Alzheimer's Eileen Driscoll,1994 A great manual written by a person who has spent a lifetime caring for these patients from the onset of the disease until their passing A great book for carers but especially helpful for family members relatives and friends *Dr Ruth's Guide for the Alzheimer's Caregiver* Dr. Ruth K. Westheimer,Pierre A. Lehu,2012-10-05 Dr Ruth a trusted name in relationship therapy presents effective coping strategies for both the practical problems and emotional stresses of Alzheimer s care More than 15 million Americans are responsible for the care of a loved one with Alzheimer s disease a situation that can quickly lead to feeling overwhelmed while trying to balance between the full time needs of a dependent adult and the caregiver s own physical and mental health The tactics and resources presented in this book build confidence in the caregiver and provide health guided advice on how to avoid burnout seek support from family and friends resolve family disputes maintain a loving relationship with a spouse or parent with Alzheimer s manage behavior and make the home a safe environment Keeping the best interests of everyone involved in mind the guide also details how to coordinate effectively with doctors facilities and other care providers *Alzheimer's Disease Handbook* David A. Lindeman,1984

The Encyclopedia of Memory and Memory Disorders Carol Turkington,Joseph Harris,2002 More than 600 clear concise entries explore such topics as the anatomy of the brain the role of the brain in the central nervous system how thoughts feelings and memories develop the effects of brain injuries and the impact of major brain diseases The glossary bibliography and appendixes have also been thoroughly revised *Memory* Carol A. Turkington,2003-02-06 Master the 3 keys of memory Boost memory power with self tests Remember everything better from names and faces to articles and speeches Master key concepts Prepare for exams Learn at your own pace How does memory work What kind of drugs can impair memory How does the brain change with age What are the tricks to improving everyday memory With *Memory A Self Teaching Guide* you will discover the answers to these questions and many more Carol Turkington provides memory boosting activities related to study skills foreign languages names and faces numbers speeches and age related memory loss The techniques presented will enable anyone to boost memory power and by using Turkington s essential memory keys cultivate tools for remembering that will last a lifetime The step by step clearly structured format of *Memory* makes it fully accessible providing an easily understood comprehensive overview Like all Self Teaching Guides *Memory* allows you to build gradually on what you have learned at your own pace Questions and self tests reinforce the information in each chapter and allow you to skip ahead or focus on specific areas of concern Packed with useful up to date information this clear concise volume is a valuable learning tool and reference source for anyone who wants to improve his or her memory **Help for the Caring** Brenda Parris Sibley,2002 This much needed bibliography and filmography brings together lists of books about Alzheimer s and caregiving including biographies poetry and even fiction as well as in instructional and dramatic films The Art of Business Emery H. Mikel,2013-04-28 This practical guide to self employment takes you through every step of the process

from coming up with the idea and marketing yourself finding jobs and interviewing to maintaining jobs and what happens when you or your client want to end the job It considers the likely obstacles you may face and covers topics such as ethics and interns *The Handholder's Handbook* Rosette Teitel,2001 Annotation According to the Alzheimer s Association one in ten persons over sixty five and nearly half of those over eighty five have Alzheimer s disease Today 4 million Americans have Alzheimer s disease In a national survey 19 million Americans said they have a family member with the ailment and 37 million said they knew someone who had it But when Rosette Teitel found herself in the role of caregiver to her ailing husband she could find no books that answered her practical needs How do you give a 170 pound man a shower How do you pick him up when he falls What should you anticipate as the disease progresses What support networks are available When is it time to consider a nursing home and how do you find one While many Alzheimer s disease books focus on the disease and the patient Teitel draws on her own experience as well as that of a clinical psychologist a coordinator of an Alzheimer s program at a community center members of the Alzheimer s Foundation a research psychologist an elder law attorney and a neurologist to tackle subjects rarely dealt with in other self help books Teitel covers topics such as managing the expenses of long term care through Medicaid estate planning and preparing for the patient s death and the loss of someone whose daily survival has been at the center of one s existence The chapters deal with background information on diagnosis treatment and the progression of the disease the physical and emotional changes and resources involved with the day to day caregiving support networks nursing homes finances death of the patient grief mourning and life after the patient s death and interviews with children caring for parents with Alzheimer s disease In addition Teitel provides a helpful list of frequently asked questions scheduling and memory aids and websites where readers can find resources *Handbook of Dementing Illnesses* Morris John,1993-12-01 about the book about the editor ISBN 0 8247 *Do You Remember Me?* Judith Levine,2010-05-11 In her award winning book *Harmful to Minors* Judith Levine radically upended our fixed ideas about childhood Now she tackles the other end of life in this poignant memoir of a daughter coming to terms with a difficult father who is sinking into dementia presenting an insightful exploration of the ways we think about disability aging and the self as it resides in the body and the world In prose that is unsentimental yet moving serious yet darkly funny complex in emotion and ideas yet spare in diction Levine reassembles her father s personal and professional history even as he is losing track of it She unpeels the layers of his complicated personality and uncovers information that surprises even her mother to whom her father has been married for more than sixty years As her father deteriorates the family consensus about who he was and is and how best to care for him constantly threatens to collapse Levine recounts the painful discussions mad outbursts and gingerly negotiations and dissects the shifting alliances among family friends and a changing guard of hired caretakers Spending more and more time with her father she confronts a relationship that has long felt bereft of love By caring for his needs she learns to care about and slowly to love him While Levine chronicles these developments she looks outside her

family for the sources of their perceptions and expectations deftly weaving politics science history and philosophy into their personal story A memoir opens up to become a critique of our culture s attitudes toward the elderly A claustrophobic account of Alzheimer s is transformed into a complex lesson about love duty and community What creates a self and keeps it whole Levine insists that only the collaboration of others can safeguard her father s self against the riddling of his brain Embracing interdependence and vulnerability not autonomy and productivity as the seminal elements of our humanity Levine challenges herself and her readers to find new meaning even hope in one man s mortality and our own
