Bisexuality In The Lives Of Men

William Meezan, James I. Martin

Bisexuality In The Lives Of Men:

Bisexuality in the Lives of Men Erich W Steinman, Brett Genny Beemyn, 2014-06-03 Explore the theoretical political psychological and cultural issues surrounding male bisexuality *Bisexuality in the Lives of Men* is the first anthology to focus on men who love both men and women The theoretical scientific and literary essays in this landmark volume dispel the fictions that bisexual men are greedy promiscuous confused deceptive unfaithful HIV positive the dominant images of bisexual men in our culture Whether portrayed as a coward who can't quite come out into full gayness or a smooth talking serial killer the bisexual man has been vilified in books and movies In scholarly studies they are often ignored or else lumped together with gay men It is now widely acknowledged that human sexuality is more complex and diverse than the narrow categories gay and straight But while the use of the term bisexual has become much more common in the last decade an understanding of bisexuality itself lags far behind A lack of research on how bisexuality is experienced interpreted and encoded in literature film and other aspects of popular culture means that stereotypes stigma and confusion are still prevalent *Bisexuality in the Lives of Men* is a multidisciplinary examination of this neglected topic bringing together expertise reflecting divergent approaches and fields to show the whole bisexual man Topics include a thoughtful review and analysis of the public health research on the role of bisexual men in HIV transmission a study of the marital consequences of a husband's bisexuality including couples who have stayed together an analysis of the heartfelt discussions taking place in an online bi male community an empirical study of the ways that bi negativity differs from homophobia an essay bringing together queer theory and social constructionist ideas to explain why bisexual men are much less visible than bisexual women The rigorously analytical yet accessible essays in this volume offer new information and perspectives about male bisexuality *Bisexuality in the Lives of Men* is an essential resource for anyone interested in the theoretical political and cultural issues of male bisexuality

The Changing Dynamics of Bisexual Men's Lives Eric Anderson, Mark McCormack, 2016-05-05 This important book provides unique new knowledge on the lived experience of openly bisexual men without medicalizing or pathologizing them Presenting research from sexology sociology and psychology it features extensive findings on the sexual social romantic and emotional behaviors of the 90 men interviewed in the U S and U K Issues and challenges are examined in such areas as identity and self concept along with the burden of social erasure and the paradox of stigma from both the gay and straight communities However the research reveals evidence of a recent cultural transition toward acceptance of bisexual identity and behavior with younger bisexual men experiencing better social lives and increased recognition of the legitimacy of bisexuality Among the topics covered Examining the components of sexuality Measuring and surveying bisexuality Bisexual burden Demonstrating a generational cohort effect Expansion of gendered boundaries Erosion of the one time rule of homosexuality Coming out in the 21st century Bringing clarity and focus beyond the gender binary and compelling insights into why society and science have trouble shedding that paradigm *The Changing*

Dynamics of Bisexual Men's Lives will interest sexuality scholars, sexologists and social scientists studying the social aspects of sexuality

Bisexuality in the Lives of Men Erich W. Steinman, 2001 Explore the theoretical, political, psychological and cultural issues surrounding male bisexuality. *Bisexuality in the Lives of Men* is the first anthology to focus on men who love both men and women. The theoretical, scientific and literary essays in this landmark volume dispel the fictions that bisexual men are greedy, promiscuous, confused, deceptive, unfaithful, HIV positive, the dominant images of bisexual men in our culture. Whether portrayed as a coward who can't quite come out into full gayness or a smooth talking serial killer, the bisexual man has been vilified in books and movies. In scholarly studies they are often ignored or else lumped together with gay men. It is now widely acknowledged that human sexuality is more complex and diverse than the narrow categories gay and straight. But while the use of the term bisexual has become much more common in the last decade, an understanding of bisexuality itself lags far behind. A lack of research on how bisexuality is experienced, interpreted and encoded in literature, film and other aspects of popular culture means that stereotypes, stigma and confusion are still prevalent. *Bisexuality in the Lives of Men* is a multidisciplinary examination of this neglected topic, bringing together expertise reflecting divergent approaches and fields to show the whole bisexual man. Topics include a thoughtful review and analysis of the public health research on the role of bisexual men in HIV transmission; a study of the marital consequences of a husband's bisexuality including couples who have stayed together; an analysis of the heartfelt discussions taking place in an online bi-male community; an empirical study of the ways that bi-negativity differs from homophobia; an essay bringing together queer theory and social constructionist ideas to explain why bisexual men are much less visible than bisexual women. The rigorously analytical yet accessible essays in this volume offer new information and perspectives about male bisexuality. *Bisexuality in the Lives of Men* is an essential resource for anyone interested in the theoretical, political and cultural issues of male bisexuality.

Bisexuality in the Lives of Men Genny Beemyn, Brett Beemyn, Erich W. Steinman, 2001 *Bisexuality in the Lives of Men* is the first anthology to focus on men who love both men and women. The theoretical, scientific and literary essays in this landmark volume bring together a wide range of approaches and fields to encompass the diversity of male bisexuality. This rigorously analytical yet accessible book offers new information and perspectives about male bisexuality. *Bisexuality in the Lives of Men* is an essential resource for anyone interested in the theoretical, political and cultural issues of male bisexuality.

Male Bisexuality in Current Cinema Justin Vicari, 2014-01-10 In recent decades, male bisexuality has become a recurring topic in international cinema as filmmakers and their works challenge our ideas about sexual freedom and identity. In all of these films, more than a dozen of which are covered here, bisexuality is treated both as an actual practice and a complex metaphor for a number of things, including the need to adapt to changing environments, the questioning of rigidly traditional male roles and identities, the breakdown and regeneration of the structures of families, the limitations of monogamy and the stubborn affirmation of romantic love.

Bisexuality and the Eroticism of Everyday Life Marjorie Garber, 2013-05-13 Bisexuality is about three

centuries overdue nevertheless here it is a learned witty study of how our curious culture has managed to get everything wrong about sex Gore Vidal Bisexual and Gay Husbands Fred Klein, Tom Schwartz, 2001 A compendium of e mails sent 1998 99 by men who had belonged to a bi and gay men s list serve and were out to their spouses about their sexual orientation Introd **Bisexual Perspectives on the Life and Work of Alfred C. Kinsey** Ron Suresha, 2016-02-22 The books commonly known as the Kinsey Report were Dr Alfred C Kinsey s monumental scientific publishing achievement in 1948 often compared to the atomic bomb for its impact on the American public On the sexagennial anniversary of the publication of Sexual Behavior in the Human Male this book focuses on Alfred C Kinsey s work and life Sixteen chapters consider the Kinsey legacy tracing the development of modern American bisexuality and posing an intriguing and illuminating look at many aspects of bisexuality in Kinsey s life as depicted and lived in popular biographical culture and media Contributors to this stellar collection of outstanding writing include the final surviving member of Kinsey s original research team Dr Paul H Gebhard PhD as well as leading names in the fields of sex research GLBTIQA activism and bisexual writing This book was published as a special issue of the Journal of Bisexuality and was a Finalist for the Lambda Literary Award for Excellence in Bisexual Literature The Advocate , 2005-11-22 The Advocate is a lesbian gay bisexual transgender LGBT monthly newsmagazine Established in 1967 it is the oldest continuing LGBT publication in the United States Introducing the New Sexuality Studies Steven Seidman, Nancy L. Fischer, Chet Meeks, 2011-02-25 Breaking new ground both substantively and stylistically this book offers students academics and researchers an accessible engaging introduction and overview of the emerging field of sexuality studies **Handbook of Research with Lesbian, Gay, Bisexual, and Transgender Populations** William Meezan, James I. Martin, 2009-09-10 Handbook of Research with Lesbian Gay Bisexual and Transgender Populations provides a detailed examination of the current methods and theoretical frameworks for conducting research with LGBT populations Introducing greater nuance in designing and implementing research models for working with these populations Handbook of Research with Lesbian Gay Bisexual and Transgender Populations provides guidelines for defining these groups strategies to obtain more inclusive and representative samples and methods for engaging these populations to produce consistent and relevant data Collecting essays by notable researchers and scholars in the field Handbook of Research with Lesbian Gay Bisexual and Transgender Populations provides meaningful analyses of the ethics and practical constraints that researchers confront in dealing with LGBT populations including protection of privacy which is a special concern for many For students teachers social workers mental health professionals and researchers of all backgrounds this is an invaluable resource and guidebook for anyone seeking a better quality of understanding and engagement with LGBT individuals and communities Bisexuality Beyond Binaries Lisa Speidel, 2025-03-31 This book brings together a collection of diverse contributors to discuss bisexual erasure and biphobia and how this intersects with racism sexism ableism and transphobia Amplifying the voices of a group often unheard and

erased this book explores and celebrates the experiences stories and complexities of bisexual identity providing tools to help dismantle the dehumanization of erasure move beyond the gender binary and increase visibility of multiple bisexualities Beginning by outlining key definitions labels and context each chapter addresses an identity or experience that intersects with bisexual identity such as disability masculinity femininity gender diverse identities media religion dating apps porn non monogamy intimate partner violence aging kink and sex work Each chapter begins with theoretical research before illuminating the personal narratives of bisexual people especially people of color that reflect the negative impact of bisexual erasure as well as the joy beauty and resilience of bisexuality Engaging and powerful this book will help sex therapists students and educators enhance their inclusive and supportive practices It will also be of immense interest to bisexual people so they may see diverse realities celebrating stories of resistance and joy

Dual Attraction Martin S. Weinberg, Colin J. Williams, Douglas W. Pryor, 1995-06-01 For the past two generations extensive research has been conducted on the determinants of homosexuality But until now scant attention has been paid to what is perhaps the most mysterious and potentially illuminating variation of human sexual expression bisexuality Today as ignorance and fear of AIDS makes greater awareness of all forms of sexual behavior an urgent matter of private and public consequence leading sex researchers Martin Weinberg Colin Williams and Douglas Pryor provide us with the first major study of bisexuality Weinberg Williams and Pryor explore the riddle of dual attraction in their study of 800 residents of San Francisco Fieldwork intensive interviews and surveys provided a wealth of data about the nature of bisexual attraction the steps that lead people to become bisexual and how sexual preference can change over time They found that heterosexuals more often than homosexuals become bisexual that bisexual men and women differ markedly in their sexual behavior and romantic feelings that most bisexuals ultimately settle into long term relationships while continuing sexual activity outside those relationships and they also explain why transsexuals often become bisexual Moreover the authors discovered that as the AIDS crisis unfolded many bisexual men entered into monogamous relationships with women and bisexual women into more lesbian relationships Recent media accounts attest that a growing number of researchers and writers are narrowing the fundamental cause of sexual preference to a single factor biology But if as this study shows learning plays a significant part in helping people traverse the boundaries of gender if past and present intimate relationships influence their changing preferences and if bisexual activity is inseparable from a social environment which provides distinctive sexual opportunities then a mosaic of factors far more complex than those previously considered must be entertained in explaining the fuller spectrum of sexual preferences *Dual Attraction* is one of the most significant contributions to our understanding of sexuality since the original Kinsey reports and Bell and Weinberg's 1978 international bestseller *Homosexualities* It is must reading for all those interested in the study of sexual behavior especially now since the onset of AIDS

Bisexual Men in Culture and Society Erich W Steinman, Brett Genny Beemyn, 2014-05-01 Gain a fresh perspective on this misunderstood sexual orientation From invisible to pathological

the literary cultural and theoretical representations of male bisexuality have been almost uniformly negative *Bisexual Men in Culture and Society* provides a clear rational analysis of the negative stereotypes and the underlying reasons for them The bisexual is the brutal father the abusive husband the violent rapist all familiar figures of male heterosexual power but he is also the simpering oral sadistic mama's boy found in psychoanalytic accounts of homosexuality Bisexuals are queers with straight privilege straights with gay chic Jonathan David White's caustic summary of bisexual men as seen in David Lynch's film *Blue Velvet* also applies to many of the representations of male bisexuality in popular and high culture The original essays in *Bisexual Men in Culture and Society* deconstruct that dangerous image with blistering force and accuracy *Bisexual Men in Culture and Society* offers thoughtful insightful examinations of the cultural meanings of bisexuality including the recurring figure of the predatory immoral bisexual man in the novels of E Lynn Harris the overlooked bisexual themes in James Baldwin's classic novels *Another Country* and *Giovanni's Room* the murderous bisexual men in such films as *Blue Velvet* and *American Commandos* the portrayal in women's magazines of the bisexual husband as a promiscuous deceitful AIDS carrier the conflicts within sexual identity politics between gay men and bisexual men the focus on bisexual orientation rather than sexual behavior as a risk factor for AIDS Continuing the tradition of *Bisexuality in the Lives of Men Facts and Fictions* *Bisexual Men in Culture and Society* offers a brilliant analysis of the lives of bisexual men and their precarious position within a racist sexist and homophobic society

Women in Relationships with Bisexual Men Maria Pallotta-Chiarolli, 2016-03-08 Framed by a comprehensive review of international research literature and film this book is an intimate journey into the experiences and insights of 79 Australian women in relationships with bisexual men It takes us into the daily lives sexual intimacies and families of MOREs mixed orientation relationships that span the gamut from extremely oppressive experiences with bi misogynist men to extremely liberating with bi profeminist men Aged 19 to 65 the women are in monogamous open and polyamorous relationships with bisexual identifying and or bisexual behaving men The women themselves are bisexual lesbian heterosexual while others refuse to categorize their own sexualities The book addresses the discovery or disclosure of the man's bisexuality how the relationships work and where they flounder how the partners negotiate and establish new rules and boundaries to maintain their relationship and the impact of class rural urban setting ethnicity indigeneity race religion and education on these relationships But this book isn't only about MOREs The research revelations and reflections in this book tell us much about current and shifting global constructions and understandings of intimate relationships sexual desires and love and the socio cultural representations and labeling of genders and sexualities

Older Lesbian, Gay and Bisexual Adults Andrew King, 2016-06-03 Andrew King is Senior Lecturer in Sociology at the University of Surrey UK and co editor of *Sociological Objects Reconfigurations of Social Theory* **Education, Research, and Practice in Lesbian, Gay, Bisexual, and Transgendered Psychology** Gladys L. Croom, 2000 The Fifth Volume in the annual series *Psychological Perspective on Lesbian and Gay Issues* is devoted to providing a basic collection of resources for

educators practitioners and researchers in Lesbian Gay Bisexual and Transgendered Psychology The volume and the series are sponsored by Division 44 of the American Psychological Association Academic psychologists have been challenged to make psychology curricula more inclusive Program changes involve revising undergraduate and graduate course material and content to represent the full spectrum of sexual orientation identity development and life dilemmas Similarly trainers and educators responsible for training in related mental health disciplines mental health agencies and other venues that deliver psychological services to Lesbian Gay Bisexual And Transgendered Psychology individuals have been appropriately challenged to make training competent practitioners a priority Many practitioners who have had no training in Lesbian Gay Bisexual And Transgendered Psychology find themselves confronted with clients that they feel ill equipped to address They often have the desire to develop clinical competencies in this area but don't know where to begin This volume is intended to serve as a basic resource with information on salient lesbian gay bisexual and transgendered psychology issues and to provide the reader with a range of references and other resources to explore key identity development and other subjects

HIV Prevention With Latinos Kurt C. Organista, 2012-06-28 This text written by leading authorities on theory research and practice in preventing HIV with diverse Latino populations and communities responds to the diminishing returns of the behavioural model of HIV risk by deconstructing the many social ecological contexts of risk within the Latino experience

Bisexualities and AIDS Peter Aggleton, 2020-08-11 Since early on in the epidemic there has been much interest in the role that bisexual behaviour among men may play in HIV transmission This text reviews from an international perspective what has been learned about male bisexuality in countries as diverse as Peru and Britain Its authors examine the forms that bisexuality takes in different cultures what it means to the men concerned and whether or not such behaviour poses special risks The implications of such enquiry for HIV prevention efforts are also examined Psychological Perspectives on Sexual Problems Jane M. Ussher, Christine D. Baker, 1993 The regulation of sexuality and the careful distinction between normality and abnormality has a long and checkered history with psychologists at the forefront of this debate Yet any attempt to identify a simple and unitary psychology of sexual problems inevitably becomes the focus of a great deal of criticism particularly from the disciplines of psychoanalysis and feminism The aim of *Psychological Perspectives on Sexual Problems* is both to provoke and to promote a glasnost between those whose work directly involves research and intervention in the arena of sexuality and those who would deconstruct criticize and reframe any understanding of sexuality outside of the dominant discourse of psychology The contributors examine the psychological theories associated with sexuality and sexual problems and at the same time present examples of positive and empowering practice with groups of individuals whose sexuality is often ignored or marginalized These individuals include those with learning difficulties or physical disabilities sex offenders gay men with AIDS and women with eating disorders *Psychological Perspectives on Sexual Problems* is the first text to integrate critical theory and current clinical practice in an attempt to arrive at a revolutionary approach to the psychology

of sexuality

Bisexuality In The Lives Of Men Book Review: Unveiling the Magic of Language

In an electronic digital era where connections and knowledge reign supreme, the enchanting power of language has become more apparent than ever. Bisexuality In The Lives Of Men Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Bisexuality In The Lives Of Men free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Bisexuality In The Lives Of Men free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Bisexuality In The Lives Of Men free PDF files is convenient,

its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Bisexuality In The Lives Of Men. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Bisexuality In The Lives Of Men any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Bisexuality In The Lives Of Men Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Bisexuality In The Lives Of Men is one of the best book in our library for free trial. We provide copy of Bisexuality In The Lives Of Men in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Bisexuality In The Lives Of Men. Where to download Bisexuality In The Lives Of Men online for free? Are you looking for Bisexuality In The Lives Of Men PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Bisexuality In The Lives Of Men. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Bisexuality In The Lives Of Men are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free

guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Bisexuality In The Lives Of Men. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Bisexuality In The Lives Of Men To get started finding Bisexuality In The Lives Of Men, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Bisexuality In The Lives Of Men So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Bisexuality In The Lives Of Men. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Bisexuality In The Lives Of Men, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Bisexuality In The Lives Of Men is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Bisexuality In The Lives Of Men is universally compatible with any devices to read.
