Your Baby's Secret World Larry V. Cheldelin, 1982-12-01. **A Home for Every Child** Patricia Susan Hart, 2011-05-01. Adoption has been a politically charged subject since the Progressive Era when it first became an established part of child welfare reform. In *A Home for Every Child*, Patricia Susan Hart looks at how, when, and why modern adoption practices became a part of child welfare policy. The Washington Children's Home Society, now the Children's Home Society of Washington, was founded in 1896 to place children into adoptive and foster homes as a means of dealing with child abuse, neglect, and homelessness. Hart reveals why birth parents relinquished their children to the Society, how adoptive parents embraced these vulnerable family members, and how the children adjusted to their new homes among strangers. Debates about nature versus nurture, fears about immigration, and anxieties about race and class informed child welfare policy during the Progressive Era. Hart sheds new light on that period of time and the social, cultural, and political factors that affected adopted children, their parents, and administrators of pioneering institutions like the Washington Children's Home Society.

Silent Grief Clara Hinton, 1998-02. Almost 200,000 couples in America each year suffer through the tragedy of miscarriage. And that statistic only tells us about first-trimester miscarriages. The emotional pain of longer-term miscarriages and the untold numbers of mothers and fathers who keep silent about their hurt make this form of child loss especially cruel. But in *Silent Grief*, author Clara Hinton brings a clear message of hope through the cold mourning. Writing of her own grief and interviewing scores of women and men, she offers not pat answers but instead shows us this: You are not alone. My
