Birth Of Social Welfare In Ireland 1922-1952:

Social Casework, 1992 This index contains an historical overview of the journal Social Casework formerly The Family together with four separate types of index subject author title and book review It allows easy reference to the material included in the journal over the past 70 years The New Witness, 1922 *Facing the Other* Borbála Faragó, Moynagh Sullivan, 2008-12-18 This collection offers a multi faceted investigation of the critical issue of the creation and place of the Other in Ireland The extraordinarily rapid recent economic development of Ireland has effected a profound transformation in the island s social and cultural life In the process old verities and assumptions concerning the nature of Irish society and culture have been called into question with a whole variety of new challenges coming to light The developments of the last two decades have transformed questions of what and who constitutes the Other within Irish society but in the process older societal faultlines based on gender disability and religious difference have not disappeared and historical processes of Othering continue to play a critical role in influencing and moulding the social contours of the new Ireland of the twenty first century Drawing on a number of different disciplinary perspectives this collection presents a number of key analyses of social and cultural practices and policies that reflect anxieties about and negotiations of these changes examining historical and contemporary representation of fears about the porousness of national borders the increasing racialization of the Irish state through social and juridical proscriptions and the popular and official narrative of progress *Primary Education*, 1921

Popular Educator, 1922 **The Birth of Social Welfare in Ireland, 1922-52** Mel Cousins, 2003 This is the first publication to look in detail at the politics and the policies of the development of the social welfare system in Ireland It aims to shed some light on the broader political history of Ireland on the political parties and the key figures of the time in the 1920s through to the 1950s through an examination of one of the country s major social policy areas **A Statement on Social Policy** Council for Social Welfare (Ireland), 1972 **Social Work in Ireland** Noreen Kearney, Caroline Skehill, 2005

Poverty and Welfare in Ireland 1838-1948 Peter Gray, 2011 This book will provide a ground breaking introduction to the history of poverty and welfare in modern Ireland in the era of the Irish poor law As the first study to address poor relief and health care together this book will fill an important gap in the existing literature providing a much needed introduction to and assessment of the evolution of social welfare in nineteenth and early twentieth century Ireland The collection also addresses a number of related issues including private philanthropy the attitudes of landowners towards poor relief and the crisis of the poor law during the Great Famine of 1845-50 Together this interlinking set of contributions will both survey current research and suggest new areas for investigation thus it is hoped proving a further stimulus to the growing field of Irish welfare history **Communities & Social Change** Northern Ireland Council of Social Service, 1963 **The Irish Social Welfare System** Mel Cousins, 1995 This text plots the political and legal evolution and trends of the Irish social welfare system It highlights the changes to appeals structure and impact of the EU with particular reference to

harmonization and the elimination of sexual discrimination Welfare in Ireland Michel Peillon, 2001-07-30 Employing the conceptual framework elaborated by Pierre Bourdieu Peillon provides a unified analysis of social welfare institutions and practices in Ireland In an effort to offer an overview of the forces that have shaped and continue to influence the Irish welfare system the author examines the actions and approaches taken by various actors involved in social welfare policy making including the Catholic Church the State trade unions employers organizations and feminist movements Peillon also incorporates comparative issues that continue to impact on the way welfare systems develop and react to changes While the focus of the work is on the struggles and developments in the Irish welfare system this case study provides a framework for examining welfare efforts in general and should therefore appeal to anyone interested in social welfare systems and policies This unique examination of welfare in Ireland is organized into two parts Part I focuses on the collective actors in the welfare field and lays the theoretical framework for the sociological analysis used throughout the work Part II considers the dynamics resulting from the practices and strategies of the various actors The chapters in the second part of the book endeavor to understand the dynamics of the welfare field which are triggered by the struggle between the main actors Examining the relative strengths and weaknesses of these actors in conjunction with their resources and goals the author illustrates how the current welfare system has developed and changed as a result
