standards as Holy Cross took its place as the foremost Jesuit school among four year liberal arts colleges Thy Honored Name highlights the confluence of two strong educational traditions Puritan and Jesuit and the growing appreciation of their compatibility It is also an account of efforts to promote academic excellence without losing an authentically Jesuit identity in a region where many formerly religious schools have become secular The book will hold interest for persons who study educational and religious history for individuals interested in the development of New England and Worcester and for friends of Holy Cross Anthony J Kuzniewski S J is professor of history and rector of the Jesuit Community at the College of the Holy Cross Anthony Kuzniewski SJ professor of history in the College of Holy Cross can tell a good story Others have written histories of Holy Cross but none has matched his literary skill and historical acumen This is genuine history not a celebratory essay The author s thoroughness and attention to detail persuade one that no relevant document illuminating the college s history has been overlooked It is a handsome almost flawless volume that scholars and others interested in American higher education are sure to welcome Catholic Historical Review Kuzniewski has ultimately crafted an ample widely encompassing institutional biography that is balanced fair and interesting An in so doing he reminds us that an academic institution can achieve excellence and relevance even as it remains proud of its antique beginnings Connection

Donegan and the Panama Canal Thomas E. Morrissey, 2009-10-06 *Donegan and the Panama Canal* is a fictionalized first person story of why and how the United States built a canal in Panama in 1903 This story is a sequel to Mr Morrisseys previous novel of the Spanish American War *Donegan and the Splendid Little War* No one had previously written an historical novel of either of these events The title character of *Donegan and the Panama Canal* is Patrick Donegan 1875 1958 the son of Irish immigrants to Philadelphia Donegan belatedly wrote this memoir in 1953 but his grandson Thomas Morrissey did not publish it for another fifty years Patrick Donegan had previously served on a Spanish merchant ship for two years before its captain stranded him in Santiago de Cuba in 1895 He became a war profiteer during the Cuban revolt against Spain and wrote propaganda articles for the Cubans before William Randolph Hearst hired him to write for the New York Journal Donegan and the *Splendid Little War* relates how Donegan wrote biased pro Cuban stories for Hearst He telegraphed a misleading account of the explosion of the American battleship Maine which ultimately caused the United States to declare war on Spain He accompanied Theodore Roosevelt and the Rough Riders in their famous charge up San Juan Hill He published an exclusive eyewitness account of President McKinleys assassination but Hearst fired him when Joseph Pulitzer discovered that Donegan had written a short poem that may have inspired McKinleys assassin Donegan left the field of journalism and secretly became a lobbyist for the Panama Canal *Donegan and the Panama Canal* tells the story how Hearst ordered Donegan a year before he fired him in 1901 to sail around South America and disembark at the west coast of Nicaragua Hearst a Nicaraguan Canal partisan did not know that Donegan had already promised Philippe Bunau Varilla a French engineer who had served in Ferdinand de Lesseps earlier ill fated attempt to build a canal in Panama that he would support a Panama

Canal Captain Michael Healy piloted the ship that carried Donegan during their long journey through the Strait of Magellan to Central America. Donegan traveled through Nicaragua and interviewed her president and the American minister. He wrote many negative articles about Nicaragua and warned the American public that many active and dangerous volcanoes flourished in Nicaragua that could easily destroy any canal built there. Hearst appointed Donegan to cover the Washington political scene when he returned to New York. Donegan accompanied Philippe Bunau Varilla when this French lobbyist promoted the Panama Canal in many speeches throughout the United States. Bunau Varilla convinced Senator Mark Hanna, President William McKinley's eminence grise, that the Panama site was preferable to Nicaragua. McKinley remained noncommittal about where to build the canal, but Senator John Tyler Morgan of Alabama, the chief Nicaragua advocate, viciously attacked Philippe and Donegan's Panama site. After Hearst fired him, after President McKinley's assassination, Donegan sailed to France where he met William Nelson Cromwell, the legal representative of the Panama Railroad and the New Panama Canal Company. Donegan agreed to work with Cromwell on the canal question although he personally despised him. Donegan conferred with Bunau Varilla in France but they quickly returned to America when they heard that Congress would soon vote on whether the canal should be built in Panama or Nicaragua. All seemed lost when the House of Representatives overwhelmingly supported Nicaragua. Bunau Varilla influenced the French Canal Company to lower the price for its canal concession, and Donegan influenced President Roosevelt who previously favored Nicaragua to support the Panama site. Congress had to make the final decision about the canal site. Senator Morgan's Committee on Interoceanic Canals supported the Nicaragua Canal. Morgan and other senators argued that no can

Persons of Color and Religious at the Same Time Diane Batts Morrow, 2002. Annotation. Founded in Baltimore in 1828, the Oblate Sisters of Providence formed the first permanent African American Roman Catholic sisterhood in the United States. Exploring the antebellum history of this pioneering sisterhood, Batts Morrow demonstrates the centrality of race in the Oblate experience.

Jesuits and Race Nathaniel Millett, Charles H. Parker, 2024-12-01. *Jesuits and Race* examines the role that the Society of Jesus played in shaping Western understandings about race and explores the impact the Order had on the lives and societies of non-European peoples throughout history. Jesuits provide an unusual, if not unique, lens through which to view the topic of race given the global nature of the Society of Jesus and the priests' interest in humanity, salvation, conversion, science, and nature. Jesuits' global presence in missions, imperial expansion, and education lends insight into the differences in patterns of estrangement and assimilation as well as enfranchisement and coercion with people from Africa, Asia, and the Americas. The essays in this collection bring together case studies from around the world as a first step toward a comparative analysis of Jesuit engagement with racialized difference. The authors hone in on labor practices, social structures, and religious agendas at salient moments during the long span of Jesuit history in this fascinating volume.
