**Clear and Simple as the Truth** Francis-Noël Thomas, Mark Turner, 2011-02-28 For more than a decade Clear and Simple as the Truth has guided readers to consider style not as an elegant accessory of effective prose but as its very heart Francis Noë l Thomas and Mark Turner present writing as an intellectual activity not a passive application of verbal skills In classic style the motive is truth the purpose is presentation the reader and writer are intellectual equals and the occasion is informal This general style of presentation is at home everywhere from business memos to personal letters and from magazine articles to student essays Everyone talks about style but no one explains it The authors of this book do and in doing so they provoke the reader to consider style not as an elegant accessory of effective prose but as its very heart At a time when writing skills have virtually disappeared what can be done If only people learned the principles of verbal correctness the essential rules wouldn't good prose simply fall into place Thomas and Turner say no Attending to rules of grammar sense and sentence structure will no more lead to effective prose than knowing the mechanics of a golf swing will lead to a hole in one Furthermore ten step programs to better writing exacerbate the problem by failing to recognize as Thomas and Turner point out that there are many styles with different standards The book is divided into four parts The first Principles of Classic Style defines the style and contrasts it with a number of others The Museum is a guided tour through examples of writing both exquisite and execrable The Studio new to this edition presents a series of structured exercises Finally Further Readings in Classic Prose offers a list of additional examples drawn from a range of times places and subjects A companion website classicprose.com offers supplementary examples exhibits and commentary and features a selection of pieces written by students in courses that used Clear and Simple as the Truth as a textbook *Books in Print* ,1994
