

## ANGUS WILSON

### THE WRONG SET

*Scots O' Fairhair:* "One of the outstanding books of this twenty years. For with Angus Wilson's *The Wrong Set* a new writer of the first rank has appeared on the horizon. Prophecies are dangerous, but I believe that if Angus Wilson goes on as he has begun, within ten years he will be as well known and admired as Evelyn Waugh, Elizabeth Bowen, A. E. Coppard, or Ernest Hemingway. He is a socialist with a lyrical touch, trenchant, ruthless, often very funny, sometimes very frightening; and he can write as a duck can swim."

### SUCH DARLING DODOS

*V. S. Pritchett:* "Mr. Angus Wilson's stories are very clever indeed. . . . He is a very amusing, original and talented writer."

### EMILE ZOLA

*Cyril Connolly:* "Let me say at once that this is a most intelligent and fascinating short book which will give great pleasure. One feels that Mr. Wilson has really understood Zola."

### HEMLOCK AND AFTER

*John Burt Foster:* "He is wonderfully accurate and never dull. And he has an ear for dialogue, and a sure sense of the novel as a story which needs suspense and a neat conclusion."

*Times Literary Supplement:* "A novel of remarkable power and literary skill, which deserves to be judged by the highest standards."

### ANGLO-SAXON ATTITUDES

*John Davenport:* "Mr. Wilson is one of the most humane as well as one of the clearest of contemporary writers. *ANGLO-SAXON ATTITUDES* is incomparably the best thing he has done."

*George Malcolm Thomson:* "Angus Wilson is the most exciting writer of fiction to turn up in Britain since the war."

**A Visit to Priapus and Other Stories** Glenway Wescott,2013-11-29 Just as E M Forster s novel of gay love Maurice remained unpublished throughout his lifetime Glenway Wescott s long story A Visit to Priapus was also destined to be a posthumous work buried from 1938 until this century in Wescott s massive archive of manuscripts journals notebooks and letters The autobiographical story is about a literary man frustrated in love who puts aside his pride and makes a date with a young artist in Maine Lavishly rendered in Wescott s elegant prose the tale is explicit where it needs to be but as is typical of Wescott it is filled with descriptive beauty and introspective lessons about sex and sexuality love and creativity Previously published in anthology form in the United Kingdom A Visit to Priapus is presented for the first time in book form in America containing previously uncollected stories including three never before published The result is a candid portrayal of the gifted but enigmatic writer who was famous in youth and remained a perceptive and compassionate voice throughout his long life Drawn together from midcentury literary journals and magazines of the 1920s and 1930s as well as from Wescott s papers the stories were inspired by his life from childhood to old age from Wisconsin farm country to New York London Germany and Paris Finalist Gay General Fiction Lambda Literary Awards *Wee Willie Winkie, and Other Stories* Rudyard Kipling,1899 *The Box Social and Other Stories* James Reaney,1996 The Box Social Other Stories gathers together nine of James Reaney s short fictions written in the 40s and early 50s and never previously collected in book form The collection takes its title from a short piece the author originally published in the University College Undergrad and which provoked a

firestorm of eight hundred angry letters from subscribers when it was republished nationally in the New Liberty in the late 40s It also thwarted the young author's designs on the editorship of the Undergrad because of his clear moral unsuitability for such an august position This is doubtful because the Undergrad eventually came to be edited thirty years later by PQL publisher Tim Inkster The Box Social is remarkable not only that it introduced the theme of date rape to Canadian literature some thirty years before the phrase was coined but also that it is told from Sylvia's point of view and yet again that it ends with one of the quietest lines of literary vitriol imaginable I hated you so much she said softly If Alice Munro has put the sexually awakening female under glass in Lives of Girls and Women then The Box Social could just as easily have been titled Lives of Boys and Men In The Bully the brutality of what passes for etiquette in secondary school is contrasted with the simpler life of the farm personified in Noreen who drops grain in the shape of letters to feed her chickens so that when the hens ate the grain they were forced to spell out Noreen's initials or to form a cross and circle There were just enough hens to make this rather an interesting game Sometimes I know Noreen spelled out whole sentences in this way a letter or two each night and I often wondered to whom she was writing up in the sky The Bully was included in The New Oxford Book of Canadian Short Stories edited by Margaret Atwood and Robert Weaver The young Margaret Atwood first encountered The Bully as an undergraduate She read the story oddly enough in an anthology edited by Robert Weaver and the experience was apparently seminal to her own development as a writer of fiction
