## **Birth Control In Nineteenth Century England A Social And Intellectual History:**

*Birth Control in Nineteenth-Century England* Angus McLaren, 2022-08-19 The decline of the British birth rate was arguably the most important social change to occur in the last decades of the nineteenth century but historians have shown remarkably little interest in the phenomenon Most of the work done on the question has been by sociologists and reflects their assumption that the progressive adoption of birth control was largely a matter of the lower classes aping the behaviour of their betters Originally published in 1978 this book argues against this interpretation It contends that the great interest of the nineteenth century birth control debate is that it reveals that there was not a growing consensus of opinion on the question of family planning but rather two cultural confrontations the struggle of the middle class propagandists of both left and right to manipulate for political purposes working class attitudes towards procreation and on a deeper level the clash of the differing attitudes of men and women towards the possibility of fertility control The purpose of this study is to place the idea and practice of birth control in their social and political context and four major factors are focused upon to this end the first is that the birth control issue played a key role in the confrontation between Malthusians socialists eugenisists and feminists Secondly the whole question of contraception led to a conflict between doctors quacks midwives and ordinary men and women seeking to control their own fertility Thirdly men and women belong to different sexual cultures and necessarily respond in different ways to the possibility of family regulation and finally despite the claims of some that birth control was an innovation it was the pre industrial forms of fertility control including abortion which brought the birth rate down

*Birth Control in Germany 1871-1933* James Woycke, 2024-10-02 First published in 1988 *Birth Control in Germany* deals in detail with the dissemination and acceptance of ideas of birth control from 1871 1933 and shows the variety of methods that were in use condoms pessaries diaphragms caps and most notably abortion In common with many western societies Germany experienced a notable decline in the birth rate as it entered into the 20th century Demographers differ in their explanation for such changes in the birth rate Some argue that fluctuating birth rates reflect society s efforts to match population and economy while others argue that modern low levels can only be the result of radical innovations in popular behavior The author argues that the latter can be shown to be the case in the German instance He further says that attitudes quite similar to those found in liberal circles today were widespread among ordinary men and women in Germany in contrast to for example the pro natalist ideologies dominant in France in the same period This despite the regional class and religious differentials which influence the German picture The book amounts to an important study of the sexual politics of pre Nazi Germany and study in modernization of a traditional society This is an important historical work for scholars and researchers of German history women s studies health reproductive history European history and gender studies **Dangerous Sexualities** Frank Mort, 2002-09-11 *Dangerous Sexualities* takes a look at how our ideas of health and disease are linked to moral and immoral notions of sex Beginning in the 1830s Frank Mort relates his social historical narratives to the sexual

choices and possibilities facing us now This long awaited second edition has been thoroughly updated to include new discussions of eugenics race hygiene and social imperialism in the late nineteenth and early twentieth centuries With a new and extended bibliography introduction and illustrations this second edition brings a classic into the 21st Century

*Daughters of Time* Mary Kinnear,1982 A history of women in the Western world      **What is Sexual History?** Jeffrey Weeks,2016-06-07 Until the 1970s the history of sexuality was a marginalized practice Today it is a flourishing field increasingly integrated into the mainstream and producing innovative insights into the ways in which societies shape and are shaped by sexual values norms identities and desires In this book Jeffrey Weeks one of the leading international scholars in the subject sets out clearly and concisely how sexual history has developed and its implications for our understanding of the ways we live today The emergence of a new wave of feminism and lesbian and gay activism in the 1970s transformed the subject heavily influenced by new trends in social and cultural history radical sociological insights and the impact of Michel Foucault s work The result was an increasing emphasis on the historical shaping of sexuality and on the existence of many different sexual meanings and cultures on a global scale With chapters on amongst others lesbian gay and queer history feminist sexual history the mainstreaming of sexual history and the globalization of sexual history What is Sexual History is an indispensable guide to these developments      **Fertility, Class and Gender in Britain, 1860-1940** Simon

Szreter,2002-07-25 This book offers an original interpretation of the history of falling fertilities in Britain between 1860 and 1940 It integrates the approaches of the social sciences and of demographic feminist and labour history with intellectual social and political history It exposes the conceptual and statistical inadequacies of the orthodox picture of a national unitary class differential fertility decline and presents an entirely new analysis of the famous 1911 fertility census of England and Wales Surprising and important findings emerge concerning the principal methods of birth control births were spaced from early on in marriage and sexual abstinence by married couples was a far more significant practice than previously imagined The author presents a new general approach to the study of fertility change raising central issues concerning the relationship between history and social science      *The Popularization of Malthus in Early Nineteenth-century England* James P.

Huzel,2006 The political economist Thomas Robert Malthus 1766 1834 first rose to prominence in 1798 with the publication of his *Essay on the Principle of Population* in which he blamed rising levels of poverty on the inability of Britain s resources to support its growing population Dealing with issues of social economic and political history this work offers a fresh and insightful investigation into one of the most influential though misunderstood thinkers of the late eighteenth and early nineteenth centuries      **Abortion Wars** Judith Orr,2017-09-10 As *Roe v Wade* comes under renewed scrutiny in the United States 2017 marks the fiftieth anniversary of another landmark shift in abortion policy Britain s 1967 Abortion Act But in the United Kingdom as in the United States the struggle for abortion rights is far from over In this hard hitting urgent book socialist writer and leading UK pro choice campaigner Judith Orr argues that the time has come for women to control their

fertility without the practical legal and ideological barriers they have faced for generations Combining analysis of media coverage statistics popular culture and social attitudes with powerful firsthand accounts of women s experiences Orr measures the Act s true impact both in the United Kingdom and abroad and shows that full reproductive rights are yet to be won In the United Kingdom anti abortion campaigners attack women s rights under existing law Elsewhere women must cross borders or buy pills online while in the United States as well as in Ireland Poland and nations across Latin America harsh restrictions on abortion are provoking increased resistance Highlighting ongoing debates over decriminalization Orr calls for an abortion provision fit for the twenty first century

**The History of Women and Science, Health, and Technology** Phyllis Holman Weisbard,Rima Dombrow Apple,Susan E. Searing,1993 **The Cambridge Companion to**

**Nineteenth-Century Thought** Gregory Claeys,2019-08-22 Leading historians introduce the most influential trends in thought which originated or developed in the nineteenth century Britain Yesterday and Today Walter L. Arnstein,1988

This text which is the fourth volume in the best selling History of England series tells how a small and insignificant outpost of the Roman empire evolved into a nation that has produced and disseminated so many significant ideas and institutions This is the only comprehensive text available for the History of England survey course that has been revised and updated to include coverage of the entire 20th century Victorian Britain (Routledge Revivals) Sally Mitchell,2012-08-06 First published in

1988 this encyclopedia serves as an overview and point of entry to the complex interdisciplinary field of Victorian studies The signed articles which cover persons events institutions topics groups and artefacts in Great Britain between 1837 and 1901 have been written by authorities in the field and contain bibliographies to provide guidelines for further research The work is intended for undergraduates and the general reader and also as a starting point for graduates who wish to explore new fields

**Sexual Politics** Stephen Brooke,2011-11-24 Explores the complex relationship between sexuality and socialist politics in Britain arguing that sexuality has been a key though often neglected aspect of party politics in the last century and a half It also explores the relationship between the personal and the political in a wide ranging study of British society *The Woman Question: Social issues* Elizabeth K. Helsinger,Robin Ann Sheets,William R. Veeder,1983 **Bibliography in the**

**History of European Women** Joan Kelly-Gadol,1982 Sexual Science Cynthia Russett,1991-03 Recounts the efforts of a group of white male scientists at the turn of the century to prove women inferior to men detailing the spurious and often comic arguments marshalled in support of this position **Birth Control and the Population Question in England,**

**1877-1930** Richard A. Soloway,2017-10-10 Soloway examines the origins of the modern birth control movement in England in the wider context of the dramatic decline in fertility that first became apparent in the 1880s He concludes that the response of individuals and organizations drawn into the debate over birth control and the consequences of diminished fertility mirrored their attitudes toward the profound social economic moral political and cultural changes altering Great Britain and its influential position in the world Originally published 1982 A UNC Press Enduring Edition UNC Press Enduring

Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print. These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value.

Books in Print, 1981

Gender and Literary Voice Janet M. Todd, Janet Todd, 1980. Is literature androgynous? Can a language used by men effectively express women's perceptions? This book debates the presence of a distinctive female style, voice or content in the literature written by women from the middle ages to the twentieth century. Mary Wollstonecraft and Fanny Burney wrote on the linguistic difficulties of women's prose. Virginia Woolf expressed hopes for an androgynous literary future. The authors of *Gender and Literary Voice* consider thematic and stylistic differences and then range themselves on both sides of this debate. The role of female experience, the passive mode, female appropriation of traditionally male forms of literature such as the bildungsroman, semantic idiosyncrasies: these are the elusive topics raised by contemporary critics of women's literature. Among the contributors to this important volume of feminist criticism are Joyce Carol Oates, Judith Wilt, Marilyn Butler and Mary Ann Caws.

*France and Women, 1789-1914* James McMillan, Professor James F. McMillan, 2002-01-08. *France and Women 1789-1914* is the first book to offer an authoritative account of women's history throughout the nineteenth century. James McMillan, author of the seminal work *Housewife or Harlot*, offers a major reinterpretation of the French past in relation to gender throughout these tumultuous decades of revolution and war. This book provides a challenging discussion of the factors which made French political culture so profoundly sexist and in particular it shows that many of the myths about progress and emancipation associated with modernisation and the coming of mass politics do not stand up to close scrutiny. It also reveals the conservative nature of the republican left and of the ingrained belief throughout French society that women should remain within the domestic sphere. James McMillan considers the role played by French men and women in the politics, culture and society of their country throughout the 1800s.

## Enjoying the Song of Phrase: An Emotional Symphony within **Birth Control In Nineteenth Century England A Social And Intellectual History**

In a world taken by screens and the ceaseless chatter of instant interaction, the melodic elegance and mental symphony produced by the published word frequently diminish into the backdrop, eclipsed by the persistent noise and distractions that permeate our lives. But, located within the pages of **Birth Control In Nineteenth Century England A Social And Intellectual History** an enchanting fictional value brimming with raw thoughts, lies an immersive symphony waiting to be embraced. Constructed by an elegant musician of language, this captivating masterpiece conducts visitors on a mental trip, skillfully unraveling the concealed tunes and profound influence resonating within each carefully constructed phrase. Within the depths of the emotional assessment, we will discover the book is key harmonies, analyze their enthralling publishing type, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.

### **Birth Control In Nineteenth Century England A Social And Intellectual History Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Birth Control In Nineteenth Century England A Social And Intellectual History has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Birth Control In Nineteenth Century England A Social And Intellectual History has opened up a world of possibilities. Downloading Birth Control In Nineteenth Century England A Social And Intellectual History provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Birth Control In Nineteenth Century England A Social And Intellectual History has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Birth Control In Nineteenth Century England A Social And Intellectual History. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Birth Control In Nineteenth Century England A Social And Intellectual History. Some websites may offer pirated or illegally

obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Birth Control In Nineteenth Century England A Social And Intellectual History, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Birth Control In Nineteenth Century England A Social And Intellectual History has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### **FAQs About Birth Control In Nineteenth Century England A Social And Intellectual History Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Birth Control In Nineteenth Century England A Social And Intellectual History is one of the best book in our library for free trial. We provide copy of Birth Control In Nineteenth Century England A Social And Intellectual History in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Birth Control In Nineteenth Century England A Social And Intellectual History. Where to download Birth Control In Nineteenth Century England A Social And Intellectual History online for free? Are you looking for Birth Control In Nineteenth Century England A Social And Intellectual History PDF? This is definitely going to save you time and cash in something you should think about.
