*Alternative Work Schedule* Haldi Associates, inc,1977      **Alternative Work Schedules** Simcha Ronen,1984 Personnel management guide to arrangement of working time options to fit in with workers life styles and enhance quality of working life in the USA discusses labour force participation trends in relation to the life cycle and work attitudes covers the compressed working week flexible hours of work part time employment and job sharing considers changing conditions of employment legal aspects the evaluation of job satisfaction and performance appraisal Photographs references statistical tables      **Human Resources and Demographics** ,1980      *Employment and Training Report of the President* United States. President,1979      Special Study on Economic Change ,1980      Hearings, Reports and Prints of the Joint Economic Committee United States. Congress. Joint Economic Committee,1980      *The Responsive Workplace* Sheila B. Kamerman,Alfred J. Kahn,2010-06-01 As the American workforce has changed in recent years to accommodate an increasing number of working parents the workplace itself must also adapt Sheila Kamerman and Alfred Kahn two of the most respected authorities on work and the American family explore in this study the ways in which the workplace has responded to social change They examine innovations in the workplace as well as enduring concerns fringe benefits day care and other services and employers policies at the workplace And they assess employers adequacy in assisting parents of young children to manage simultaneously their work and family roles In doing so Kamerman and Kahn separate over optimistic wish lists from reality and mere claims of certain effects from observed results They also look at some critical benefits and services in detail delineating which are useful and practical The authors consider whether a workplace based pattern of provision will meet everyone s needs and if not what alternatives are possible While endorsing a serious role for employers they stress that government must also take a role in respect to families of working parents      Alternate Work Schedules and Part Time Career Opportunities in the Federal Government United States. Congress. House. Committee on Post Office and Civil Service. Subcommittee on Manpower and Civil Service,1976      **Work Force Effectiveness ,      New Work Schedules in Practice** Stanley D. Nollen,1982 Thirty five case studies demonstrate how more flexible scheduling of work hours can improve worker morale and productivity      **Work Force Effectiveness** United States. Office of Personnel Management. Library,1979      Feminism's Forgotten Fight Kirsten Swinth,2018-11-05 A spirited defense of feminism arguing that the lack of support for working mothers is less a failure of second wave feminism than a rejection by reactionaries of the sweeping changes they campaigned for When people discuss feminism they often lament its failure to deliver on the promise that women can have it all But as Kirsten Swinth argues in this provocative book it is not feminism that has betrayed women but a society that balked at making the far reaching changes for which activists fought Feminism s Forgotten Fight resurrects the comprehensive vision of feminism s second wave at a time when its principles are under renewed attack Through compelling stories of local and national activism and crucial legislative and judicial battles Swinth s history spotlights concerns not

commonly associated with the movement of the 1960s and 1970s We see liberals and radicals white women and women of color rethinking gender roles and redistributing housework They brought men into the fold and together demanded bold policy changes to ensure job protection for pregnant women and federal support for child care Many of the creative proposals they devised to reshape the workplace and rework government policy such as guaranteed incomes for mothers and flex time now seem prescient Swinth definitively dispels the notion that second wave feminists pushed women into the workplace without offering solutions to issues they faced at home *Feminism's Forgotten Fight* examines activists campaigns for work and family in depth and helps us see how feminism's opponents not feminists themselves blocked the movement's aspirations Her insights offer key lessons for women's ongoing struggle to achieve equality at home and work
