Alsace-Lorraine Coleman Phillipson, 1918      *The First Battle of the First World War* Karl Deuringer, Terence Zuber, 2014-09-01 On 7 August 1914 a French corps attacked towards Mulhouse in Alsace and was immediately thrown back by the Germans On 14 August two weeks before Tannenberg and three weeks before the Battle of the Marne the French 1st and 2nd Armies attacked into Lorraine and on 20 August the German 6th and 7th Armies counterattacked After forty three years of peace this was the first test of strength between France and Germany In 1929 Karl Deuringer wrote the official history of the battle for the Bavarian Army an immensely detailed work of 890 pages chronicling the battle to 15 September Here First World War expert and former army officer Terence Zuber has translated and edited this study to a more accessible length while retaining over thirty highly detailed maps to bring us the first account in English of the first major battle of the Great War      A Manual of Alsace-Lorraine Great Britain. *Alsace and Lorraine* Ruth Putnam,2021-09-15 Alsace Lorraine was ceded by France to Germany in 1871 after the Franco German war then retroceded to France in 1919 after the First World War It was again ceded to Germany in 1940 during the Second World War and finally retroceded to France in 1945 Today Alsace Lorraine is a 5 067 square mile territory in France However as you ll find out it did not use to be so Before the wars and the back and forth ownership between France and Germany Alsace Lorraine was Alsace and Lorraine two distinct territories with different customs resources and characteristics Most documented histories of Alsace Lorraine reach back but not to the very beginning Ruth Putnam s does She gives an in depth history of Alsace and Lorraine all the way back to the time of Caesar 58BC capturing their identities politics and customs before they became bounties of war You are about to learn the true history of Alsace Lorraine     **The True Story of Alsace-Lorraine** Ernest Alfred Vizetelly,1918     *The History of Alsace-Lorraine under German Rule* Charles Downer Hazen,2019-06-03 The Imperial Territory of Alsace Lorraine was a territory created by the German Empire in 1871 after it annexed most of Alsace and the Moselle department of Lorraine following its victory in the Franco Prussian War The Alsatian part lay in the Rhine Valley on the west bank of the Rhine River and east of the Vosges Mountains The Lorraine section was in the upper Moselle valley to the north of the Vosges Contents The Treaty of Frankfort Alsace Lorraine Before the Treaty of Frankfort Why Germany Annexed Alsace Lorraine The Victim s Privilege Alsace Lorraine 1871 1890 Alsace Lorraine 1890 1911 The Constitution of 1911 The Saverne Affair     *Alsace-Lorraine a Study of the Relations of the Two Provinces to France and to Germany and a Presentation of the Just Claims of Their People* Blumenthal Daniel,2016-06-23 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy     **The True Story of Alsace-Lorraine (Classic Reprint)** Ernest Alfred Vizetelly,2015-07-08 Excerpt from The True Story of Alsace Lorraine The idea of writing this book occurred to me when I found both by conversing with friends and acquaintances and by listening at odd moments to remarks passed by men in the street how very little is known about Alsace Lorraine in Great Britain The general ignorance appeared to me to be the more regrettable as my acquaintance with all the more important German utterances and writings on this subject since 1871 convinced me already at the outset of the Great War that whatever conditions the Allies might resolve to exact of Germany the one which more than any other she would

resist to her utmost would be the restitution of Alsace Lorraine to France Nevertheless it was absurd for Baron von Kuhlmann to assert as he did shortly after his appointment as German Minister for Foreign Affairs that the sole obstacle to peace was the question of Alsace Lorraine As our Foreign Secretary Mr Balfour replied virtually repeating the utterances of our successive Prime Ministers Mr Asquith and Mr Lloyd George we undoubtedly desire to see Alsace Lorraine restored to France but it is ridiculous to imagine that this one question stands out solitary preeminent unconnected with any other of the objects of the war We are fighting as Mr Balfour said in order in the first place that Europe may be freed from the perpetual menace of the military party in Germany and assuredly if that object is to be attained questions affecting quite a number of countries will require solution About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works Alsace-Lorraine Daniel Blumenthal,1917

**Alsace-Lorraine** George Wharton Edwards,1918 **Alsace-Lorraine (Classic Reprint)** George Wharton Edwards,2016-09-13 Excerpt from Alsace Lorraine In the United States in England and in France there are half a million of Alsatians who would not consent to leave their adopted homes and new occupations for the doubtful opportunity of taking part in a plebiscite in the country of their birth They know too well the touch of the iron hand The seizure in 1871 of alsace lorraine is regarded by the Germans as the crowning triumph and victory of the Bismarckian era of conquest and it must be made for them by ourselves and our Allies one of the reasons for their defeat in the present war which that blood steeped war master of Europe has precipitated upon the nations for their domination The wrong done to Belgium is not greater than that done to alsace lorraine save that the latter country has not yet been so wrecked by fire and sword About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
