Tales of Sin: Truth or Dare Chester Leon Jones Jr., 2015-08-27

Like many children in America, Michael White grew up without a father. He taught himself how to be a man, which meant turning to a life of crime. Michael ends up in prison, but while there, he makes the decision to change his life. He writes down the story of his past; once his sentence is over, things take a decidedly upward swing. Michael chronicles his life in a memoir, and his book sells nearly one million copies. He can't believe his own luck, but he is happy to have turned a bad situation into a lucrative enterprise. He might have gone on living the clean life, but then he steps into Davie's Bar n Grill, where he meets four beautiful women who are prepared to tear his world apart. Monica Sinclair is the ringleader; the other girls follow her lead. They've made a sport of seducing and ruining men just for the fun of it. Michael has become their newest target, and he soon finds himself trapped in a seductive web of lust, deception, and murder. Will past indiscretions finally catch up with the girls this time, or will Michael end up another broken, battered victim of their cruel game?
