BIRTHPLACE

Birthplace Of Route 66 Springfield Mo

C. H. Curtis

Birthplace Of Route 66 Springfield Mo:

Birthplace of Route Sixty-six Springfield, Mo C. H. Curtis,2001 *Father of Route 66* Susan Croce Kelly,2014-09-02

In this engaging biography of a remarkable man Susan Croce Kelly begins by describing the urgency for good roads that gripped the nation in the early twentieth century as cars multiplied and mud deepened. Avery was one of a small cadre of men and women whose passion carried the Good Roads movement from boosterism to political influence to concrete on the ground. While most stopped there, Avery went on to assure that one road, U S Highway 66, became a fixture in the imagination of America and the world.

Eating Up Route 66 T. Lindsay Baker,2022-10-13 From its designation in 1926 to the rise of the interstates nearly sixty years later, Route 66 was in John Steinbeck's words America's Mother Road, carrying countless travelers: the 2,400 miles between Chicago and Los Angeles. Whoever they were—adventurous motorists or Dustbowl migrants, troops on military transports or passengers on buses, vacationing families or a new breed of tourists—these travelers had to eat. The story of where they stopped and what they found, and of how these roadside offerings changed over time, reveals twentieth-century America on the move, transforming the nation's cuisine, culture, and landscape along the way.

Author T. Lindsay Baker, a glutton for authenticity, drove the historic route, or at least the 85 percent that remains intact, in a four-cylinder 1930 Ford station wagon. Sparing us the dust and bumps, he takes us for a spin along Route 66, stopping to sample the fare at diners, supper clubs, and roadside stands, and to describe how such venues came and went, even offering kitchen-tested recipes from historic eateries en route. Start-ups that became such American fast-food icons as McDonald's Dairy Queen, Steak 'n Shake, and Taco Bell feature alongside mom-and-pop diners with flocks of chickens out back and sit-down restaurants with heirloom menus. Food and drink establishments, from speakeasies to drive-ins, share the right of way with other attractions, accommodations, and challenges, from the Whoopee Auto Coaster in Lyons, Illinois, to the piles of chat mining waste in the Tri-State District of Missouri, Kansas, and Oklahoma, to the perils of driving old automobiles over the Jericho Gap in the Texas Panhandle or Sitgreaves Pass in western Arizona. Describing options for the wealthy and the not-so-well-heeled, from hotel dining rooms to ice cream stands, Baker also notes the particular travails African Americans faced at every turn.

Traveling Route 66 across the decades of segregation, legal and illegal. So grab your hat and your wallet; you'll probably need cash and come along for an enlightening trip down America's memory lane, a westward tour through the nation's heartland and history with all the trimmings via Route 66.

Route 66 Still Kicks Rick Antonson,2012-06-23 Through the stories of one of Canada's most enthusiastic travellers, explore the famous American highway that inspired the likes of Al Capone, Salvador Dali, Mickey Mantle, and the countless fans of this iconic American landmark.

Route 66 in the Missouri Ozarks Joe Sonderman,2009 Route 66 in the Missouri Ozarks picks up the journey west where its companion book, *Route 66 in St. Louis*, leaves off. As Bobby Troup's song says, Route 66 travels more than 2,000 miles all the way. But one would be hard-pressed to show me a more scenic and historic segment than the Missouri Ozarks. The highway is lined with buildings

covered with distinctive Ozark rock. It winds through a region of deep forests, sparkling streams, hidden caves, and spectacular bluffs. This book will take the traveler from Crawford County to the Kansas line. Along the way, there are small towns and urban centers, hotels and motels, cafés and souvenir stands. Take the time to explore Missouri's Route 66; it is waiting at the next exit.

Missouri's Wicked Route 66 Lisa Livingston-Martin, 2013-04-16

Tracing Route 66 through Missouri represents one of America's favorite exercises in nostalgia, but a discerning glance among the roadside weeds reveals the kind of sordid history that doesn't appear on postcards. Along with vintage cars and picnic baskets, Route 66 was a conduit humming with contraband and crackling with the gunplay of folks like Bonnie and Clyde, Jesse James, and the Young brothers. It was also the preferred byway of lynch mobs, murderous hitchhikers, and mad scientists. Stop in at places like the Devil's Elbow and the Steffleback Bordello on this trip through the more treacherous twists of the Mother Road.

Portrait of Route 66 T. Lindsay Baker, 2016-09-20

By the time Route 66 received its official numerical designation in 1926, picture postcards had become popular travel souvenirs. At the time, these postcards with colorful images served as advertisements for roadside businesses. While cherished by collectors, these postcard depictions do not always reflect reality. They often present instead a view enhanced for promotional purposes. *Portrait of Route 66* lets us see for the first time the actual photographs from which the postcards were made, and in describing how the production process worked, introduces us to an extraordinary archival collection, adding new history to this iconic road. The Curt Teich Postcard Archives, held at the Lake County Discovery Museum in Wauconda, Illinois, contains one of the nation's largest collections of Route 66 images, including thousands of job files for postcards produced by Curt Teich and Company of Chicago. T. Lindsay Baker combed these files to choose the best examples of postcards and their accompanying photographs, not only to reflect well-known sites along the route but also to demonstrate the relationships between photographs and their resulting postcards. The photographs show the reality of the locations that customers sometimes wanted improved for aesthetic purposes in creating the postcards. Such alterations included removing utility poles or automobile traffic and rendering overcast skies partly cloudy. This book will interest historians of art and design as well as the worldwide audiences of Route 66 aficionados and postcard collectors. For its mining of an invaluable and little-known photographic archive and depiction of high-quality photographs that have not been seen before, *Portrait of Route 66* will be irresistible to all who are interested in American history and culture.

Moon Route 66 Road Trip Jessica Dunham, 2021-10-19

Moon Route 66 Road Trip reveals the ins and outs of this iconic highway from sweeping prairies and retro roadside pit stops to the stunning vistas of the Southwest. Inside you'll find Maps and Driving Tools. 38 easy-to-use maps detail the existing roads that comprise the original Route 66, along with site-to-site mileage, driving times, detailed directions for the entire route, and full-color photos throughout.
