London itself contains numerous birdwatching sites including Barnes and Woodberry Wetlands along with some of the best spots in Britain for scarcities such as Lesser Spotted Woodpecker and Black Redstart From Marsh Harrier and Firecrest to Curlew and Lapwing there is plenty for birdwatchers to enjoy while exploring the parks wetlands woodlands and coast of southeast England Written by life long birdwatcher David Callahan this is the definitive guide to the birding highlights of the region It contains a comprehensive review of all the major sites and many lesser known ones with maps notes on access and information on target species and when to visit Where to Watch Birds in Southeast England is indispensable for any birder exploring the region or anyone in London wanting to head out to the countryside and enjoy a slice of our rich avian heritage
