**Birds of Terror** Noel T. Skippings,2015-07-28 The residents of quiet peaceful communities are suddenly and viciously attacked by wanton acts of terrorism which are directed not only at innocent men women and children but also at the fabric of law and order by the bombing of a police station an army barracks and an attempt to bomb the leader of the countrys residence known as the Peoples House The terrorist responsible for the acts of terrorism took many lives and intend to take many more for no apparent reason These terrorists seem to be invisible and vanish after committing the acts leaving no witnesses to their brutal and callous attacks and no clues left behind Are some nonhuman entities involved in executing the carnage on human beings If so how are they able to do so Will the culprits be caught Can these strange birds be responsible If so how have they become birds of terror And who has trained them to commit these acts Law enforcement have put all on the line to solve these crimes will they be successful or will they also fall victim allowing evil to prevail *Nest Building and Bird Behavior* Nicholas E.
