*Hybrid Homeschooling* Michael Q. McShane,2021-03-14 All across the country in traditional public public charter and private schools entrepreneurial educators are experimenting with the school day and school week Hybrid Homeschools have students attend traditional classes in a brick and mortar school for some part of the week and homeschool for the rest of the week Some do two days at home and three days at school others the inverse and still others split between four days at home or school and one day at the other This book dives deep into hybrid homeschooling It describes the history of hybrid homeschooling the different types of hybrid homeschools operating around the country and the policies that can both promote and thwart it At the heart of the book are the stories of hybrid homeschoolers themselves Based on numerous in depth interviews the book tells the story of hybrid homeschooling from both the family and educator perspective
