

BIRD'S DIARY

THE LIFE OF CHARLIE PARKER 1945-1955

WRITTEN BY KEN VAIL

Birds Diary The Life Of Charlie Parker 19451955

Peter Townsend

Birds Diary The Life Of Charlie Parker 19451955:

Bird's Diary Ken Vail, 1996 This month by month chronology offers fascinating insight into the life of this most charismatic of jazz musicians *Bird* Chuck Haddix, 2013-09-30 Saxophone virtuoso Charlie Bird Parker began playing professionally in his early teens became a heroin addict at 16 changed the course of music and then died when only 34 years old His friend Robert Reisner observed Parker in the brief span of his life crowded more living into it than any other human being Like Louis Armstrong Duke Ellington Miles Davis and John Coltrane he was a transitional composer and improviser who ushered in a new era of jazz by pioneering bebop and influenced subsequent generations of musicians Meticulously researched and written *Bird The Life and Music of Charlie Parker* tells the story of his life music and career This new biography artfully weaves together firsthand accounts from those who knew him with new information about his life and career to create a compelling narrative portrait of a tragic genius While other books about Parker have focused primarily on his music and recordings this portrait reveals the troubled man behind the music illustrating how his addictions and struggles with mental health affected his life and career He was alternatively generous and miserly a loving husband and father at home but an incorrigible philanderer on the road and a chronic addict who lectured younger musicians about the dangers of drugs Above all he was a musician who overcame humiliation disappointment and a life threatening car wreck to take wing as Bird a brilliant improviser and composer With in depth research into previously overlooked sources and illustrated with several never before seen images *Bird The Life and Music of Charlie Parker* corrects much of the misinformation and myth about one of the most influential musicians of the twentieth century **Chasin' The Bird** Dave Chisholm, Z2 Comics, 2020-11-17 The life and legends of Charlie Parker told through the perspectives of those who knew him a brother a fellow artist a photographer a lover a student and a record store owner *The Oxford Companion to Jazz* Bill Kirchner, 2005-07-14 Essays cover major historical trends and figures discuss jazz in different countries review the role of most instruments and consider the place of jazz in other arts like dance literature and film N Y Times Book Rev This work is an effective single volume device leading current listeners to the music while including enough newer scholarship to retain the interest of connoisseurs Libr J [Open the Door](#) William R. Bauer, 2003-03-07 Presents the lifelong influence of Betty Carter s career and her music on the music world **The Cambridge Companion to Jazz** Mervyn Cooke, David Horn, 2003-01-09 The vibrant world of jazz may be viewed from many perspectives from social and cultural history to music analysis from economics to ethnography It is challenging and exciting territory This volume of nineteen specially commissioned essays provides informed and accessible guidance to the challenge offering the reader a range of expert views on the character history and uses of jazz The book starts by considering what kind of identity jazz has acquired and how and goes on to discuss the crucial practices that define jazz and to examine some specific moments of historical change and some important issues for jazz study Finally it looks at a set of perspectives that illustrate different takes on jazz ways in which jazz

has been valued and represented A New History of Jazz Alyn Shipton,2007 Presents a history of jazz music in the United States and abroad focusing on the personalities who were behind the creation of the music Pearl Harbor Jazz Peter Townsend,2009-03-02 This book is a study of a crucial period in the life of American jazz and popular music Pearl Harbor Jazz analyses the changes in the world of the professional musician brought about both by the outbreak of World War II and by long term changes in the music business in popular taste and in American society itself It describes how the infrastructure of American music the interdependent fields of recording touring live engagements radio and the movies was experiencing change in the conditions of wartime and how this impacted upon musical styles and hence upon the later history of popular music Successive chapters of the book examine the impact of these changed conditions upon the songwriting and music publishing industries upon the world of the touring big bands and upon changing conceptions of the role of jazz and popular music Not only the economic conditions but also ideas were changing the book traces a movement among writers and critics which created new definitions of jazz and other terms that had a permanent influence on the way musical styles were thought of for the rest of the century The book deals in some depth with the work of a number of important artists in these various fields including Duke Ellington Charlie Parker Johnny Mercer and Frank Sinatra looks at the growing presence of bebop the rise of country music and the contemporary musical scenes in such locations as New York and Los Angeles The book combines detail of the day to day working lives of musicians with challenging views of the long term development of musical style in jazz and popular music Norman Granz Tad Hershorn,2011-10-17 The JAZZ AT THE PHILHARMONIC concerts were a turning point in my life My fellow Californian Norman Granz figured it out This biography lays out in impressive detail and insight the incredible contribution of Mr Granz to the world of music and art The deed of the vast recordings of ART TATUM says it all Clint Eastwood Norman Granz was one of the most important people in the world of jazz He did more to escalate respect for jazz and raise our salaries than anybody else He absolutely loved jazz and jazz musicians I m honored to have shared a beautiful friendship with Norman for many many years Hopefully with this incredible book by Tad Hershorn the world will have a chance to learn about Norman and his phenomenal contribution to our beloved music jazz Clark Terry author of Clark The Autobiography of Clark Terry Tad Hershorn s Norman Granz The Man Who Used Jazz for Justice is a relentlessly readable rigorously researched deeply empathic portrait of the complex and heroic man who was arguably the greatest champion of this great American art form and its great artists Essential reading for anyone who loves jazz James Kaplan author of Frank The Voice Norman Granz was renowned as a vivid force in jazz history both as a producer of invaluable classic recordings by many of the music s most original performers and also for his world wide all star Jazz at the Philharmonic tours Moreover he broke the color line dividing jazz audiences by mandating the end of segregated seating his continually popular concerts Yet until this magisterial deeply researched biography of Granz by Tad Hershorn there has been no full scale inside account of the achievement and combats of this often larger than life personality who without playing an

instrument was so swingingly instrumental in making jazz an international language Nat Hentoff author of *At the Jazz Band Ball Sixty Years on the Jazz Scene* Norman Granz one of the most significant non musicians in jazz history took gutsy public stands but remained a private person Tad Hershorn s years of dedicated research reveal the man behind the lasting legacy on which he sheds new light as well This great American story is a must read and not just for jazz fans Dan Morgenstern author of *Living with Jazz* Norman Granz was an institution in jazz He was loved by some hated by others often controversial and always fearless But Granz was also elusive and until now sometimes came across as more symbol than man Tad Hershorn has changed all that in this stunning beautiful biography of the music s most relentless advocate of social justice Robin D G Kelley author of *Thelonious Monk The Life and Times of an American Original* Norman Granz was an important man and Tad Hershorn tells his story with a fearless compassion grounded in yeoman research Imperious vain and rude Granz was also generous inventive and brave He fought valiantly for jazz and civil rights made pots of money and never failed to bet it on his passions and beliefs If you do not know him you couldn t ask for a better introduction than Hershorn s judicious portrait if you think you do know him you are in for more than a few surprises Gary Giddins author of *Visions of Jazz* You re probably smarter than you present yourself Norman Granz to author 2001

Groovin' High Alyn Shipton, 1999

Dizzy Gillespie was one of the most important and best loved musicians in jazz history With his dark glasses goatee jive talk and upraised trumpet bell he was the hipster who most personified bebop The musical heir to Louis Armstrong he created the basic jazz trumpet playing style and dazzled aficionados and popular audiences alike for over 50 years In this first full biography Alyn Shipton covers all aspects of Dizzy s remarkable life and career taking us through his days as a flashy trumpet player in the swing bands of the 1930s his innovative bebop work in the 1940s the worldwide fame and adoration he earned through his big band tours in the 1950s and the many recordings and performances which defined a career that extended into the early 1990s Along the way Shipton convincingly argues that Gillespie rather than Charlie Parker as is widely believed had the greatest role in creating bebop playing in key jazz groups teaching the music to others and helping to develop the first original bebop repertory Shipton traces the Gillespie Parker relationship starting in the bands of Earl Hines and Billy Eckstine in the early 1940s to their famous 1944 46 group that set the form for bebop and culminating in their extraordinary concert at Massey Hall in Toronto in 1953 Shipton also explores the dark side of Dizzy s mostly sunny personal life his womanizing the illegitimate daughter he fathered and supported now a respected jazz singer in her own right and his sometimes needless cruelty to others For anyone interested in jazz and one of its most innovative and appealing figures **Groovin' High** is essential reading

Jazz Diasporas Rashida K. Braggs, 2016-01-26 At the close of the Second World War waves of African American musicians migrated to Paris eager to thrive in its reinvigorated jazz scene *Jazz Diasporas* challenges the notion that Paris was a color blind paradise for African Americans On the contrary musicians and African American artists based in Europe like writer and social critic James Baldwin adopted a variety of strategies to cope with the

cultural and social assumptions that greeted them throughout their careers in Paris particularly in light of the cultural struggles over race and identity that gripped France as colonial conflicts like the Algerian War escalated Through case studies of prominent musicians and thoughtful analysis of personal interviews music film and literature Rashida K Braggs investigates the impact of this post war musical migration Examining a number of players in the jazz scene including Sidney Bechet Inez Cavanaugh and Kenny Clarke Braggs identifies how they performed both as musicians and as African Americans The collaborations that they and other African Americans created with French musicians and critics complicated racial and cultural understandings of who could play and represent authentic jazz Their role in French society challenged their American identity and illusions of France as a racial safe haven In this post war era of collapsing nations and empires African American jazz players and their French counterparts destabilized set notions of identity Sliding in and out of black and white and American and French identities they created collaborative spaces for mobile and mobilized musical identities what Braggs terms jazz diasporas Provided by publisher [Becoming Belafonte](#) Judith E. Smith, 2014-09-15 A son of poor Jamaican immigrants who grew up in Depression era Harlem Harry Belafonte became the first black performer to gain artistic control over the representation of African Americans in commercial television and film Forging connections with an astonishing array of consequential players on the American scene in the decades following World War II from Paul Robeson to Ed Sullivan John Kennedy to Stokely Carmichael Belafonte established his place in American culture as a hugely popular singer matinee idol internationalist and champion of civil rights black pride and black power In *Becoming Belafonte* Judith E Smith presents the first full length interpretive study of this multitalented artist She sets Belafonte s compelling story within a history of American race relations black theater and film history McCarthy era hysteria and the challenges of introducing multifaceted black culture in a moment of expanding media possibilities and constrained political expression Smith traces Belafonte s roots in the radical politics of the 1940s his careful negotiation of the complex challenges of the Cold War 1950s and his full flowering as a civil rights advocate and internationally acclaimed performer in the 1960s In Smith s account Belafonte emerges as a relentless activist a questing intellectual and a tireless organizer From his first national successes as a singer of Calypso inflected songs to the dedication he brought to producing challenging material on television and film regardless of its commercial potential Belafonte stands as a singular figure in American cultural history a performer who never shied away from the dangerous crossroads where art and politics meet *The New Grove Dictionary of Jazz* Barry Dean Kernfeld, 2002 **Chasin' the Bird** Brian Priestley, 2007-05 Priestley offers new insight into Parker s career beginning as a teenager single mindedly devoted to mastering the saxophone through his death at 34 in such wretched condition that the doctor listed his age as 53 **Fulmini a Kansas City. L'ascesa di Charlie Parker** Stanley Crouch, 2015-01-08 Lungamente annunciato negli Stati Uniti e attesissimo dagli appassionati di jazz Fulmini a Kansas City il primo capitolo della biografia che lo studioso e narratore afroamericano Stanley Crouch ha dedicato a Charlie Parker il pi grande sassofonista di

tutti i tempi Frutto di studi pluriennali di ricerche e interviste sul campo e animato da una prosa brillante e immaginifica il libro ricostruisce la vita leggendaria di Bird negli anni che vanno dalla nascita nel 1920 fino al 1940 l'infanzia nella Kansas City dominata dalla malavita di Tom Pendergast e dallo swing delle territory bands il rapporto con una madre iperprotettiva e allo stesso tempo troppo permissiva il matrimonio a soli sedici anni e una paternità troppo precoce la fascinazione per la musica il cinema la tecnologia l'avventura l'incontro drammatico con la droga il trasferimento infine a New York capitale del jazz moderno con cui si sarebbe aperta la seconda più matura fase della vita di Parker A metà fra il saggio e il racconto fra l'affresco di un'epoca e il romanzo di formazione Fulmini a Kansas City un vividissimo quanto inedito ritratto dell'artista da giovane

Saxophone Colossus Aidan Levy, 2022-12-06 Winner of the American Book Award 2023 Longlisted for the PEN Jacqueline Bograd Weld Award 2023 The long awaited first full biography of legendary jazz saxophonist and composer Sonny Rollins Sonny Rollins has long been considered an enigma Known as the Saxophone Colossus he is widely acknowledged as one of the greatest jazz improvisers of all time winning Grammys the Austrian Cross of Honor Sweden's Polar Music Prize and a National Medal of Arts A bridge from bebop to the avant garde he is a lasting link to the golden age of jazz pictured in the iconic Great Day in Harlem portrait His seven decade career has been well documented but the backstage life of the man once called the only jazz recluse has gone largely untold until now Based on more than 200 interviews with Rollins himself family members friends and collaborators as well as Rollins extensive personal archive Saxophone Colossus is the comprehensive portrait of this legendary saxophonist and composer civil rights activist and environmentalist A child of the Harlem Renaissance Rollins precocious talent landed him on the bandstand and in the recording studio with Bud Powell Thelonious Monk Charlie Parker Miles Davis and Dizzy Gillespie or playing opposite Billie Holiday An icon in his own right he recorded Tenor Madness featuring John Coltrane Way Out West Freedom Suite the first civil rights themed album of the hard bop era A Night at the Village Vanguard and the 1956 classic Saxophone Colossus Yet his meteoric rise to fame was not without its challenges He served two sentences on Rikers Island and won his battle with heroin addiction In 1959 Rollins took a two year sabbatical from recording and performing practicing up to 16 hours a day on the Williamsburg Bridge In 1968 he left again to study at an ashram in India He returned to performing from 1971 until his retirement in 2012 The story of Sonny Rollins innovative unpredictable larger than life is the story of jazz itself and Sonny's own narrative is as timeless and timely as the art form he represents Part jazz oral history told in the musicians own words part chronicle of one man's quest for social justice and spiritual enlightenment this is the definitive biography of one of the most enduring and influential artists in jazz and American history

Jazz Times, 1997 Chasing the Bird Juha Henriksson, 1998 The New Grove Dictionary of Music and Musicians: Paliashvili to Pohle Stanley Sadie, John Tyrrell, 2001 This reference classic has approximately doubled in size since its last publication 20 years ago and the expansion involves more than the thorough revision and addition of articles about music of the past More articles about 20th century composers and composer performers have been

added as well as topical articles about the gender related multicultural and interdisciplinary ways that music is now being studied Add to these changes that New Grove is also available online making it a source that would have made its many faceted creator Sir George Grove proud Outstanding reference sources American Libraries May 2002 **Parker's mood**
Alain Tercinet, 1998 Cette biographie de Charlie Parker 1920 1955 s attache au del du mythe percer le myst re du saxophoniste en s effor ant de d m ler les anecdotes contradictoires par une relecture de tous les t moignages existants et par une r coute permanente de l oeuvre enregistr e

Birds Diary The Life Of Charlie Parker 19451955 Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Birds Diary The Life Of Charlie Parker 19451955 free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Birds Diary The Life Of Charlie Parker 19451955 free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for

offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Birds Diary The Life Of Charlie Parker 19451955 free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Birds Diary The Life Of Charlie Parker 19451955. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Birds Diary The Life Of Charlie Parker 19451955 any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Birds Diary The Life Of Charlie Parker 19451955 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook's credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What's the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Birds Diary The Life Of Charlie Parker 19451955 is one of the best books in our library for free trial. We provide a copy of Birds Diary The Life Of Charlie Parker 19451955 in digital format, so the resources that you find are reliable. There are also many eBooks related to Birds Diary The Life Of Charlie Parker 19451955. Where to download Birds Diary The Life Of Charlie Parker 19451955 online for free? Are you looking for Birds Diary The Life Of Charlie Parker 19451955 PDF? This is definitely going to save you time and cash in something you should think about.
